

CARDS WITH A TASTE OF CHEESE

Harry Brown, left, president of the Central Cheese Factory's Board of Directors, prepares to help cheesemaker Ross Lain

serve cheese to two of the members of the board and their wives. Directors of the Board playing cards include Mr. and Mrs. Garth Joslin

and Mr. and Mrs. James Hoard. A community social evening was held Friday night at the cheese factory

to kick off their 1973 season, with card games held around the cheese vats and dancing in the cold storage area.

## Maurice Bell Honored For Twenty Years' Effort

"Thanks, Mr. Bell" was the large motto in band colors, wine and gold, on the stage of Warkworth Town Hall when former Warkworth band members of the last 20 years gathered with friends to express appreciation to Maurice Bell of Stirling who was Warkworth bandmaster from 1950-1971.

Neil Lackey, the last president of Warkworth Community Band, read an address of appreciation and best wishes. Gifts were presented.

Chairman for the program was Mr. William Isaac who had been in the percussion section of the band during the entire 20 year period.

Mr. Bell is still active in instrumental music in elementary school. He is employed by Hastings County Board of Education teaching instrumental music to about 300 pupils from grades 2-8. Mr. Bell has had extensive experience in teaching which includes the Stirling Citizens Band that began in 1936, Trenton Lions Club Band 1952-59, Marmora High School Band 1960-63. He has instructed on banjo, guitar, mandolin, brasses, woodwind and percussion.

Mr. Bell's sons, Bob and Bill were also in attendance. They are experienced musicians, having played with

bands of Queen's University, Warkworth and Stirling. The Bell family played with Eastern Ontario Concert Orchestra for five years.

In charge of the guest book was Mrs. Don Thompson, who had been an instigator of the band when it was formed in 1949 and it carried forth under the Percy Recreation Commission.

Included in the artifacts of the 20 years were three bank uniforms of that period. The first was a white shirt with navy skirt or trousers; the second showed a wine blazer and the third was a wine cape with gold lining. This wine and gold theme was carried out in the decorations around the hall.

Also the pictures, newspapers, scrap book pages encompassing the 20 year period were much enjoyed by all present.

Former band members were present from Waterloo, Toronto, Cobourg, Ottawa and Morganston.

## Senior Citizens hold meeting

There were about 50 present at Senior Citizens on Thursday and we really had a ball. With 11 tables in play at euchre, Mable Brooks and Florence Hough (playing as a man) won first prize. Several of us were partly responsible that Evelyn Finkle and Helen Sables got the low, disle Scribe thinks there should be a prize for the one who has the most fun losing. That being the case perhaps disle Scribe and the Heasman Brothers might get their names in the paper too. We don't feel so bad for without losers there could be no winners. The only sad thing is we also help the loser to lose.

We extend sympathy to Bessie West in the bereavement of her brother, Norman Tanner of Oshawa.

We welcomed one guest, Tilly Senior brought along her neighbor, Margaret Forsyth of Frankford, as her guest.

Nellie Montgomery, Mable Brooks and Myrtle Tanner treated us to a nice lunch. While we were singing the birthday song to Helen Fitchett Clarence presented her with a flaming birthday cake.

JUST LAUNDRY  
"All right back there?" shouted the bus driver.

"No, Wait 'til I get my clothes on," replied a feminine voice. "So the driver not wanting to miss anything, rushed to the rear and watched a girl get on with a basket of laundry."

disle Scribe

## Camping Federation To Hold Convention At Campbellford

What's the CFCF? It's the Canadian Family Camping Federation - a Canadian camping club which promotes camping and encourages families to take part in recreational group activities.

It also stresses conservation of natural resources, promotes safety and provides a focus on camping facilities for members.

Formed in 1965 by a group of concerned camping friends (five families), it has spread right across Canada and has a membership of over 1000 families in Ontario alone. Some of them belong to the province's 26 clubs; other are independent members.

Three of the clubs are located in this area; the Peterborough Lift Lock Camping Club, the Cobourg Pine Ridge Camping Club and the Bancroft Eagle Nesters.

Two big rallies are held each year; the provincial rally on the Queen's Birthday holiday weekend in May and the national rally on Labor Day Holiday weekend in September.

This year the provincial gathering takes place at Beaverdam Park May 18-21, with the Peterborough Lift Lock Campers playing host. Over 850 families are expected to attend. Special entertainment is being planned for all age groups.

Collin and Alice Robinson of the Marmora area are provincial field officers for the CFCF and invite all interested people to attend a family camping meeting in the Campbellford Senior Citizens room, Sunday, April 15 at 2 p.m.

"We would like to see a good turnout of newcomers from this area," Mr. Robinson says.

On Saturday, March 31 the annual Provincial Executive's Tournament for leagues affiliated with the Ontario Bowlers Congress was held at Sportsman's Bowl, Guelph. The Bay of Quinte Zone "K" Zone Round was held previously at Trent Lanes, Campbellford. There were three categories: Presidents, Secretaries and Treasurers. The top three each category advanced to the Provincial Finals. Stirling held second place President Albert Wilhelm, third place place President Dan Beith and fifth place Treasurer Emma Roe (3rd or 4th place finishers were unable to attend bowling.) At Guelph there were 150 bowlers taking part and there were championship trophies for 1st place finishers and merchandise prizes for the top 14 finishers in each category. Emma Roe of Stirling won an electric bean pot for 12th spot for treasurers. Other Bay of Quinte winners were Al Nichols of Campbellford, 5th for secretaries; Ian Williams of Campbellford, 6th for treasurers; and Ann Doherty of Hastings, 13th for treasurers. All participants attended a free banquet and dance at Pine Gardens following the bowling.

The Rangers are studying Back Picking and Compass and will be going camping again on the weekend of April 13-15.

## RANGER NEWS

On Tuesday, March 27 the meeting opened with the giving out of Waupoos, Quinte Area Camp crests, which will soon be collector's items. The meeting was held at Debbie David's home.

Meanwhile the Guides and Brownies are organizing an annual Tea at the Royal Canadian Legion Hall in Belleville. The Rangers will be there too! The date is Tuesday, April 10, from 2 - 4 p.m. for the Tea, and Coffee from 7 - 9 p.m. Tickets are 25¢.

The Ranger workshop in April will be held at Tanners Field Centre, Millbridge. The next Ranger meeting will be Tuesday April 3, at the Senior Public School, The Hastings Board of Education has generously allowed the Rangers to use the school kitchen to make candy for the Tea and Bake Sale.

## COUNCIL MINUTES

Members all present, except Reeves Anderson. Minutes of the March 14 and 19th meetings approved on motion by Martin and Faulkner. Clerk read the following correspondence: Ministry of Community and Social Services re: Community Centres, Ontario Housing re: 7 1/2% Inspection Department re: Water and Sewer Fees, Ministry of the Environment re: 1973 Operating Budget, Assessment Review Court re: Assessment Appeals, Ministry of Transportation and the Stirling Festival of Sacred Praise re: Request for Donation, Ontario Association of Cemetery re: Regional meeting April 27, 1973; The Premier of Ontario re: Task Force Hydro, Duplicate Original Plans, Donald E. Loughheed re: Questionnaire on Deer Population, By-Law Officer's Report.

Motion by Faulkner and Valchar that the By-Law Officer's report be received and filed, except that which would be brought up later under General Business.

In the letter from the Stirling Festival of Sacred Praise asking for any financial assistance or May 1st, free Grants. On motion by Martin and Valchar, due to the fact this event includes all churches in the Village, consent be granted.

D.F. Bolte spoke to Council on several matters, reporting the work done since he became foreman. He asked Council's instruction on the lawn mowers for the Cemetery. He said the report from McIntosh Motors that two of the lawn mowers were not worth repairing. Council instructed him to carry on with the present mowers until he was sure what type he wanted to purchase this year.

He also discussed Garbage pick-up, as everything is being put out for garbage, with 12 loads last Tuesday. He asked Council to consider setting up one or two days a month for the pick-up of other than Household garbage.

Also the condition of the roof on the Library and the eavestroughs. Property Committee agreed to investigate.

Council agreed to have D.F. Bolte attend the Roads Foremen Convention in Guelph and pay the necessary application fee.

Also the members of the Cemetery Board and the Village Foreman would try and attend the Cemetery Meeting in Belleville on April 27, 1973.

Motion by Faulkner and Martin that the following accounts be paid: H.E. Cooke (14-33) \$180.50; Edgar's Garage \$53.50; Moulton's Crest Hardware \$119.95; Communications Canada (Radio Licence) \$20.00; Mark Trip Ltd. \$7.77; Donald Tucker \$15.00; G.C. Moulton, Mutual Aid Expenses \$75.00; Co-Operative Health Services \$204.00; The Municipal World \$7.70; Bell Canada \$26.22; Phillips Planning & Engineering \$181.86; Burn's Grocery \$5.90; Moulton's Crest Hardware (re Community Hall) \$1.46; Roads and Streets Voucher No. 3 \$1,201.76.

Motion by Martin and Faulkner that the penalty on all Dog Tags not purchased by April 30, 1973 shall be raised to \$2.00. The Clerk will prepare a list of all known dog owners who have not purchased tags, for the Animal Control Officer, who will be paid \$1.00 for each tag sold after April 30. Tags will still be available from the Municipal Office.

Clerk was instructed to contact the Stirling PUC requesting a hydrant be installed at the south end of the water line on Emma Street.

Councillor Martin stated that in other Council business was completed he would like to discuss the Sewer and Lagoon extensions with Council. He said he had two questions: 1. Who is the owner of the Village Sewer System? Answer - The Ministry of the Environment (formerly OWRC) is the owner until it is paid for. 2. When was the request made for the Sewer extension which could include Lagoon extension? Answer - 1968. Due to the Ministry not approving the report presented by Hisey and Barrington, and after a second report being presented it also was not accepted and the Engineers were fired; Greer and Galloway, the firm hired by the Village and approved by the Ministry.

Mr. Martin said he had been contacted by three residents of Sidney Township who had, along with many others from Sidney, attended the Public Hearing on February 13, 1973 and objected to the proposed location of the lagoon. They informed Councillor Martin they felt they had made an objection and should have been notified individually before having to read it in the local paper. The Village had received a very brief letter on March 17, stating the report of the Public Hearing and that the Ministry approved of the finding. Council had no knowledge at this time if any other people had been notified.

Council was informed that Dr. Potter had been approached by Sidney Township residents in this regard and had visited the site. All Council members stated their views on the subject which was left in abeyance till further work was received from the Ministry.

The changing of certain streets as recommended at a previous meeting was discussed, a copy of a By-Law had been received from Toronto, but Council had not come up with any suggested names for these streets. It was finally decided that each Councillor should make a list of names for Council to decide at the next meeting.

Council duly adjourned to meet again Wednesday, April 4, with our Planning Engineers, with the next regular meeting April 16.

## HOUSE LEAGUE PLAYOFFS

Riverside Construction Pee Wee House League team captured the Legion Trophy Friday night after defeating the footweaver 3-2. Riverside won the first game of the best of three finals Thursday night shutting out Elaine 3-0.

Greg Vandor scored from Riverside's first goal in Thursday night's contest while Mark Vandor scored for the two other Riverside markers assisted by Chris Bay and Gord Sanders. Joey Hart, Riverside goalie, earned the shut-out.

Greg Gozard assisted by Doug White lead off the scoring in Friday night's game as Elaine tried to come back from a Thursday night Riverside win. Rob Bush assisted by Michael Bailey scored for Riverside in the second period while Russ Doktator from

Gord Sanders scored for Riverside in the second frame. Allan Deior scoring from Jacob Talsma at 10:40 of the second period tied the game. Riverside Construction took the game at the 13:50 mark by the final frame on a goal by Mark Vandor.

Bert Bastien, sports officer for the local Legion Branch, presented the Legion Pee Wee trophy to Rob Bush, captain of the team, and Jack Bush, coach of Riverside Construction team.

Woodbeck Auto Parts tied the Legion Novice House League finals Friday night edged Bird's IGA 2-1. Bird's edged Woodbeck's 5-4 Thursday night to take the first game of the best of three finals.

Don Wellman scored unassisted for Woodbeck Auto Parts in the second period while in the third period Wellman scored again assisted by Mike Emmerson. Warren Doktator picked up Bird's IGA only goal unassisted.

Warren Doktator scored two goals for Bird's IGA Thursday night with Greg Fraser assisting.

Fraser also picked up two goals for Bird's assisted by Mike Wells and Gene Thompson. Mike Wells scored the other Bird's marker assisted by Greg Fraser.

Don Wellman and Mike Emmerson scored two goals each for Woodbeck Auto Parts. Steve Wellman and John White assisted.

## PERSONAL

Mr. and Mrs. Edwin Warren have returned after a month's holiday in Florida. They were accompanied by Mr. and Mrs. Albert Warren of Kingston.

Mrs. Ernest Broadworth spent last week with her daughter in Toronto.

Mrs. Lydia McKee has returned home after spending the past three weeks in Belleville General Hospital.

Mrs. C. Rollins spent last week with her niece, Mrs. Ross Tuddenham of Ottawa.

ICE REMOVAL

A breakdown in the artificial ice plant forced Stirling Arena Committee to take the ice out, closing the season early with Midget finals and Novice House League games yet to play. Cecil Solmes and Steve Baxter shovel slushy ice during Friday night's Legion House League Playoffs. The Novice final game has been moved to Trenton Memorial Gardens Wednesday night while the second game of the Midget series will be played in Trenton Friday night.

## Hold Playoffs In Trenton

Stirling hockey fans get their chance to show their degree of support for local key teams this week, as three games have been scheduled for the Trenton Community Gardens, due to the plant breakdown in Stirling and the subsequent removal of the ice here.

Heading the list in the Ontario Finals of the Midget Series in the Ontario Minor Hockey Association in which Stirling and Six Nations are currently battling, Six Nations leads the series 1-0 by virtue of its win in Waterloo Sunday. The second game will be played at the Trenton arena Friday night at 8 p.m. Stirling fans are asked to come out and support this team, which has a long history of competition with the Indian team.

In 1968 the Six Nations' team was runner-up in the Ontario Pee Wee championship; in 1970 they were runner-up to Stirling as it won the all-Ontario title in Pee Wee; and last year put out Stirling in the finals.

Wednesday night the Novice finals will be held at the Trenton arena from 8 - 7 p.m. and from 8 - 9 o'clock, the Stirling Girls Hockey team, sponsored by Ken Sine Fuchs, will play the second game of its series with Kingston, in that championship round.

Third game in the Midget series will be held Sunday afternoon in Hagersville, with time to be announced. Dates for the fourth and fifth games of the series, if needed, have not yet been announced.

Exceptional goal tending gave Six Nations a 6-1 win in the first game of the best of five Ontario Finals Sunday in Waterloo.

Kevin Solmes assisted by Stan Myers, picked up Stirling's only goal early in the third period. Six Nations completed the scoring late in the final frame to give them their first game win.

Bob Powless scored three goals for the winners while Brian and Roger Martin picked up a single each.

The score didn't indicate the type of play as coaches of the team report that Stirling was able to keep up to Six Nations in the skating department but Six Nations got the breaks and managed to put the pucks in the net.

The same group of players met last year in the Banham Stirling-Six Nations Ontario Finals.

## Showcase '73 Artsfest Highlight

Showcase '73 is this year's highlight in Belleville's annual artsfest. Darrell Calvin, a New York director, has been hired especially for this occasion. Mr. Calvin oversees the organization of more than 70 people who are involved with the production.

Thirty people will be taking part in stage activities which includes musical numbers and revues. In addition, there will be a 6 piece professional pit band, described as a small band but with a big sound by Music Director, Frank Martin.

With 17 singers and dancers in the chorus, the job of choreographer is indeed an awesome task, but this duty is being well taken care of by the Quinte Dance Centre. Vocal direction will be in the excellent hands of Wally Williamson, assuring us of success in this area as well.

Behind the scenes, the all important technical duties that make an excellent production possible are under the capable direction of Ted Balfour of Loyalist College. Eleanor Jourdain is head costume coordinator and Peter Bailey is stage manager, helped by a production crew of 10.

The Batawa Community has the opportunity to preview Showcase '73 on April 3 at the

## HOCKEY SCORES

Local Junior Girls' team defeated Marmora 3-1 Saturday in Marmora.

Denise Jackson, Dawn Jackson and Janet Vanhorne picked up the three Stirling markers.

Stirling Tykes participated in a Tournament held in Cobourg Saturday. Stirling was defeated in the first game 5-1 by Newcastle. Don Wellman picked up the lone Stirling marker.

In the team's second game, they were beat 5-3 by Port Hope. Greg Fraser scored two goals while Tim Kerr picked up the single.

LEGION NOVICE ALL-STARS

Members of the local Legion Novice team include, first row, left, Bruce Wood, Mike Jackson, Brian Wood, holding the 'B' trophy won by

the team at a recent Brighton Tournament; Warren Doktator, Don Montgomery, Second row, left, Maurice

Montgomery, Assistant coach; Tim Klompfner, Steve Barry, Ron Sills, Brian Doktator, Steve Farney,

Shawn Bird, Ferdinand Klompfner and Merrill Wood, coach. Missing from the photo is Steve Valchar.

## Merrie Bowlers - BOWLING NEWS

Things are sure tightening up with the Merrie Cows. Isobel Hutcheon's Belles and Beasts Hewton's Dingbats are tied with 105 points. Lorna Wrightman's Meatheds are next with 102, while Mildred Fraser's Dingalings are lagging at 66. It's going to take the last day of bowling to show the placing of the top three teams. Predictions at this point are right out.

Lorna Wrightman rolled high single of 256; Barb Noble had a 351 and a 255. She captured high triple of 669 and right now has the high average of 182.

Other over 200's included Helena Costing 228, 207; Isobel Hutcheon 204; Ruth Gowan 208; Tillie Prest 203; Ruby Tompkins 201; and Dilly Montgomery 211.

Other good games were bowled by Karen Dostator 196; Joan McLean 211, 223; Judy Haggerty 210, 212; Grace Donohoe 208; Betty Hubble 205, 211; Sylvia Edgar 207, 198; Jean Edgar 215, 199 and 230; JoAnne Valchar 213, 221, 209; and Joan Rankin 201, 209.

Other good games bowled were Paul Jones 177, 182; Marilyn Farrell 183; Maureen Williams 158, 195; Sue Wright 142, 201; Shirley Goodman 159; Rodney Bush 179, 142; Tim Whiteman 138, 191; Terry McGee 204; JoAnne Valchar 191, 179; Lynne Hoover 166; Sandra Williams 142; Marilyn Williams 166, 168; Paul Munro 159; Faith Little 184, 194; Julie Hunter 141, 160.

For the boys Rodney McKeown had high single 223 double 416 and Ricky Clement has high average of 189.

Other good games were Robbie Clements 210, 166; Heather Sine 202, 153; Rodney McKeown 193; Kim Philip 185, 139; Judy Tucker 176; Sherry Farrell 164, 152; Dianna Barrie 156; Pamela Gozard 156; John McKay 162; and Janice Reid 155.

### Friday Night Mixed League

On March 23rd Don's Diamonds were 4-3 winners over Robert's Jokers and Pete's Deuces were 7-0 winners over Ralph's Aces.

In 'A' group for the ladies Rosa Spry bowled high single of 262 and high triple of 690, Verna Woodbeck holds high average of 195.

In 'B' group Irene Lippert bowled high single of 225, high triple of 577 and holds high average of 157.

For the men Bud Riseley bowled high single of 289 and high triple of 705 and has high average of 212.

Other good games of 200 and over were bowled by Don Carr 207, 215; Gloria Carr 207; Garnet Searles 235; Jessie Riseley 228; Bud Riseley 205; Robert Sararas 204, 252; Doug Sca 219, 296; Grace Sca 209; Ted Mead 215; Ralph Park 233, 275; Rosa Spry 219, 209; Olive White 202; Pete Lippert 213; Ralph Sca 212; Harold Morgan 218 and Verna Woodbeck 261.

On March 30th Ralph's Aces were 7-0 winners over Don's Diamonds and Pete's Deuces were 5-2 winners over Robert's Jokers. Team points to date are: Aces 114, Deuces 84, Diamonds 94 and Jokers 117.

In 'A' group for the ladies Rosa Spry bowled high single of 220 and high triple of 596, Verna Woodbeck holds high average of 195.

In 'B' group Muriel Riseley bowled high single of 226 and high triple of 510, Irene Lippert has high average of 157.

For the men Ralph Park bowled high single of 298 and high triple of 787 and also holds high average of 215.

Other good games of 200 and over were bowled by Ralph Sca 206, 222, 203; Harold Morgan 246; Verna Woodbeck 217; Ralph Riseley 237; Don Carr 214, 232; Bud Riseley 256; Doug Sca 233; Ralph Park 232, 257; Bill Reid 219; Rosa Spry 206; Olive White 214, 215; and Pete Lippert 212.

Other good games were Marianne Fillet 170; Douglas Royce 151, 137; Greg Gozard 159, 117; Jerry Alde 167, 115; Richard Sca 139, 103; Cheryl McGee 132, 127; Annie Bonair 140; Joey Hart 148, 104; Dor Boersma 140; Sandra Edgar 149; Brian Clements 137; Geoff Wilcox 138; Mark Montgomery 125; Kelee Chyphs 123; Stephen Barrie 121; Janice Sca 120; Jeff Whiteman 132; and Margaret Wilcox 117.

JUNIOR - Suzanne Jackett bowled high single 249, double 381 and has high average of 164.

### Energetic Ladies League

On Friday afternoon, March 30 Elsie O'Brien's Bottoms Up got 5 points for 107 while bowling June Wilcox's Hep Cats, leaving them 2 for a 96 total. Joan Jones' last place Green Lights gained 5 points for 83 while bowling Bev Adams' Happy Faces, giving them 2 for 92. The next three weeks are going to be real interesting.

'A' group (average 160 and up) - Irene Hogle bowled high single of 250 and Luella Bronson high triple of 563, Elsie O'Brien has high average of 185.

Other good games were June Wilcox 235; Heather McGee 218; Lenora West 215, 188; Bev Adams 214, 193; Luella Bronson 212, 189; Pat Harris 217; Ivy Poste 201, 181; Joan Jones 205, 184; Verna Woodbeck 185; and Irene Hogle 182.

'B' group (average 159 and under) - Frances Heath bowled high single of 259 and high triple of 568.

Other good games were Grace Tanner 203; Frances Heath 199; Mary Johnson 193; Mabel Brooks 175.

### Teen League

On Saturday, March 31 the Strikers chalked up another 5 points against the Chargers who lost the first game by just 15 points. The Hot Stuff and the Triumphs had two very close games, each taking one and the Triumphs got total pinfall by 11. The Centre Pins got one game and total pinfall against the Go Getters, who also won one game.

Points are: Strikers 89; Go Getters and Triumphs tied at 70; Hot Stuff 65; Centre Pins 62 and Chargers 60.

BANTAM - Joanne Campbell had high single 180 and double 300. Cheryl McGee has high average 127.

For the boys Don Boersma had high single 171, high double 311 and Greg Gozard has high average 128.

Other good games were Marianne Fillet 170; Douglas Royce 151, 137; Greg Gozard 159, 117; Jerry Alde 167, 115; Richard Sca 139, 103; Cheryl McGee 132, 127; Annie Bonair 140; Joey Hart 148, 104; Dor Boersma 140; Sandra Edgar 149; Brian Clements 137; Geoff Wilcox 138; Mark Montgomery 125; Kelee Chyphs 123; Stephen Barrie 121; Janice Sca 120; Jeff Whiteman 132; and Margaret Wilcox 117.

JUNIOR - Suzanne Jackett bowled high single 249, double 381 and has high average of 164.

On March 23 the Gutters won both games against the Alley Cats and the Mud Slingers won both games against the Bits and Pieces. Team standings were:

Alley Cats 67 points  
Mud Slingers 65 points  
Bits and Pieces 62 points  
Gutters 46 points

Sue Wright bowled high single for the girls, with 201, and holds high average of 202. Faith Little bowled high double with 378.

For the boys, Terry McGee bowled the high single with 204. Paul Jones bowled high double with 359 and holds high average of 190.

Charles Irvine, left, pours sap from an old wooden bucket into a collecting pail held by Bert Frink, chairman of the Education-Information Board of the Moira River Conservation Authority. The Authority has been holding visitations for the past two weekends to the Irvine sugar bush, located near Fuller, while during the week many schools in Belleville and area are busying students to the sugar bush to witness the collecting and boiling down of the sap.

### Village of Stirling DOG TAGS

All owners of dogs in the Village of Stirling, please take notice that April 30, 1973 is the last day to purchase Dog Tags without added penalty.

At a regular meeting of Council, April 2, 1973, the penalty was raised to two dollars on May 1, 1973. Tags will still be available at the Municipal office and also from the Animal Control Officer.

Clerk

John Bradshaw says: "Summer lawn weeds? Use CIL Weed and Feed. I use it."

"You'll find a lot of products called 'weed and feed' on sale, but the one I recommend comes from CIL.

"It won't burn the lawn, and takes out just about any broadleaf weed you'll find. And those tough, woody creeping weeds too.

"If you'd like my complete guide for the perfect lawn, talk to the CIL dealer below. He can really help you."

## Have you claimed your credit?

Even if you don't pay income taxes you may benefit from the Ontario Government's new Property Tax Credit Plan, but you must apply by filling in a 1972 Income Tax Return.

You'll find a special mauve claim form just for that purpose in the 1972 income tax kit. An explanation of the plan is right on the form.

The new Property Tax Credit Plan provides greater benefits for more—the elderly, roomers, boarders, and low income families.

If you paid property taxes or rent last year, you may be eligible. Pick up a tax return kit at any post office, if you haven't already got one. And send in both the tax return and the mauve claim form. But do it quickly—remember returns and claims are to be filed by April 30th.

Your federal District Taxation Office will be glad to answer any questions you might have.

The Ontario Property Tax Credit Plan: we thought of it, but we'd like you to get the credit.

**Time To Plan**  
The fact that Stirling's Midget Hockey team will have to conclude its Ontario Championship series with Waterloo on home ice away from home provides a good opportunity to seriously consider the future of the present Stirling Arena, and what action should be taken to remedy what will likely continue to be a worsening situation in years to come. This is brought about by the fact that the local ice plant broke down over the weekend and could not be repaired in time to continue the series, and also, were it repaired, whether it could produce satisfactory ice at this late date in the season is questionable.

Stirling's arena, which is about 40 years old, has served the community well, and was originally built, and for many years maintained at a minimum of expense. Those close to the situation realize something will have to be done in the not to distant future, and with the present circumstances, now might be as good a time to start planning as any.

Two basic decisions have to be taken, -- where to build new premises, and how large should they be. While the present facilities have served the double purpose of hockey and curling, perhaps the present rink could be made suitable for curling, and the new one used for hockey and figure skating. It is also possible, without the curling involved, the new facility could be rented some of the time and realize additional revenue. Such a new building could also be utilized in the off season for any large functions, a capacity which is lacking in this area at the moment. With Stirling's central location, and if it had such a building, it would quite likely come in for much use.

We understand there has been some consideration to locating any new arena on the fair grounds property. If this were done, it would solve the problem of land having to be purchased, and also would provide an ample parking facility, one of the present locale's main drawbacks. Such additional space might prove useful for the annual fair's two-day stint, and also provide incentive to try and attract other ventures to the community.

Whatever is done, will not be done in a few weeks or even months. With the complex situation of government grants, approvals, arranging other financing and community involvement of various groups, the ultimate action would be, optimistically a year away, even if plans were started now. Such an undertaking will require much planning, selling to both local residents and public groups.

We do not suggest that the present structure is about to collapse and become unusable another season. We do suggest that some serious consideration be given to what will be needed, and it be done before we reach a crisis situation.

\*\*\*\*  
Mr. Wilbert Reid and wife, who spent the winter at Har- old, have moved to Stirling.  
\*\*\*\*  
On Saturday night, despite the mud and darkness, a large number gathered at the home of Mr. Thos. Cook, Sr., for the purpose of bidding them good-bye before leaving for their new home at Ivanhoe.  
\*\*\*\*  
Mr. Donald A. Bird has been appointed to a position on the staff of the United Empire Bank.  
\*\*\*\*  
There have been more advances in dentistry in the last 40 years than during the previous 400.  
Advancement is coming so rapidly and so great in volume that a dentist has difficulty in keeping abreast of the improvements. He must study continuously.  
When the dentist's receptionist says, "The Doctor is out of town for a week," he is often back in university learning the latest techniques and cramming them into his already busy schedule.  
Whole new concepts in dental practice have developed as a result of research.  
Emphasis today has shifted to preventive from the corrective or restorative dentistry approach. There is a great deal of concern about "Baby" teeth and the role they have to play in the development of the permanent teeth.  
Teeth are meant to last a lifetime. It's archaic to think that most people are supposed to lose their natural teeth by middle age and then wear artificial dentures.  
Adding to the life expectancy of teeth and other oral structures are new methods and materials for filling teeth, treating gum diseases, intelligent use of antibiotics and a better understanding of the dental role of nutrition and

### Compensation talk

#### FINANCING

On the job injuries to Ontario workers are expected to result in expenditures in excess of \$137 million in the current year. That's the amount it is anticipated that the Workmen's Compensation Board will pay out to cover the cost of medical treatment for injured workers and to provide the various cash benefits to which they and their families are entitled.

The amount estimated is the equivalent of approximately \$18 for every man, woman and child in the province; but not one of them will be required to make direct contribution to the sum.

Entire cost of Ontario's Workmen's Compensation system is borne by the province's industries and businesses - the companies whose workers are covered by the program.

It has been that way since January 1, 1915, when Ontario's legislators decided all aspects of protecting workers against an injury on the job should be a cost of doing business in the province.

To distribute overall cost equitably, the majority of businesses and industries are assigned to one of 27 classes, based on the type of operation. These general classes are further sub-divided into what has become a total of 108 distinct categories established on the basis of the degree of hazard which normal experience has shown exists in the specific work being done.

The amount an individual firm pays into the Workmen's Compensation fund depends primarily on the category (rate number is the Board designation) to which it is assigned. Assessment rates for the various categories, which is expressed as a percentage of a firm's payroll covering employees for earnings up to \$9,000 a year, can be anything from 15 cents per \$100 payroll (the most present rate for employees of municipal school boards) to a high of \$15 per \$100 payroll (the amount assessed against firms engaged in tunnelling operations).

The firms in each separate category or rate number are responsible among themselves for covering the cost of providing overall Workmen's Compensation benefits to their workers. The rate of assessment in any given rate number will vary according to

the accident costs in a particular industry. In 1971, 49.5% of each dollar the Workmen's Compensation Board collected from Ontario industry was spent on direct aid to the province's injured workmen. Four percent was directed to the promotion of safe practice (an expenditure which also has obvious direct benefits for workers).

Economy in administration is given constant attention by the Board. Modern business techniques and computerization of routine procedures, held administrative costs during 1971, to 6.5% of total expenditures.

### Minto Card Party

The final card party of the season was held in Minto Community Hall Thursday night with seven tables in play. The winners were Ladies high, Mrs. Bob Fisher; Ladies 2nd, Mrs. Frank McGee; Ladies low, Dale Davidson (playing as a lady); Men's high, Larry Forestell; Men's 2nd, Archie Wickens; Men's low, Harry McMullen; Door prize, Mrs. Harold Holden. Following cards lunch was served.

### Rebekahs hold meeting

The members of Laurel Rebekah Lodge #211 were welcomed by the Noble Grand, Sis. Marjorie Stapley, with a very appropriate poem, "Life is Sweet."

Sis. Betty Johnson, Vice Grand, reported that cards and flowers had been sent to several sick members.

#### AMBROSE

THE STIRLING NEWS-ARGUS, Wednesday, April 4, 1973 5

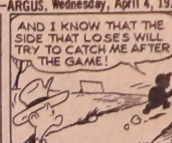

The Annual District Meeting will be held in Belleville on April 18. Sisters Kathleen McMullen and Hilda Rose PNG will be attending as representatives of Laurel Lodge. Sister Madeline Walker Jr. was elected representative to attend the Rebekah Assembly at the Royal York Hotel, Toronto, in June.

The members were reminded of the Coffee Party being held on Thursday, May 17 in the I.O.O.F. Temple. More information later on. The church service, held jointly with Stirling I.O.O.F. Lodge, will be held in St. Andrew's Presbyterian

Church on Sunday, April 15 at 11 a.m. All Rebekahs are requested to attend.

At the next meeting, April 10, Laurel Lodge will welcome Sis. Alice Adams, District Deputy President of District #4 on her official visit. A very pleasant evening is being planned and it is hoped that all members will plan to attend to do honor to our District Deputy President.

### Denture wearers smile.

Anasdent is the denture cleanser that lets you smile with confidence. Special whitening and brightening cleans dentures fast—in minutes—without brushing or overnight soaking. One capful removes stubborn stains... helps keep your mouth fresher, longer.

anasdent

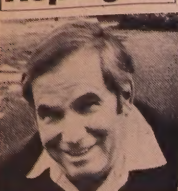

It gives you a lot to smile about.

## Sore throat?

Chew Aspergum. Aspergum's medically recognized pain reliever effectively soothes the sorest throat. And it's so easy to take, children like it too. For soothing relief from a sore throat, chew Aspergum Cherry or Aspergum Orange. It helps.

**Aspergum**

John Bradshaw says:

**"Feed grass this weekend with CIL Golfgreen"**

"I've used CIL Golfgreen on my lawn for years, and I honestly don't know a better made lawn food."

"It won't burn, and builds a lovely thick green lawn."

"If you'd like my complete guide for growing the perfect lawn, talk to the CIL dealer below. He can really help you."

PRESENTATION OF PEE WEE TROPHY

Bert Bastedo, local Legion Branch sports officer, presents the Legion Pee Wee House League Trophy to Rob Bush, captain of the River-

side Construction team, winners of the Pee Wee finals held Friday night. Looking on is Jack Bush, coach of the

team. This is the second year in a row for a win by the Riverside Construction club.

## Spring Brook WI

The hostess for the March meeting of the Spring Brook Women's Institute was Mrs. James Spry, Mrs. Ed Bateman and Mrs. E. Heath assisted by sending lunch, 17 ladies were in attendance including one new member.

The Pres. Mrs. G. Williams opened the meeting with an inspirational reading 'Spring Cleaning', O'Canada and the Opening Ode were sung and the Mary Stewart Collect repeated.

Mrs. W. J. Barlow read the minutes of the February meeting, also the correspondence and the treasurer's report. A short time of business followed during which it was moved and seconded that the Institute would donate fifty dollars to the Spring Brook Recreation Centre. Birthday greetings were extended to Mrs. James Spry and

Mrs. Beverly Storms. The pennies for friendship collection was received.

Mrs. Cyril McKeown gave an interesting, detailed report of the District Directors meeting held recently in Madoc. The roll call was answered by each person giving the name and commenting on a holiday spot they had visited in Canada.

The program of Citizenship and World Affairs was then presented by Mrs. L. McInroy, and Mrs. G. Williams. The first few minutes were spent doing a contest which was conducted by Mrs. L. McInroy. Mrs. G. Burkitt then gave an interesting reading on the arrival of Spring. Mrs. L. McInroy spoke a few minutes on the motto - "Every person has a tribute to give to his country", listing a number of the freedoms which are enjoyed but taken for granted in Canada.

Mrs. Beverly Storms then read a poem 'Our Native Land' which was a tribute to the beauty of our country. A poem 'Our Emblem, The Maple Leaf' was read by Mrs. Huldah McInroy expressing the beauty and abundance of the maple trees in Canada, giving reasons why the Maple Leaf may have been chosen as the emblem of Canada.

A very informative time followed when Mrs. G. Williams spoke on the topic 'Legislation' explaining Parliamentary procedures in meetings such as the Women's Institutes.

## Mount Pleasant

(By Mrs. Percy McMullen) Central Cheese Factory began operations on Mon., April 2 for the summer season.

On Friday evening, March 30th patrons and friends sponsored a card party and dance at the factory with approximately 100 men, women and children in attendance.

Mr. and Mrs. Richard Herrington spent the weekend with

Mr. and Mrs. Larry Jeffs at Kingston.

Harvey Couch and his three sons furnished music for dancing. The squares were called by Harold Johnston of Carmel. The ladies provided the refreshments. The factory has recently been redecorated.

Gail Merrick spent last week with her uncle and aunt Mr. and Mrs. Herbert Smith. Her brother, Glenn, spent the week with his grandparents, Mr. and Mrs. Oscar Merrick, while their parents were on holiday.

Mrs. W. Scott, Foxboro, spent Tuesday with Mr. and Mrs. Archie Bailey and visited at Hastings Manor in the afternoon.

Mount Pleasant U.C.W. catered on Wednesday, March 28, to the auction sale of Doug Campbell.

Mrs. Arthur Couch visited her brother at Hastings Manor on Tuesday afternoon.

Mr. and Mrs. Malcolm McMullen visited Mr. and Mrs. Gerald Morgan and Lisa at Port Hope on Sunday.

Mr. and Mrs. Frank Andrews entertained to a late

**JOHN'S DAIRY STORE**

395-2121

STIRLING

dinner on Sunday evening March 25th. The guests were Mr. and Mrs. Milton Shaw, Mr. and Mrs. Burton Sharpe, and Mr. and Mrs. William McAdam.

Mrs. Robert Hoard and Mrs. Archie Bailey represented Mount Pleasant United Church Women on Tuesday, March 27, and visited several folk who were ill in hospital at Hastings Manor, Belleville.

Mrs. Frank Hutchinson observed her 84th birthday anniversary on Sunday, April 1st. Mr. and Mrs. Ted Trotter and Mrs. Murray Manders, Catherine and David, Peterborough, spent Sunday with

their parents, Mr. and Mrs. Lorne Bailey and George. The daughters arranged a birthday dinner party in honor of their mother. Their aunt, Mrs. Percy MacMullen was one of the guests in attendance.

On Wednesday, March 21st, Mrs. Raymond McConnell, Mrs. Jody Sager and Mrs. Grant Hubble represented Mount Pleasant U.C.W. at the Hastings Manor Coffee Shop. Mrs. Jack Doran of Stirling also assisted, and Mrs. Harry Thompson visited friends at the Manor that afternoon.

The U.C.W. are catering on Wednesday, April 4th, at the McAdam auction sale. Mrs. Raymond McKenzie is

a patient in the General Hospital, Belleville. She was admitted on Saturday, March 24th. Mr. and Mrs. Fred McAdam of Huron Park, Ontario, spent Sunday with his parents, Mr. and Mrs. Harry McAdam.

Mr. and Mrs. Jody Sager and daughter of Wellman's have

taken up residence on the Doug Campbell property.

Herb Millar, Smiths Falls, died on February 26th following an illness of two years. He was in his 72nd year. His wife was the former Luella Sharp of Mount Pleasant. She was a daughter of Mrs. Charles

Sharp of Belleville and the late Mr. Sharp. Keith McConnell, son of Mr. and Mrs. Norman McConnell, attended the Hastings County Junior Farmer's Provincial Conference in Toronto over the weekend of March 24th. There were 350 delegates in attendance.

# What your dollars do.

As told by Denis Lapalme who was once a crippled child.

*I'm sure glad to be able to thank everyone for the help they give me and crippled children at Easter Seal time. Three years ago I was in a bad accident. A train ran over my legs, but I'm okay now, even though I wear artificial legs. I can play hockey, ride a bike, climb trees and play ball.*

*I'm this year's Timmy and it's me you see running on the new Easter Seal cheque.*

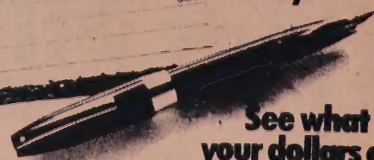

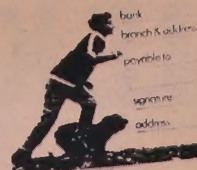

*Will you please send in your donations to help make the other crippled children better, like me.*

*Thanks very much.*

*Yours truly*

*Denis Lapalme*

**Cheque out a crippled child today.**

**See what your dollars can do.**

**Burning Rectal Itch**  
Relieved In Minutes  
Exclusive Healing Substance  
Relieves Pain As It  
Shrinks Hemorrhoids.

If you want satisfactory relief from  
"Itching Piles"—here's good news.  
A renowned research laboratory  
has found a unique healing substance  
that promptly relieves the burning  
itch and pain—actually shrinks  
hemorrhoids. This substance has  
been shown to produce a most effec-  
tive rate of healing. Its germ-killing  
properties also help prevent  
infection.

In case after case "very striking  
improvement" was noted, even  
among cases of long standing. And  
the improvement was maintained  
over a period of months!

This was accomplished by a new  
healing substance (Bio-Dyne)  
which quickly helps heal injured  
cells and stimulate growth of new  
tissue. Now Bio-Dyne is offered in  
ointment and suppository form  
called Preparation "H". Ask for it  
at all drug stores—satisfaction or  
money refunded.

## CARDS OF THANKS

I would like to thank all  
those who offered prayers on  
my behalf previous to the open  
heart surgery and during my  
stay in the intensive care unit  
and in Victoria 2 in Kingston  
General Hospital. To the skill-  
ful Doctors and nurses who  
many, many thanks. To Stirling  
Encampment #80 for the lovely  
planning and Shirling Lodge  
#299 for independent Order of  
Odd Fellows for the box of  
fruit and the box of choco-  
lates; to all those who sent  
cards, flowers and gifts and  
brought personal calls; to Rev.  
John May, Rev. Dr. A.M. Lav-  
erty, Rev. John Cotton, Pro-  
testant Chaplain K.G.H. and  
Rev. Hobbs of Trenton for their  
calls, prayers and mes-  
sages; and to those who were  
so kind and thoughtful of my  
wife and family, my grateful  
thanks. May God bless you all.  
14-1  
George Carlisle

We wish to express our sin-  
cere thanks to our friends and  
neighbors of River Valley and  
Batawa for the lovely evening  
held in our honor. The gifts  
we received are very useful  
and we appreciate them very  
much. A special thank you to  
the chivare gang.  
14-1  
Stanley and Peggy  
Morrow

I would like to thank every-  
one for gifts, cards, visits  
and telephone calls while I  
was in Belleville General Hospi-  
tal and since my return home.  
Special thanks to Dr.  
Parkin, Dr. Morphy and nur-  
ses on the 2nd floor. The kindness  
of these people was much  
appreciated.

## Letter to the Editor

THE STIRLING FESTIVAL OF SACRED PRAISE

Aim: To promote a love for Sacred Praise, especially among boys, girls and young people.

Stirling, Ontario  
March, 1973

Dear Friends:

April 30th to May 4th has been chosen as the date for the 23rd Annual Stirling Festival of Sacred Praise. The Committee responsible for this Festival seeks to improve the Festival each year. The changes in the syllabus, we hope, will help to create greater participation. In 1972 we were pleased with the increase in entries.

Since 1950, when the Festival was first begun, many persons have contributed a great deal to the success of the Festival through their participation, interest and financial support. The Festival we hope have and will promote more interest in, and appreciation for, Sacred Praise and Study of the Scriptures. We have been able to secure the services of well qualified adjudicators, appreciative of the standard of music set by the Festival. All contestants have shown enthusiasm, and talent in their presentations and we trust have been helped and encouraged to continue in their field of music through these constructive adjudications.

This year we have secured the service of Dr. D.M. Smith, of Campbellford, to adjudicate the scriptures, Miss Bayanna Toiy of The Royal Conservatory of Music Toronto, for piano, organ, vocal and choir, and Professor Dwayne Bates of Queen's University, Kingston for Band and Instrumental Music. These adjudicators come very highly recommended to us and we hope they will be very beneficial to our Festival.

On behalf of the Members of the Committee for the Stirling Festival of Sacred Praise, may we sincerely thank you for your interest and financial support in previous years, which has enabled us to continue with this worthwhile work. Anticipating your assistance each year, our financial burden is eased and we are encouraged to continue our work.

Mrs. (Carl) Lillian Potter  
Stirling, Ontario

Geo. Carlisle  
Chairman  
Finance Committee

## Weekly Meditation

CONTRIBUTED BY STIRLING CLERGYMEN

(By Douglas Tyrer)

MAN'S QUESTIONS...  
GOD'S ANSWERS.

Am I accountable to God?  
...every one of us shall give account of himself to God (Romans 14:12).

Does He charge me with sin?  
...But the scriptures hath concluded all under sin, (Galatians 3:22)

John Bradshaw says:

"Want great flowers and vegetables?"

Use CIL Flower & Vegetable Food."

"You'll be amazed at the difference when you feed your plants with CIL Flower & Vegetable Food."

"I've used it for years and I'm completely satisfied with it. My vegetables are bigger, juicier, tastier; my flowers bloom more profusely."

## NOTICE

TOWNSHIP OF RAWDON  
ROAD CLOSING BY-LAW

BY-LAW No. 988

TOWNSHIP OF RAWDON  
A BY-LAW FOR CLOSING  
ROAD ALLOWANCE PARTS  
OF LOTS 19, 20 and 21, of the  
14th concession of the Town-  
ship of Rawdon, approximately  
2,637.69 feet.

Whereas, by virtue of Section 444 (1) (c) and (d), of the  
Municipal Act, R.S.O. 1970, the Council of every municipality may pass a  
By-Law for stopping up a  
Highway and for the sale of the  
soil and freehold of the part  
of the Highway so stopped up,  
AND WHEREAS, the Council of  
the Corporation of the Town-  
ship of Rawdon deemed it  
expedient to stop up and sell  
part of lots 19, 20 and 21 of the  
14th concession of the Town-  
ship of Rawdon, approximately  
2,637.69 feet.

AND WHEREAS, statutory  
requirements for giving notice  
of the proposed By-Law and  
for the hearing of persons who  
claim to be prejudicially af-  
fected have been complied  
with;

AND WHEREAS, no valid  
objections have been made to  
this By-Law;

NOW THEREFORE THE  
COUNCIL OF THE CORPOR-  
ATION OF THE TOWNSHIP  
OF RAWDON ENACTS AS  
FOLLOWS:

1. All and singular that  
certain parcel or tract of land  
situate, lying and being in the  
Township of Rawdon, in the  
County of Hastings and being  
composed of parts of lots 19,  
20 and 21 of the 14th con-  
cession of the Township of Raw-  
don, approximately 2,637.69  
feet.

2. That the said part of  
the allowance for road be stop-  
ped up and the same is hereby  
vested in the Corporation of  
the Township of Rawdon and  
the said Corporation is hereby  
authorized to sell the said  
allowance for road so stopped  
up to adjoining owners at such  
price as may be determined  
by the said Corporation, and  
in default of the said adjoining  
owners purchasing the same,  
to such other persons as it  
may be determined by the said  
Corporation of \$1.00.

3. This By-Law shall come  
into force and take effect im-  
mediately upon the Corpora-  
tion of the County of Hastings  
passing a Confirming By-Law  
according to Section 444, (6)  
(c) Chapter 284, of the Mu-  
nicipal Act R.S.O. 1970.

Read a first and second time  
this fifth day of March, 1973.

W.J. Barlow, Clerk

R.E. Shortt, Reeve

1. R.E. Shortt, Reeve of the  
Township of Rawdon, do hereby  
certify that the above is a  
true and correct copy of By-  
Law No. 988, of the Township  
of Rawdon.

## CARDS OF THANKS

I wish to express my sincere  
thanks to friends, neighbors,  
relatives, Mount Pleasant  
U.C.W. and River Valley W.I.  
for their flowers, gifts, cards  
and visits while I was a patient  
in Belleville General Hospital,  
Queen's Self Care Unit and  
since my return home. Special  
thanks to Dr. Briggs, Dr.  
Mathieson, Dr. Fry and all  
the nurses. Thanks to Rev.  
Cox and Rev. May for their  
visits.

14-1 Beatrice Harry

I wish to thank all my friends  
and relatives for visits, cards,  
flowers and gifts during my  
stay in Belleville General  
Hospital since returning  
home. Special thanks to Rev.  
Cox, Dr. Briggs, Dr. Mathie-  
son and nurses. Also to all  
those who were so kind to my  
wife, seeing she always had a  
ride to hospital and home  
again.

14-1 Harry Haslett

I would like to voice a big  
thank you to all my friends,  
relatives and neighbors for  
the many cheery letters,  
cards, visits, flowers and  
special kindnesses sent my way.  
Thanks also to those who pro-  
vided babysitting and trans-  
portation so that my family  
could visit often. To Doctors  
Douglas, Mathieson and  
Briggs, and the nursing staff  
of Belleville General Hospital  
my gratitude for wonderful  
care. A special vote of thanks  
to Rev. John May for his many  
visits and prayers. God bless  
you, one and all.

14-1 Eileen White

## Guide News

The Guide meeting on Tues-  
day night started with a game  
called 'Hot Potato' conducted  
by Linda H. and Heather B.  
The main part of our even-  
ing was spent in our first  
week's study of five week  
course on St. John's Home  
Nurse's Badge. This is being  
taught by Mrs. Jody Sager.

We studied nutrition, prepa-  
ration for patient care, taking  
patient's temperature, pulse  
and respiration, and public  
services.

Our meeting closed with  
tape. The Guides are busy  
selling tickets for the annual  
Guide and Brownie Tea, which  
is on April 10th.

## Senior Citizens hold meeting

Last Thursday evening tables of euche were in play with the following result. First Edna Sharpe and Will Fitchett. Last were Evelyn Finkle and Gord Bailey. Now Myrtle Tanner and Letta Curtis seem like a harmless pair but... watch them. They let a skunk loose and it sprayed all over Mary Cooke and Gord Bailey... phew.

We all burst into song when we discovered it was Ethel Duffin's birthday. She is a year older but sure don't look it. A nice lunch was served by

Martha Wood, Edna Campbell, Florence Hough and Evelyn Finkle.

On Thursday April 12th we will have a pot luck dinner at 12:30 sharp. Bring your own eating tools and cup and three plates. One plate to eat from and the upper and lower ones to chew with.

HOUSING  
The big thing now is split-level homes. 30 years ago if you lived over a garage you kept quiet about it.

dis ole Scribe

## NEW SERVICE

A new service is being instituted in the Stirling News-Argus, which will help avoid, if possible, the fullest extent, some of the numerous conflicts which arise in Stirling and area with several functions on the same date. The idea is to publish each week a calendar of events for the month. There will be two categories of items-public meetings such as council, public utilities, etc., for which there will be no charge; and meetings of any and all groups of which the News-Argus is notified in time. There will be a small charge for these, which will cover the production expense only. Such groups as service clubs, church group meetings, Scouts, Cubs, Guides, Brownies and Rangers, 4-H groups, etc., will be given a flat rate per meeting and will be inserted provided adequate notice is given. Other activities, which are advertised in the regular coming events section of the classified ads will be included, with a brief reference to event, place and time.

The second purpose of this community calendar service is to provide a central information agency, through which organizations can avoid conflict of major events, which many might want to attend. It will be gradually established that as far ahead as possible, the News-Argus will have a calendar of planned events, of which it is notified. Then, if there is some group planning to hold an event two or three months or more hence, by a simple call at the office or by telephone, it will be easy to find out what is available as far as dates are concerned.

It is proposed to begin this calendar with the first issue in May. We are soliciting the support and cooperation of all groups that wish to avail themselves of this service to contact the office between now and April 27, so we can set up the first one.

At the outset, the charge for non-advertised events will be 50¢ per meeting, or \$5.00 per year. Any individual or group that wishes more information is asked to contact the publisher in person or at 395-3321. Remember, the secret of success of this venture will be ADVANCE information. In this manner, we hope to stimulate interest in more events, make more people aware of just what is happening in various community groups, and also perhaps encourage better attendance at some functions.

## Rawdon council holds meeting

Rawdon Township Council met on April 2, 1973, at the Spring Brook Fire Hall with the members all present. The minutes of the last regular and the one special meetings were read and approved on motions of Pollock and Spencer.

Finch and Sharpe: that Malcolm Mason be paid \$4.00 covering the licence on the two fire trucks.

Sharpe and Spencer: Donald Tucker be paid \$13.75 for destroying dogs in the Township.

Finch and Pollock: the clerk was authorized to sell and collect on dog tags for the year 1973, and the following be collected - \$3.00 for male or spayed female, \$5.00 for second dog, One female, \$5.00, Kennel licence, \$12.00.

Pollock and Spencer: H.J. McAlpine Consultants be paid \$4,622.89.

Sharpe and Pollock: that Jack Spencer and Wesley Finch be appointed representatives on the Spring Brook Recreation Centre.

Finch and Spencer: the clerk write and get all information regarding grants, etc., on recreation centre.

Sharpe and Pollock: a grant of \$15.00 be given to the treasurer of the Stirling Festival of Sacred Praise.

Spencer and Finch: the fire phones for the amount of \$48.36 be paid.

Pollock and Finch: Council revert to general business.

Spencer and Pollock: the Ontario Hydro be paid \$11.25 for Township Hall.

Finch and Sharpe: Allan McComb be paid \$224.00 as caretaker of waste disposal site for the month of March.

Sharpe and Pollock: Road voucher No. 3 for \$5,824.51 be paid.

Pollock and Finch: that the Township of Rawdon call tenders for diesel oil, gasoline and furnace oil for the year 1973.

Company supply tanks and pumps. Tenders will close 12 o'clock noon, May 7, 1973.

Finch and Sharpe: Council adjourn to meet Monday, May 7th at 7:30 p.m. at the Spring Brook Fire Hall.

AFFECTIONATE SMILES FROM TIMMY & TAMMY

Edward Klompemaker, chairman of the Stirling Rotary Crippled Children's Fund and Charles Staples, chairman of this year's Easter Seals campaign receive affectionate smiles from this year's Timmy, 17-year-old Randy Sararas, and Tammy, 12-year-old Mary Fennel.

Local Rotarians held their annual Timmy Night at the Community Hall last Tuesday night with entertainment donated by the Centennial Secondary School Concert Band.

## Parents' Role

Donald Williams, last year's chairman of Hastings County board of education, favors large consolidated schools and wouldn't go back to the little red schoolhouse. But in his speech from Bancroft opening Education Week in north Hastings, he admitted something is missing.

It's the personal touch. Loss of identity in large schools, for both teachers and students, is the most serious problem of consolidation, he said.

Speaking on the theme of Education Week - human values in education - Mr. Williams said teachers must see students as people.

"There is no place in our classroom for sarcasm or ridicule," he warned. "A teacher's actions are his textbooks."

"I am thrilled with today's young people," Mr. Williams said. "They are bright, intelligent, outgoing and have a breadth of understanding of international affairs we lack at their age. But I wonder if they carry this understanding into relationships with fellow students?"

Teachers have a tough job in today's classrooms. "They must deal with students who have little or no training in common courtesy."

Parents, charged Mr. Williams, are too prone to lay their children and their problems on the doorstep of the school.

"It's time parents faced up to their responsibility," he said, calling for love, understanding and respect among parents, teachers, and students.

## Stirling Trails In Finals 2-1

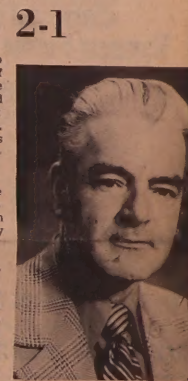

Bruce Martin fired two goals in the last 30 seconds of regulation time in Hagersville Sunday as Six Nations defeated Stirling 4-2 in OMAHA Midget DD Provincial final action.

Stan Myers and Kevin Solmes were the goal scorers for Stirling.

Six Nations now leads the best of five final 2-1 with the fourth game slated for Trenton Community Gardens Friday night at 8 p.m.

Friday night at Trenton, Stirling tied the series 1-1 with a close 2-1 win. Glen Dedior learned the puck from the left corner out to Kevin Solmes, situated just inside the blue line. Solmes fired it past Six Nations goalie catching the lower corner of the net on the goalie's glove side.

Stan Myers tipped in Stirling's other tally after carrying the puck out of his own end and passing it to Solmes who shot the puck allowing Myers to deflect it in. Brian Martin carried the puck and fired it past Stirling goalie, Richard Whatam to pick up Six Nations' tally in the final minutes of the third period.

KEN MCCAUGHEN

## Special Events Held At Schools

Education week is being observed across Ontario this week, and part of the program, the Stirling-Marsh Hill Public School Unit has planned a series of special activities.

At the Junior Public School Monday, T. Wayne Martin of the local office of the Ministry of Agriculture and Food spoke on "Farming in Hastings County."

Tuesday Mrs. Bryn spoke on "Proper Diet." Wednesday Mr. Arnold Quicker spoke about Dairy Processing, and Thursday there is planned a Nutritional Tea.

Monday at the Senior School there was a film shown entitled "Helicopter Canada."

and Rev. W. C. Cox spoke on Eastern Canada; Tuesday Mr. Bird spoke on Alaska, and Wednesday Mrs. Hogle gave a talk on Western Canada. Thursday there will be an excursion to Toronto International Airport, the Planetarium and Royal Ontario Museum.

The theme for this week is Human Values in Education. All the parents were informed of these activities by a newsletter last week, and Principal George H. Patton urged them to attend the various activities to see how their children are promoting this special week.

## CUB CORNER

Duty Six lead by Sixer Jeffrey Whiteman opened the meeting April 9th, with the Grand Howl.

Akela made a special announcement that Bagheera (Agnes Thompson) had an 8 lb, 14 oz. baby girl on April 4th. Both Mother and baby Donalds are keeping well and the Cubs are sending flowers and a card of congratulations. They look forward to having Bagheera back with them when she is well enough.

Star work continued and the boys are still progressing well.

Two cubs were awarded with badges. Stephen Marko, Artist's Badge; and Peter Jones, ToyMaker's Badge. Well done.

Other announcements were made by Baloo (Ken Lane): Cuboree Day - 26th May at Underwater Park and the District Church Parade, 3rd June at Cloyne.

Further information on the above events will be sent to all parents.

Akela.

Sorry About That Friend

Never on Sunday may hold true for the Greeks but the tune didn't apply to two parishioners of St. Paul's Church here in Stirling last Sunday.

Donald Russell, Campbellford, and Mrs. Pearl Bonter, Harcourt, emerged from the church Sunday afternoon to find their cars in contact on the parking lot.

Apparently Mr. Russell's car rolled down an incline to the side of Mrs. Bonter's car, causing a \$50 dent. Mr. Russell's car was not damaged.

## Stan Kosmack Heads Legion

Stan Kosmack was elected last Tuesday as the incoming president of Branch 228, Royal Canadian Legion, at the annual meeting held in the local Legion Hall.

He succeeds R. Douglas Patterson, who has held the position for the past two years. Other officers elected were: First Vice - President, Carl Cooke; Second Vice-President, Ron Welch; Executive Committee, Andy Brown, G.B. Noble, Jack Gibson, Bob Cooke and Ron Woodcock; Secretary, Bert Bastedo; Treasurer, Jack McCaughen; Service Bureau Officer, Ray Tanner; Sgt.-At-Arms, Blake Faulkner.

The officers will be installed at the regular meeting May 1.

The election was conducted by District F Commander John Maw of Port Perry and the nominations by Public Relations Officer of District F Ed King of Wellington.

During the evening, Robert A. Patterson presented the year's award with a cap badge from the 49th Hastings Rifles, which was the first volunteer militia unit in Hastings County. It was the former 15th Battalion of Prince Edward were merged to form the present Hastings-Prince Edward Regiment, known as the Hasty Pecs.

Also part of the meeting's program was the honoring of three groups of members for various types of service to the Legion.

LIFE Memberships were presented to Percy Craighead, Bob Patterson, Floyd Armstrong, Hub Faulkner and Eric Ormrod.

25 YEAR Continuous membership pins were presented to Max Armstrong, Charles Faires, Gilbert Finkle, Norman Hardwick, Wb Kellar, Bob Luey, Allan Sine, Bernard McMullen and Stanley Royce.

HONORARY memberships for outstanding assistance to Legion were presented to Harold C. Martin, Harold West, Allan Muro, Harold Thompson, Bob Hunter, Bill Webber and Ray Shortt.

Arnold R. Wannamaker has just returned home following an 18 day tour of Europe. His trip included three continents and 10 countries.

## Minister's Message

Each spring for the past 10 years, Ontario has celebrated Education Week to promote closer co-operation between the schools and the communities that support them, and to encourage parents to see for themselves the kind of education their children receive. This year Education Week began on April 8.

Although many schools in Ontario now have programs that involve parents in a variety of activities on a regular, year-round basis, this is traditionally a time when special events are offered for parents and the general public. These activities deserve strong support.

Our children spend close to 1,000 hours a year in school, but sometimes parents don't know enough about the schools they attend. Many aspects of education have changed since we were students, and while proven principles of teaching still prevail, parents naturally have questions about the kind of education provided for their children.

How are my children learning to read and write? How does the training they receive help prepare them for the adult world? Are they progressing quickly enough? Most important, what can I do, as a parent, to help my children progress? These are serious and important questions. The place to find the answers is in school.

As Minister of Education, I know that our school system is among the best in North America, a fact that is readily acknowledged by educators all across the continent. But as good as our schools are, they can only improve with the active and informed interest of parents and the general public. Education Week may offer a special opportunity to visit your child's school and to talk to the dedicated men and women who teach there. I will be visiting the school my children attend and I urge parents across the province to do the same.

Cordially, THOMAS L. WELLS.

## Witnesses Plan Port Hope Meet

Jehovah's witnesses from the Stirling region are making final preparations to attend their semi-annual circuit assembly this week and at the Port Hope High School, announced Mr. John Orser, a local spokesman for the group.

It is expected that about 800 delegates from the Peterborough, Bancroft and Trenton areas will be travelling to this convention.

## Sore throat?

Chew Aspergum. Aspergum's medically recognized pain reliever effectively soothes the sorest throat. And it's so easy to take. Children like it too. For soothing relief from a sore throat, chew Aspergum Cherry or Aspergum Orange. It helps.

## Aspergum

John Bradshaw says:

"Summer lawn weeds? Use CIL Weed and Feed. I use it."

"You'll find a lot of products called 'weed and feed' on sale, but the one I recommend comes from CIL. "It won't burn the lawn, and takes out just about any broadleaf weed you'll find. And those tough, woody creeping weeds too. "If you'd like my complete guide for the perfect lawn, talk to the CIL dealer below. He can really help you."

## Do You Remember?

### 25 Years Ago

Mr. Harold Baker, left on Sunday for London, Ont., where he is taking a two-week advanced course sponsored by the London Life Insurance Co.

The members of the Catholic Women's League met at the home of Mr. and Mrs. John E. O'Donnell on Tuesday evening of this week. Rev. Father LaSage was presented with an address and a lovely mantle clock with chimes as a farewell remembrance from the League on his near departure from St. James' Parish to Chesterville.

At the regular meeting of the Village Council on Monday night, Mr. Bruce Bell was appointed tax collector for the village for the balance of 1968.

Mr. and Mrs. Cameron Montgomery, Mrs. E. Foster and Mrs. F. Foster spent Wednesday in Kingston guests of Rev. R. Casement and Mrs. Casement.

Ross Mason, star centre player of the Stirling Midget

### 65 Years Ago

Mr. Nathan Mason has secured a situation in Belleville where he will reside for a time. He has rented his bakeshop here to Walter Wright of Ivanhoe.

Mr. Jos. Jackson has rented Mr. John Heagle's farm and is now living on it.

Mr. T.H. Matthews and family have moved to Stirling, and Mr. Jonathan Thain has moved into the house vacated by them, having purchased Mr. Matthews' farm.

On Friday morning, at about 4 a.m., two G.T.P. locomotives while pulling loads out of Anson were derailed at a switch just west of the station. The locomotives were coupled together and after running about ten yards the front engine went into the ditch on the south side of the track. The front trucks of the rear engine were all that left the track, and after a couple of hours' hard work was again on the rails. The front engine was entirely in the ditch and help was immediately sent for. At 11 o'clock an auxiliary crew of nearly 35 men arrived and at 2 p.m. the wrecked engine was put on the rails and started for Stirling.

Rev. W.H. Stevens will assist in the song and evangelistic service in the Methodist church next Sunday evening.

The Maple Leaf Mission Band of St. Andrew's church has raised twenty-five dollars for home missions in less than three months, and in addition have presented to the school room equipment two large Rochester lamps. This society is officered entirely by boys and girls between the ages of six and fourteen.

FOR SALE: A first class up-to-date buggy, nearly new.

The sons did the farm chores and now and then helped their father float logs down the river to Nashville. The future Secretary of State was seventeen years old before he saw a railroad train.

The father of the five boys decided that one of them should have a college education. More than one was out of the question and it was going to be a difficult task to decide which one of his boys should continue his schooling and prepare himself for the competition of the world beyond the hills of his home.

"Cord," as his father called him, tried to think of some way by which he could prove that he would proceed most from a college education. He joined a group at a nearby school that held debates.

Cordell Hull was one of five sons. His father, Billy Hull, was a farmer and trader who had married a part Indian girl from Virginia. They lived twelve miles from a small town in the hills of Tennessee. Cordell was the third son.

Among America's statesmen, none is more renowned than Cordell Hull, expert on taxation problems and wartime Secretary of State. But for a debate in which he took part when a schoolboy of fourteen, he might have remained unknown at his home in Tennessee. Here is the story of a boy's speech that produced a great politician.

## Keeping it clean

with Bill Dodds

**LISTEN HEAR**  
"God is a first-rate acoustical engineer. We have been more inept."

The speaker was composer Harry Freedman, one of four panelists at a Town Hall meeting on noise in Toronto's St. Lawrence Centre.

He explained: "It's interesting to consider that while the voice can be raised to quite a loud level, at no time can it be raised beyond the level where it might endanger the ear."

He described the electronic amplifier as "a potentially lethal weapon."

His comments and the meeting followed Environment Minister James Aulds' announcements in London last month of noise regulations for Ontario which go into effect starting this year.

Studies indicate that noise levels in urban centres are doubling every decade, and the Ministry is becoming increasingly concerned about the effects of prolonged exposure to a noisy environment.

There are several broad categories of noise sources: Vehicular traffic, aircraft and railroad traffic, stationary sources - this includes not only factories and businesses but air conditioners and other home conveniences like power mowers and kitchen appliances, nuisance noises and recreational devices.

99 YEARS YOUNG

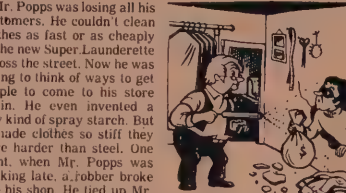

Mrs. Abbie Mumby celebrated her 99th birthday Saturday with a party arranged by Belleville General Hospital staff. The Stirling area widow was joined by Mrs. Albert Twiddy and grandchildren, and other elderly patients who, with friends and relatives, covered a door in her room with 50 congratulatory cards.

Mrs. Mumby said she was looking forward to reaching 100 next year: "I feel pretty good for my age."

## DR. A'S MINI-TALES

### Mr. Popp's and a Robber

Mr. Popp's was losing all his customers. He couldn't clean clothes as fast or as cheaply as the new Super Launderette across the street. Now he was trying to think of ways to get people to come to his store again. He even invented a new kind of spray starch. But it made clothes so stiff they were harder than steel. One night, when Mr. Popp's was working late, a robber broke into his shop. He tied up Mr. Popp's and then punched a hole through the wall of the shop - right into the bank next door. "I must get help somehow," thought Mr. Popp's. He managed to reach the iron and burned through his ropes. But before he could get to the telephone to call the police, the robber started to crawl back through the hole. When he saw Mr. Popp's untied, he reached for his gun. So Mr. Popp's did the only thing he could think of. He grabbed the spray gun and

squirted the robber with starch! Instantly the robber's clothes got stiff. He couldn't move at all. He was still stuck in the hole when the police came to get him. The bank gave Mr. Popp's a big reward for catching the robber. He used the money to buy a fast new laundry machine for his store. And soon he had more customers than ever. ## Letter to the editor

Stirling, Ontario,  
April 9, 1973.

Dear Sir:  
As president of the curling club for the past year I wish to clarify the remark in the editorial of April 4th that "with- out curling involved the new facility could be rented some of the time and realize additional revenue."

The curling club contributes \$2200.00 to the rink committee which amount to approximately \$15.00 per hour for the ice time used.

The rink committee and the Minor Hockey committee have always been most agreeable to the schedule presented at the beginning of the season.

This project was a community effort built by the community, for the community and, I feel, should be used by this community, if so desired, in preference to outside municipalities.

John Sheridan

Editor's Note: We did not mean to imply that the curling club did not pay its way. What was meant was that the time and by curling could be rented, and perhaps the curlers could make full time use of the present facilities, which might be adequate for them, while not capable of handling both without extensive repairs.

## Couple wed 40 years ago

Mr. and Mrs. Murney Johnston celebrated 45 relatives and friends of Mr. and Mrs. Leslie Thompson on Thursday evening, April 5th, on the occasion of their 40th wedding anniversary.

Mr. Craig Watson acted as master of ceremonies and after a few remarks several musical numbers were enjoyed and a mock wedding presented by a group of the guests, which proved hilarious. Later the honored couple were presented with many beautiful gifts and cards for which they expressed thanks, and also special thanks to Vera and Murray for arranging the gathering.

A delicious catered lunch was served which brought an enjoyable evening to a close. Guests were present from Buffalo, N.Y., Toronto, Trenton, Campbellford, Picton, Belleville and Stirling.

On Sunday evening, April 8th, Mr. and Mrs. Glenn Watson, Belleville, entertained the sisters and brothers and their families to a turkey dinner in honor of the couple's anniversary. After dinner Mr. Glenn Watson expressed good wishes on behalf of the family to Orlie and Leslie and presented a gift, for which the couple spoke words of appreciation. The remainder of the evening was enjoyed with music and visiting.

## 90 Years Young Couple celebrate 50th anniversary

Friends and relatives from Toronto, Scarborough, Peterborough, Kingston, Trenton, Port Hope, Campbellford, Oshawa, Marmora and Stirling came to help Mr. Green celebrate his 90th birthday. The reception was held at St. Paul's United Church Hall, Stirling.

Mr. Green is now a resident at Tower's Nursing Home, Stirling.

Mr. Green was a former resident of the Rawdon and Stirling area. He was born on April 10, 1883, son of the late Lewis Green and Mary Anne McConaghy of the 5th concession of Rawdon.

He has been a resident of Marmora for the past 45 years.

Mr. Green was predeceased by his wife, the former Ivah Reid. He has three sons, two daughters and 12 grandchildren.

Mr. Green also has one sister living, Mrs. Daniel Henderson (Kate) who celebrated her 95th birthday in January.

The I.O.D.E. held its regular monthly meeting at the home of Mrs. Eugene Burrell on Thursday, March 29, 1973. The Regent, Mrs. Carl Boslak, opened the meeting with the prayer of the order. Mrs. Robert Burgess read the minutes of the last meeting which

On Sunday, April 1st, the family of Ross and Ada Bush held open house for their parents at 161 Henry Street. The occasion being their 50th wedding anniversary which had been while they were on a bus tour to California.

Mrs. Bush was the former Ada Montgomery, daughter of Mr. and Mrs. James Montgomery and Mr. Bush was the son of Mr. and Mrs. William Bush, Rev. J. Archer of Stirling Methodist Church officiated at the wedding which was held at the home of the bride's

parent, Ross and Ada have three children, Keitha (Mrs. Carman Richards), Wooley; Harold and Gerald of Stirling. They also have 10 grandchildren.

was approved. Miss Gena Spry called the roll, which was answered by 12 members and one visitor, Miss Rosa Spry gave her treasurer's report and Mrs. Carman Fitchett gave her service secretary report.

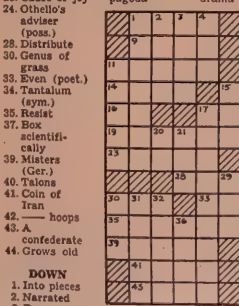

New business was then attended to. The members all volunteered to help the Rangers make candy for the Girl Guide Afternoon Tea which is to be held in Belleville, Tuesday, April 10.

Mrs. Donald Rodgers gave a reading on Communism, and was much enjoyed. Mrs. Boslak then showed slides of the trip she and Mr. Boslak took down East which were enjoyed by everybody. The Regent then closed the meeting with all singing the Queen.

Mrs. Burrell and her committee served a lovely lunch of strawberries and ice cream and Mrs. Everett Cooke moved a vote of thanks.

## Public Relations Report From River Valley W.I.

April 5th, 1973  
(By Mrs. Percy MacMullen, P.R.O., River Valley W.I.)

EDITOR'S NOTE: The following report is the final one prepared by Mrs. Percy MacMullen as Public Relations Officer for the River Valley W.I. She is leaving this office after 23 years reporting the activities for the group on behalf of the Stirling News-Argus and several other area newspapers. In 1950 she proposed the Crest Column, which appears each week. While we do not normally publish such annual reports, we feel such effort deserves recognition at this time.

Public Relations is the organized effort of the Women's Institute to integrate itself effectively into the Community. If the Conventor arranges a good program then the P.R.O. can assist the facts and write a good press report. Public Relations builds respect, goodwill, co-operation and good communications. This department cultivates friendly attitudes toward members of the society and the whole community.

The Federated Women's Institutes want to know what you are doing for your own organization, provincial, national and A.C.W.W. They also want to know what each Branch does for their own educational and community projects. When all of these reports are compiled in Toronto they have an overall picture of institute work in Ontario.

They are not interested in unrelated, printed programs, honorariums and the general upkeep of each Branch Institute. They discourage the idea of giving money to charities.

They do approve of gifts to sponsor a child, Scouts, Guides and Brownies, several clubs, Legion, Consumers' Association of Canada and Health organizations. These are just suggestions only. And F.W.I.O. is not necessarily encouraging Branches to donate to these groups. Institute women should have good judgement and use their money to promote their own organization.

River Valley has had a successful year with four life members. We catered for O. S. D. luncheon, Donohoe wedding, Scout District banquet, Hunters banquet at Fish and Game Club, 50th wedding anniversary for Clifford and Mabel Hubble, Legion New Year's Eve Party and Ladies' Night banquet at Fish and Game Club. Short items of all have been published.

In 1950 it was my idea to have a paid corner in the News-Argus and I offered to be responsible for it. There is institute news in all issues with poems at Easter and Christmas. From April 1, 1972 to March 31, 1973 have reported 17 regular meetings in the News-Argus. Special thanks to Eva Tucker who kindly did the March 1973

Carmel (By Mrs. Arthur Pyear)

The last card party of the season was held at the Community Hall on Friday evening with 11 tables in play. Mr. and Mrs. William Fraser and Mrs. Gerald Fraser were the sponsors and gave out the prizes. Ladies - Mrs. Eldon Chapman, Bonnie Hearn and Mrs. John Grills; men - Dennis Grills, Shirley Tows and David Hearn; and special chair prize - Randy Fraser. Lunch was served and a social time enjoyed.

The Carmel Community ladies catered for the Ladies' Night dinner of the A.C.W.W. at St. Paul's Church on Wednesday evening.

Mr. George Leeman, Trenton, spent a few days with his sister, Mrs. Harry Brown and Mr. Brown.

Mrs. Don Terry, 9th Murray, spent last week with her sister, Mrs. Arthur Pyear. Sympathy is extended to Mr. and Mrs. Ray Hagerman on the death of her father, Mr. Blecker Meyers, Trenton.

Mr. and Mrs. Kenneth Fletcher and son, Toronto, spent the weekend with her parents, Mr. and Mrs. Ray Hagerman.

meeting. I also reported July picnic, December pot luck supper, Food Forum "A Dollar's Worth of Meat," Sr. Training course "Ontario Fruit" in January and Summary Day at Ivanhoe. Special items were written by speakers Robert Ord and Wayne Martin, Eva's report of 75th Anniversary at Royal York Hotel, Toronto; demonstrations by two 4-H Clubs, Eugene Burrell and his china and silver display, hobbies shown by our own members. My own story of "The Marmarator Mine" and my outline of the work of "The Federated Institutes of Canada in the North-West Territories." I have reported 16 card parties which netted the treasurers \$203.00. This is a total of almost 50 items of institute news in the Stirling News-Argus for the year.

At this time I would like to thank the Institute for my \$5.00 honorarium and I'll include it in a special book. I would also suggest that the secretary write Editor Jones a message of thanks for the newspaper space. I have thoroughly enjoyed the office of Public Relations for the past 23 years and I have always appreciated my trip to the Guelph Officers Conference to learn about this new department of work.

As a reporter for the Belleville Daily I have also sent several items to that paper. Last year Mrs. M. Pardy, Editor of Home and Country, asked that each Branch send newspaper clippings. In June I sent April and May clippings and my report in the Argus re Hastings West District. In September I forwarded June, July and August. In November I sent September, October and November. In January 1973 I sent pot luck supper, December and January. That was four letters sent and I received two letters of thanks from Mrs. Pardy.

The Friendship Link Department was instituted in 1939 with Abbots Leigh W.I. in England and Mrs. Ed Heasman sent the Food parcels. In a 1949 scrap book it states that Miss Anna P. Lewis, director of the Home Economic Service, stated at the Trent Valley Area Convention that 80 institutes in England had been adopted by Ontario Branches and they are called "Friendship Links." During

the year I have sent Mrs. E. Coombs six airmail letters, all of the institute clippings all February of this year, the Home and Country books, a program, a recipe book received at Ivanhoe and several other leaflets, etc. I distributed their Christmas gift of homemade lavender sachet bags to all our members at Christmas and I wrote a message of thanks when the parcel arrived. I mailed our parcel of note books with Ontario Emblems on the cover on November 7th. In arrived in England on December 28th and was distributed at their January meeting. They were pleased with their gifts and I read the letters at our January meeting. May I suggest that your 1973 parcel be mailed early in October in order for it to arrive in time for their Christmas meeting. On February 16th I received a parcel of clippings and their program and financial statement

These were displayed. The Donations Report is as follows: Institute projects - Friendship Link and Pennies for Friendship \$36.66, W.I. Educational - delegates to various meetings, several 4-H training, Tweedsmuir Histories, gifts to speakers, etc. \$213.75. Educational Committee projects - Historical membership, Agricultural Fair, paid corner in News-Argus \$22.00. Christmas

cheer parcels, gifts to folk in hospital and cards \$24.25. Upkeep of W.I. Centre, swimming for children, watermelon for picnic \$766.56. A grand total of \$1,083.61. River Valley W.I. has had a very successful year. Mrs. MacMullen also displayed two books - "A History of the Settlement of Teslin in the Yukon," and "The pictorial history of the Associated Countrywomen of the World."

## Dental Topics

There is no reason why a normal healthy mother's teeth should be harmed by a pregnancy. Tooth decay during the period of pregnancy or nursing of a child—as at any other time—is evidence that proper health care is not being observed, or that there is some abnormality. Once a pregnancy is determined, your dentist should become a member of the expected new arrival's health team. Good oral hygiene habits and attention given to repair.

Following your physician's instructions on diet, cleanliness, exercise, recreation, fresh air and plenty of rest, help to create a peaceful and happy state of mind and a reasonable pregnancy. PRECIOUS METALS PRESERVE PRECIOUS TEETH. When decay begins in a tooth, it invariably spreads and never heals by itself. The best remedy is to fill the tooth. If this isn't done, the tooth structure will be eaten away causing pain. The

type of filling needed depends on the size of the cavity and the location of the decay. Some filling materials are more costly than others, but there are other things besides preservation of the tooth to consider. For example, while a gold filling will better preserve the tooth structure, most people would prefer a white one for the front teeth for a better appearance. A silver amalgam filling in a back tooth may serve just as adequately as a gold one and at a considerably lower cost to the individual. Some teeth may be too far gone for fillings, in which case your dentist may suggest that they be capped or crowned. Before suggesting the type of treatment your dentist would consider such things as appearance, cost, your oral hygiene and how long you're likely to keep the teeth involved.

## You Can Control Powdery Mildew

If you should glance casually at the plants in your garden, street, or nearby park in the summer or fall, it won't be long before you notice leaves covered with a white powder. You might see it on your lawn, on vegetables such as peas and cucumbers, on your roses and phlox, or on dandelions and other weeds. The white powder is in fact a small fungus growing on the leaves, powdery mildew and infected

leaves are eventually killed by the fungus. Stems, buds, and fruits may also become infected and die.

Powdery mildew occurs on many plants throughout the temperate areas of the world. Agricultural crops that are affected include grapes, apples, many vegetables, especially cucumbers and almost 100 species of grains and grasses. Many ornamental plants also become disfigured by the disease. The disease

is therefore of concern to farmers, horticulturists, nurserymen and the home gardener.

The disease is most prevalent when nights are cool and moist, and days are warm and dry. This is due primarily to the effect of moisture on the development of the fungus. The fungus produces another crop of spores. These are produced abundantly in dry weather and are spread to other plants by the wind.

The fungus can survive the winter in temperate climates by growing on weeds. In colder climates the fungus spends the winter mainly within the dead remains of infected plants. It produces spores in the spring which cause infections in growing plants.

Since this plant disease is so widespread and disfigures so many plants, much attention has been given to ways of controlling it. Mildew-resistant varieties of certain forage legumes and cereal grains are used commercially. However, control of the disease on most plants is usually achieved by using fungicides. In addition, it is useful to remove all mildewed plant material from the home garden to prevent a general buildup in the amount of fungus.

One of the most striking aspects of this disease is that most of the fungus is actually outside the plant. Only a few cells get inside the plant to feed. The exposed fungus on the surface of the plant is therefore easily treated with a fungicide. Sulfur dusts and sprays have, for many years, provided cheap and effective control of powdery mildew. Sulfur easily forms a vapor and therefore does not have to be dissolved in water to kill the fungus. Recently, organic fungicides have been used in place of sulfur because they are as effective against the fungus, but less damaging to the plant. One of the earliest organic compounds to be tried was Captafol. This is a widely used fungicide and useful for a wide range of plant diseases, but it is unfortunately not very effective against powdery mildew.

Probably the most commonly used organic fungicide for control of powdery mildew at present is Karathane, used at the rate of one teaspoon gallon of water at 7-10 day intervals. This material is suitable for use on a wide range of plants, including those grown inside the house and in the home garden. Another commonly recommended material is Actidione; its active ingredient is the anti-biotic cycloheximide. Other fungicides have been recommended for powdery mildew on particular plants, such as Phaltan for use on grapes and roses, and Phylam for use on apples.

Powdery mildew usually affects turf only in shaded areas and rarely does much harm. All grasses are affected, but the disease is especially prevalent on Merion bluegrass. It is difficult to eradicate from turf, but control can be achieved by spraying with Karathane or Actidione over the period July to September. Chemical treatment of the home lawn is rarely necessary. If the lawn is kept to a height of two inches or less, powdery mildew won't be much of a problem. If powdery mildew occurs on leafy ornamental house plants, control can be achieved by reducing the humidity (move plants to a better ventilated place), avoiding overhead watering (to keep leaves dry), and using Karathane.

Since control of the disease is largely based on the use of fungicides, current research is directed towards finding more effective materials.

**Burning Rectal Itch Relieved In Minutes**  
Exclusive Healing Substance Relieves Pain As It Shrinks Hemorrhoids.

If you want satisfactory relief from Itching Piles - here's good news. A renowned research laboratory has found a unique healing substance that promptly relieves the burning itch and pain - actually shrinks hemorrhoids. This substance has been shown to produce a most effective rate of healing. Its germ-killing properties also help prevent infection.

In case after case "very striking improvement" was noted, even among cases of long standing. And the improvement was maintained over a period of months.

This was accomplished by a new healing substance (Bio-Lysine) which quickly helps heal damaged cells and stimulates growth of new tissue. Now Bio-Lysine is offered in ointment and suppository form at all drug stores - satisfaction or money refunded.

## DEATH NOTICE

KEATING, Frank John, of R.R. #3, Frankford, at the Belleville General Hospital on Tuesday, April 10, 1973 in his 85th year. Beloved husband of the late Jennie M. McMillan. Dear father of Ray and Ralph Keating, Mrs. Mildred Fraser and Mrs. Alma Leshaw of R.R. #3, Frankford, Ont. Mr. Keating is resting at the Hogie Funeral Home, 87 James St., Stirling. Service Thursday, April 12 at 1:30 p.m. Rev. John A. May officiating. Entombment Stirling Cemetery. Vault. 15-1

VANLUVEN, Charlotte Elva, of R.R. 2, Stirling (formerly of Belleville), at the Belleville General Hospital on Tuesday, April 10, 1973 in her 77th year. Beloved aunt of Ronald J. Vanluven, R.R. 2, Stirling; Frank Spencer, Clarendon, Kingston; and Mrs. Olive Hindsdale, New Brunswick, and sister of Percy Vanluven, Bloomfield, Ont. Home, 87 James St., Stirling, from Wednesday 7:00 p.m. Service in Funeral Home Friday, April 13th at 1:30 p.m. Rev. John A. May officiating. Interment at Belleville cemetery. Flowers gratefully declined. Contributions may be made to the Heart Fund. 15-1

We wish to extend our sincere thanks to our many friends and neighbors for the help they gave us in our move from the Stirling area to Lucknow area. We also wish to thank one and all who took part in presenting us with the gifts and money. We will always cherish the memory of our good neighbors and friends of Hastings County. Come and pay a visit. Enos and Elizabeth Miller 15-1 and daughter Fannie.

We sincerely thank our neighbors, friends and relatives for all their acts of kindness and expressions of sympathy extended to us at the time of the passing of our dear father, the late Richard Fleming. 15-1 John and Hazel Morgan

# River Valley WI Holds Annual Meeting Apr. 5

Mrs. J.R. Donohoe was hostess for the annual meeting of the River Valley Women's Institute held at the Centre on Thursday, April 5th.

At 1:30 p.m. the convenors and members of two groups, Family and Consumer Affairs and Agriculture and Canadian Industries, provided a delicious cold dinner and 27 people enjoyed it.

Mrs. George Grills opened the meeting at 1:30 p.m. with the Institute Ode and Mary Stewart Collect. The roll call was - How to keep your figure and your vigor.

Mrs. Gerald Brooks read the minutes, correspondence and thank you notes. The 4-H Achievement Day, "Clothes for Leisure," will be held May 12 at Quinte Secondary School, Belleville, at 1:15 p.m.

A Food Forum - Calorie Countdown - is coming to Stirling Community Hall May 8th at 8 p.m. The public is invited.

First choice for the fall training school was "quilts," second - "more ideas for sewing knits." First choice for food forums was "poultry please," second - round the world dining.

The Metric System will be studied by the Branch. Mrs. Gerald Brooks, secretary, will attend the Officer's Conference at the University of Waterloo, May 1, 2 and 3.

The minutes of April, 1972 annual meeting were read. Mrs. J.L. Donohoe presented the financial report of the Institute and Mrs. Harry Morrow reported for the Centre. Each treasurer has a good balance on hand. Mrs. Alex Bush gave the auditor's report.

The secretary, Mrs. Gerald Brooks, said in her written report there were four life members and 35 annual, with an average attendance of 20.5. Six attended all 12 meetings. Twenty-three visitors and 14 4-H Club girls joined with us from time to time. She gave a glimpse of the work accomplished during the year.

Under the yearly reports from the Standing Committee Convenors, Mrs. James Hoard told of a message and a demonstration re the Marmora Mine and a speaker from the Ministry of Agriculture on Life Insurance or Death Protection as he preferred to call it.

Mrs. Ernest Carr reported a topic entitled "A Visit with Stephen Foster," also one on F. W. I. C. in the Northwest Territories.

Mrs. Vernon Harry told of Christmas customs of other lands and a roll call answered with world wide news.

Mrs. Glenn Bush spoke on the visit of a local jeweller telling of fine china and demonstrating same, also a tour of Brooke Bond Foods Ltd.

Mrs. Jack Bush reported a Barriester's visit and a few thoughts on the motto - you have listened, you have heard, now what are you going to do?

Mrs. Percy MacMullen, public relations officer, in her report, stated that from April 1, 1972 to March 31, 1973 she had reported in the News-Argus 11 regular meetings, the July picnic, December pot luck supper, Food Forum "A Dollar's worth of Meat," Senior Training Course "Ontario Fruits" in January and Sunday Day at Ivanhoe, 16 card parties and several others to total almost 50 items. She voiced thanks to the editor for generosity of space in which to make known the various activities of this organization.

Four letters with Institute clippings have been forwarded to Mrs. M. Parry, editor of Home and Country.

The River Valley W.I. had a very active and successful year in every phase of its work.

The Friendship Link with Abbot's Leigh W.I. in England was instituted in 1939. During the past year Mrs. Percy MacMullen has sent six airmail letters, several parcels of printed material and individual Christmas gifts of souvenir note books. The English group sent River Valley members homemade lavender sachet bags.

Mrs. Roy Bush, curator, said many new pages had been added to the Tweedsmuir History Book; over 20 workshops were held. She displayed some of the new divider pages that have been designed and completed by Connie Tucker.

The Pennie for Friendship for the year amounted to \$31.16. At the May meeting the members are asked to bring items for a white elephant table with a suggested price attached. Proceeds will go toward the Penny Fund.

The need of some action being taken in connection with the Lagoons, situated between Stirling and the River Valley Road, was brought to the attention of the members. Plans were made to have an executive meeting at the Centre at 8 p.m. Monday, April 9th.

Before Mrs. George Grills retired as president she spoke briefly to the members, thanking them for their support during her two year term in office and stating that an organization needs a core of stability and good manners. - A.W.I. has that!

Appreciation was tendered Mrs. Grills, Mrs. Percy MacMullen, who has retired after 23 years as Public Relations Officer and all other officers.

## Village of Stirling DOG TAGS

All owners of dogs in the Village of Stirling, please take notice that April 30, 1973 is the last day to purchase Dog Tags without added penalty.

At a regular meeting of Council, April 2, 1973, the penalty was raised to two dollars on May 1, 1973. Tags will still be available at the Municipal office and also from the Animal Control Officer.

G. LORNE WATSON, PRES.

By Bob Carleton - Your Telephone Manager

Part of my job as manager for Bell Canada in this community is to travel throughout the region and get acquainted with the residents. I always return from these trips with the feeling that much could be done to further our mutual understanding. We at Bell Canada do not always understand your problems and needs. No doubt, there's much we could do to explain our actions and the particular problems we meet in trying to provide you with the best available telephone service.

Bell Canada's job is to provide the technical facilities to make communications easier. But being in the communications business, I am constantly aware that equipment alone does not make for good communications between people. What is important for beneficial communication is the interaction or two-way flow of information between people.

Writing this column is one of the ways in which I am trying to encourage communication between residents of the area and myself in order to help prevent or overcome confusion and misunderstanding.

I have received questions from many of you which have been answered personally by letter or by phone. I'm sure many of these questions concerning Bell Canada would be of interest to other people too. So I plan to publish your questions and the answers in this column from time to time. If you do not want your questions answered in a public column, I shall be happy to answer them privately.

If any of you at any time have a question you would like to ask me, or anyone else in Bell Canada please write to me:

MR. BOB W. CARLETON  
Community Relations Manager  
27 Balsam Street  
Trenton, Ontario

On Sunday morning, April 8th, Rev. W.C. Cox baptized three babies at the church service. - Jeffrey Paul, son of Mr. and Mrs. Leslie Nelson; Daniel Jack, son of Mr. and Mrs. Jack Oliver; and Robert James, son of Mr. and Mrs. Jim Wallbridge.

Mrs. Harry McAdam spent a couple of days last week at Burlington and visited her daughter, Mrs. Neal Titford in Oakville Hospital.

Relatives in attendance at the morning baptismal church service were Mr. and Mrs. Henry Oliver, Campbellford; Mr. and Mrs. Ripley Wallbridge and Wayne, Mr. and Mrs. Snorey, Belleville; Mr. and Mrs. David McAdam and children, Oshawa; Mr. and Mrs. Cecil Nelson and Colin, Stirling; and Mr. and Mrs. Harry McAdam.

Mr. and Mrs. Harry McAdam, Mount Pleasant, Mr. and Mrs. David McAdam and children, Oshawa, attended the "At Home" on Sunday afternoon at St. Paul's United Church hall in honor of the 90th birthday anniversary of their uncle Louis Green.

On Sunday Mr. and Mrs. Leslie Nelson held a christen-

## Presbyterian Ladies Hold Meeting

The April meeting of the Presbyterian Church Women was opened with a reading by the President, Mrs. Kenneth Tompkins, entitled "Hymns of Easteride, and a prayer. Hymn 212, Jesus Keep me Near the Cross, was sung. Mrs. Roy Eggleton gave the worship service and the scripture lesson was taken from Luke, and a reading entitled Christ on the Cross, Mrs. Ruby Tompkins sang a solo, He Died for Me, accompanied by Mrs. V. Matthews. A reading, Voice of the Cross, was read by Mrs. Sheldon McIntosh.

Rev. Taylor was the speaker and he told of the women at the tomb in the early morning. That Jesus appeared to women first and said to go tell which made women the first missionaries. His message contained three R's - Remembrance, Renewal and Respond pertaining to woman who an-

nointed Jesus' head before the crucifixion. Remembrance for compassion, healing and love for all people; Renewal - women at the sepulcher renew their obligations to their at-taken Lord; Respond - the women received their first command from their risen Lord. "Go tell the disciples to meet me in Galilee," and they responded. Mrs. Tompkins thanked Rev. Taylor.

The business meeting followed with 19 members present and was closed with a prayer. Lunch was served by Mrs. Nellie Montgomery and Mrs. F. Cain.

IT'S READY TO GO  
A workman from Quinte Machine, Trenton, watches as a new motor is lowered into position atop Bird's IGA.

Mrs. MacMullen deserves much credit and praise for her efforts in promoting W.I. work at all levels, both through the news media and personally. Mrs. John Carlisle, a member from Wellman's W.I., was capably conducted the election of officers. She was graciously thanked and presented with a gift.

The meeting closed with the benediction.

The River Valley Women's Institute officers for 1973-74 are: Mrs. George Grills - past president; Mrs. Vernon Harry - president; Mrs. Glenn Bush - 1st Vice president; Mrs. Gerald Brooks - secretary; Mrs. Ernest Carr - assistant secretary; Mrs. J.L. Donohoe - treasurer; Mrs. George Grills - district director; Mrs. Ernest Carr - alternate district director; Mrs. Roy Tucker - public relations officer; Mrs. Roy Bush - curator; Mrs. Roy Tucker - assistant curator; Mrs. Alex Bush, Mrs. Jack Bush - auctioneers; Mrs. Philip Conley - pianist; Mrs. Sheldon McIntosh - assistant pianist.

Standing Committee Convenors: Agriculture and Canadian Industries - Mrs. Glenn Bush, Mrs. Robert Hoard; Citizenship and World Affairs - Mrs. George Grills and Miss Alice Heasman; Education and Cultural Activities - Mrs. Roy Tucker and Mrs. Paul Sorensen; Family and Consumer Affairs - Mrs. Ernest Carr and Mrs. James Hoard; Resolutions - Mrs. Jack Bush and Mrs. Evan Bogart; 4-H Club leaders - Mrs. Harold Bush and Miss Susan Bush; Friendship Link - Mrs. Percy MacMullen; A.C.W.W. - Mrs. Roy Tucker; Property - Mrs. J.L. Donohoe; Tweedsmuir History Committee - Mrs. Ernest Carr, Mrs. Evan Bogart, Mrs. Charles Wilson, Mrs. John Mackley, Miss Alice Heasman and Clarence Chard; Property Committee - Mrs. Philip Conley, Mrs. Harry Morrow, Mrs. Ed Heasman and Mrs. Vernon Harry.

## Spring Brook

(Mrs. Malcolm Mason)  
Mr. and Mrs. Doug Morton, Cheryl and Jeffrey, Stirling, were supper guests of Mr. and Mrs. Bert McCoy on Saturday evening.

Mr. and Mrs. Gordon Bateman, Janet and Paul, Foxboro, visited Mrs. Ed Bateman on Sunday.

Marshall McCoy, Marmora, was a recent guest of Mr. and Mrs. Bill Prest.

Mrs. Annie Corvath, Lakefield, spent last week with Mrs. Fred Martin.

Mr. and Mrs. Ted Preston were dinner guests of Mr. and Mrs. Bruce Port, Belleville.

Mr. and Mrs. Gordon Webb spent a few days this week with Mr. and Mrs. Dave McKnight and family at Ottawa.

Mr. and Mrs. Carl McKeown Vancouver, B.C. are spending some time with Mrs. Fred McKeown.

Mrs. Carman Sine and Glenn Sine have taken up residence in our village.

Mr. and Mrs. Don Bateman, Margie and Dave, returned home from a holiday in Florida on Monday evening.

## EASTER

Let us worship and honor our Lord. Let us rejoice at the miracle of His rebirth. Let us offer our love in praise and adoration.

### Special Services At Two Churches

An Easter cantata at St. Paul's United Church and the annual district church parade of Madoc District 45 I.O.O.F.

to St. Andrew's Presbyterian Church, Stirling, marked the opening of Easter Week Services in the Village.

At St. Andrew's the members of the I.O.O.F., Rebekah Lodge 211 and the Belleville Canton filled the church almost to capacity. The parade was led by Charles Farney, District Deputy Grand Master and his officers. Special speaker for the service was E.W. Eakins of Lindsay, Grand Chaplain of the Grand Lodge of Ontario, I.O.O.F. His topic was "Life's Kinder Way."

Also participating in the service was Elwood Hamilton of Cordova, who sang a solo. The combined senior and junior choir sang an Easter cantata entitled "The Children's Hosanna."

At a special evening service at St. Paul's, the choir under the direction of Mrs. Evelyn Brown, presented the Easter Cantata "Olivet to Calvary," by Maunder. Featured in solo roles were Miss Heather Grant, Mrs. Jean Lyall, Mrs. Phyllis May, Richard Smith and Ross Carlisle.

The service included three congregational hymns prior to the special music. Following the program, a social hour was enjoyed by the large congregation present.

**RE-ELECTED**

Fred Bateman of Stirling was re-elected Grand Treasurer of the Grand Orange Lodge of Ontario East at the annual sessions held in Kingston last week. He is also a past grand master.

Attending the convention from Stirling were Delbert Mumby, Earl Wallace and Lynn Jones. Mumby was appointed to the permanent resolutions committee of the Grand Lodge for the next year.

### New Service

As a followup to last week's story on the proposed new coming events calendar, to be featured in the News-Argus, starting in May, it might be helpful to clarify the proposal a little further. There are three basic ideas behind this new feature.

1. It is intended to list regular meetings of local and area civic groups such as council meetings, public utilities meetings, and large community projects such as the forthcoming Festival of Sacred Praise. For these events, there will be no charge.

2. The second qualification is for listing meetings of a regular nature for such groups as Rotary, Legion, Church groups, and any other group which is not currently advertising its meetings on a regular basis. While the fees for these have not been definitely set, it is expected to be about 50¢ per meeting, with a discount for paying a year's events in advance with the understanding that changes could be made with adequate notice.

3. The third group which can be listed is any person or organization which places a regular ad in the "coming events" section of the classified page. For each insertion there will be a free listing in the calendar in brief form. The same will apply to church parties, bake sales, paper or bottle drives, etc.

As outlined last week, there is another basic idea behind this feature, in that the Stirling News-Argus will be able to act as a central information depot for coming events. Even if there is no ad placed now, if an event is planned for some weeks or months hence, we wish to be advised, and then any other group planning an activity can find out, with a personal visit or telephone call if there is anything planned for the date in question. It is the hope that by providing such information, we can avoid conflict of major events, which in turn might help attendance at all of them.

The only qualification for deadline that will be made is that entries for this calendar MUST be placed with the office by Monday noon of the week in question. This applies to fairly close events. Others we would like to know about as planned. With the co-operation of all, we feel we can provide a needed service for the community.

### Boil Water - Health Unit

The residents of Hastings and Prince Edward Counties Health Unit living in low lying areas, and using private supplies of drinking water, are advised to boil or chemically treat their water which could possibly have become contaminated by the recent high water.

### Monday Night Men's League

With one week of bowling left the Odds and Ends have a six point lead over the second place Maple Leafs. The only way the Maple Leafs can overtake first place is for them to take seven points and the Odds and Ends to lose seven points, but the Odds and Ends are not planning on this. To help the cause the Alley Cats took five points from the Maple Leafs and this gave the Alley Cats a one point lead over the Legion for the fourth and final play-off spot. The Odds and Ends were seven point winners over the Good Guys. The Straw Dogs were five to two winners over the Legion.

Ray Poste still holds the high average of 231 while also taking high single for the night with a 358 game. Ralph Sees had 822 for the week's high trip.

Good games were as follows:  
R. Poste 338, 226, 232; B. Wilson 247, 263; T. Hudson 233; R. McCarty 234; G. Bird 314; K. Johnson 225; H. Johnson 237; P. Jones 225; Ed Svoboda 258; A. Wilhelm 277; M. Burns 271; G. Noble 258; 200; J. Valchar 282; K. Wilson 233; T. Wilson 250; J. Cooke 236; B. Rieseley 234; R. Sees 244, 305, 275; A. Boersma 249; and R. Parks 245.

Team standings to date are:  
Odds and Ends 130 points  
Maple Leafs 124 points  
Good Guys 100 points  
Alley Cats 87 points  
Legion 86 points  
Straw Dogs 82 points

### Senior Citizens hold meeting

Another red letter day was enjoyed by Senior Citizens on Thursday. We met at 12:30 and had a pot luck dinner. The tables were loaded and shortly after we were too. There was almost every kind of tasty food. Various meat dishes, casseroles, vegetables, jellies, rolls, pie and cake. Fifty were present and we were happy that Blanche Reid of Edward Street Manor was with us again.

Eleven tables of euchre were in play, while Pres. John Kane and his wife played several close games of cribbage. The high prize winners were Fred Hessman and Madge David. Fred got a total of 92 and they say that he had such a case of swell head that there wasn't room for his passenger in the front seat on the way home. Hope he got through the house door all right. Madge is so accustomed to getting high prize that she showed no unusual effects. Margaret Fitchett and Bill Curtis said it just wasn't their day. They are both pretty sharp players but just managed to get low.

**FRONT STREET GOSSIP**  
Motorists are a thoughtful lot - they maintain their cars in good shape and keep the pedestrians in good running order too.

dis ole Scribe

### DISPLAY OPENING PRIZES

watch was Ed Warren of Stirling. Other prize winners included a globe won by Mrs. Ken Mumby, R.R. 1, Stirling; and pen and pencil sets won

by Miss Beth Mumby, R.R. 4, Marmora; Mrs. Everett Grills, Stirling; and Mrs. Dorothy Ross, R.R. 4, Stirling.

## Six Nations Takes Ontario Championship

For the second year in a row Six Nations Reserve has defeated Stirling in OMHA final playoffs. Six Nations downed Stirling by a slim 4-3 margin Sunday night in Hamilton to take the Midget DD championship 3-1 with one goal on the board.

In 1972, the same two clubs met at the Bantam level in the title series, with the same results.

Bob Powless fired two goals to lead Six Nations in scoring, while singles went to Roger Martin and Brian Martin. Stirling marksmen were Ken Jakkett, John Ross and Dave Jeffs.

### FOURTH GAME

All the scoring was confined to the first two periods Friday night in Trenton as Six Nations and Stirling battled to a 3-3 overtime tie in the fourth game of the series.

With about 500 fans looking on, Stirling opened up a 2-0 first period lead Friday outshooting Six Nations 11-4. The Reserve team came on strong in the second to score three in a row and move in front. But Stirling squared things before the period ended. The game remained that way through scoreless third period and a 10 minute overtime session.

Six Nations' Darryl Powless missed a great chance to pot the go-ahead goal when he was awarded a penalty shot after

being pulled down from behind with less than a minute to play in the second period. Stirling's Terry Bush came up with the puck of the night to check the puck off the Reserve forward before Powless had a chance to shoot.

Bush had been relieved in goal during the second period by Richard Whattam but was called back to handle the penalty shot which proved to be excellent strategy. Whattam again took over in goal for the remainder of the game and was steady.

Dave Jeffs opened the scoring in the game. Just returning to the ice after serving a hooking minor, Jeffs was put in the clear by Rob De Jong and he made no mistake. Kevin Solmes teamed with De Jong and Stan Myers to increase Stirling's lead to 2-0 near the end of the first period.

A pair of counters on slapshots from well out sparked Six Nations' three goal surge in the second. Peter Powless started it when he surprised everyone including himself, by finding the mark with a rising shot from centre ice. Scott Smith made it 2-2, finishing off a three-way move with Peter Powless and Wayne Martin. And then it was back to the slapshot again as Bob Powless beat Bush with a

drive from outside the blue line. Scott Smith was in on the play.

Jeffs got his second of the night to put Stirling on even terms and close out the scoring. He banked the puck off Gary Foster's leg and behind the Six Nation's goalie. John

Ross made the play to put Jeffs in for the scoring chance. Over the 71 minutes of play Stirling held a 29-21 edge in shots on goal. Six Nations' players drew 10 of the 18 minor penalties handed out. Stirling's Glen Deitor picked up a misconduct.

## COUNCIL MINUTES

All members present. Minutes of the April 2 meeting approved on motion by Faulkner and Klompaker.

Clerk read the following correspondence: Carried from last meeting, Totten Simms and Hubicki Associates Ltd. re: Official Plan, By-law re: changing street names.

Ministry of Treasury, Economics and Intergovernmental Affairs re: 1) Application for Program Participation, 2) Amendments to Rules of Procedure for Committee of Adjustment, 3) 1973 Budget Highlights, Greenway Line Markers re: Quotation for painting, Ministry of the Environment re: Waste Disposal Site, Hastings and Prince Edward HCS Board re: 1973 Levy, Phillips Planning and Engineering Ltd. re: Request on Hazard Land, Alton Hadley Limited re: Tractor Rental 1973-74 season, Ontario Safety League and Stirling Legion re: Fireworks Display, Clarke T. Rollins re: 1. Community Centre Grant, 2. Procedures in claiming wolf damages, Hastings County Planning Board re: Minutes of April 6 meeting, Telecommunication Committee re: Bell Canada's application for increased rates, T.A. Soule re: Zone 5 Clerks and Treasurers Association, the Honorable A.B.R. Lawrence re: Statement re high level water damage, Letter of Thanks from Stirling Festival of Sacred Praise.

Clerk was instructed to mail one copy of the Official Plan and one copy of our present Zoning By-law to Totten Simms and Hubicki Associates Ltd.

Motion by Faulkner and Valchar that the correspondence be received and filed except that which would be brought up later under General Business.

Motion by Faulkner and Valchar that the quotation price from Greenway Line Markers of \$202.50 be accepted, clerk was instructed to notify them and to also advise that three or four days' notice be given us before they intend to start work so the streets could be washed.

Motion by Klompaker and Faulkner that the Village go on Daylight Saving time from April 29 to October 28, 1973. A lengthy discussion took place on the conditions of the Theatre and Wash Rooms after a Trent Valley Jamboree, clerk was instructed to contact Mr. Ken Stapley and arrange a meeting for Saturday, April 21, at 12:00 o'clock noon to discuss this matter. Mrs. Stapley contacted this morning and agreed to the meeting.

Reeve Anderson informed Council regarding a talk with Mr. Peter Anderson (Greer and Galloway) regarding a monitoring device as recommended by the Ministry of the Environment so they would be able to tell the gullage passing through the pump and if they are the proper size, etc.

Motion by Klompaker and Martin that Council authorize our Engineers to have this device installed at a estimated cost of \$1,500.00 and that the clerk contact Mr. Anderson which was done this morning.

Motion by Faulkner and Valchar that the clerk notify the Stirling Public Utilities that they would like to have the light standard repaired at the corner of Mill and Edward Streets, also to have a hydrant installed at the lower end of Emma Street (H.E. Cooke Subdivision).

Mr. Doug Bolte attended Council and various matters were discussed with him, mainly street sweeping. If a power sweeper like the one in Frankford would be purchased, fertilizer for the Cemetery and Parks. It was Council's decision that the ball park tennis and a further study be done on the other two Parks and the Cemetery before fertilizer be purchased.

Clerk was instructed to check and see if the Village has a lotting By-law and if not, try and secure a sample By-law from a neighboring Village for consideration at the next meeting, also to have our By-law on the Sale of Fire crackers in the Village published in the local paper.

Motion by Faulkner and Martin that the following accounts be paid: McIntosh Motors \$35.75; P.L. Building Centre \$36.83; City of Belleville \$11.48; W.L. Pollock \$7.80; Stirling Hardware \$6.18; Stirling Commercial Printing \$35.95; Hatten Hardware \$15.51; Northfield Hart Ltd. \$108.47; McIntosh Motors (Cemetery) \$15.51; Community Hall - W. Wrightman \$10.00, Stedman Department Store \$55.00, P.L. Building Centre \$59.97, Foxboro Fabrics \$193.15, Hatten Fuels \$184.60, Hatten Hardware \$15.69.

Council duly adjourned to meet again on Monday, May 7, 1973 or at the call of Reeve for a special meeting to set our Budget and Mill rate if requisitions are received.

### Don Rodgers Heads Council

**FRANKFORD** - Donald Rodgers, former reeve of Stirling, was elected president of the Highlands of Hastings Tourist Council at its organization's annual meeting here Wednesday.

During his post-election speech, Mr. Rodgers urged increasing citizen involvement in development of tourism both locally and throughout the province. "This organization is only as effective as those that make up its structure," he said at the Lower Trent Valley Fish and Game Preservation Area clubhouse.

Retiring president Gordon Bennett of Marmora said in order to promote tourism locally, the HTTC may soon be hiring a full-time manager and plans are now underway to publish a new brochure. The pamphlet, that will replace the more expensive booklet of previous years, will include advertising of local tourist facilities, a map of the Quinte - Hastings snowmobile trail and classifications of tourist accommodations.

Other executive members for president, Gordon Bennett; vice - president Vera McCurray of Coe Hill; secretary - treasurer Mrs. Annie M. Luskie; and directors Don aid Sutton of Belleville, Ralph Neal of Marmora, John Reynolds, Garnet Dewey of Thurlow Township, George Greer of Trenton and Clyde Bell of

DONALD RODGERS

Tweed.

### FARMERS' DANCE

Approximately 370 guests attended a dance held at Club Cedars on April 6. The music was provided by the Country Beaters orchestra. Donated prizes were given for spot dances and \$25.00 for the door prize. Kentucky fried chicken was served at 12 o'clock.

ENJOYING CARIBBEAN CRUISE

Two Stirling couples recently enjoyed a week-long cruise in the Caribbean, visiting the islands of Cap Haitien, San Juan, St. Thomas and Nassau on the Motor

Ship Skyward of the Norwegian, Caribbean Lines. From left, Elwood and Eileen Bateman, Audrey and Donald Williams.

## Mount Pleasant UCW

Over 40 ladies attended the Easter meeting of Mount Pleasant United Church Women on Wednesday evening at the church hall. Mrs. Milton Shaw gave as piano prelude "The Old Rugged Cross." Mrs. Robert Hoard read a poem entitled "Two Groups." Mrs. Ira David read the minutes and Mrs. Burton Sharpe gave the financial statement. Mrs. Elden Chapman read several letters of thanks.

An invitation was received to attend Holloway Street, Belleville, Dessert Tea on May 10th.

A donation of \$5.00 was made to the Stirling Festival Board.

Mrs. Raymond McConnell, convenor of the March and April group, gave an outline of the recent catering at the McAdam sale.

Mrs. Robert Merrick and Mrs. Claire Knight gave reports of their work.

Mrs. Herbert Smith gave a message on Christian Missionary Education.

At the May meeting there will be a travelogue with scenic pictures on India.

Mrs. Roger Barratt and Mrs. Marguerite McMullen were in charge of the Easter program. It opened with a poem entitled "Springtime."

Mrs. Frank Spencer and Mrs. Burton Sharpe gathered the offering which was dedicated with a hymn.

Mrs. Mac Sharpe contributed a piano solo.

An Easter message entitled "The Stone" was presented by Mrs. Elden Chapman.

Mrs. Herbert Smith, Mrs. Roger Barratt, Mrs. Garth Joslin and Mrs. B. Kostic.

Mrs. James Hoard contributed a vocal solo "He Lives" with Mrs. Garth Joslin as accompanist.

Mrs. Robert Merrick read "My Choice" and the meeting closed with prayer by Marguerite.

For the social hour Mrs. Don Johnson and Mrs. Frank Andrews provided cake and ice cream.

## TREMENDOUS TRIFLES

### THE SENSELESS ARGUMENT THAT ENDED DUELING

Dueling was an accepted method of settling arguments until shortly before the War between the States, when a senseless argument between two members of Congress forced an end to the practice.

In most of the larger cities of the country during the early 19th century, dueling grounds were established and frequently used. Duels were fought for almost any reason, from love affairs and political arguments, to trifling differences of opinion. Duellists included some of our Nation's most famous leaders — Alexander Hamilton, Aaron Burr, Stephen Decatur, Henry Clay and Andrew Jackson. Jackson's duel almost lost him the presidency, since it involved a disputed bet over a horse-race and ended in a reputed insult to Jackson's wife. Jackson was wounded in the shoulder. Dickinson, his opponent, was killed.

Such unsavory incidents increased to the point where public opinion became outraged. Then Congressmen Graves of Kentucky killed Congressman Cilley of Maine in a duel at the Bladensburg (near Washington, D.C.) dueling grounds and popular opinion forced a law through Congress which forever banned the "sport of gentlemen" from this country.

The Graves-Cilley duel was probably one of the most senseless of all those fought at Bladensburg. In the course of a discussion held in the House of Representatives, Cilley charged that a New York editor named Webb had made improper use of money in public affairs. Webb, highly incensed, demanded retraction. The Congressman claimed that he had the right of freedom during debate on public matters and declined to meet Webb.

The New York editor then persuaded Congressman Graves to demand satisfaction of Cilley. Graves tried, but again the Maine representative refused to retract.

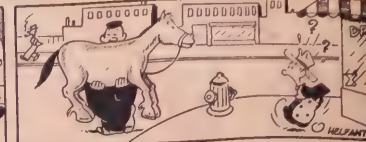

Unsatisfied — and now with his own temper rising — Graves challenged Cilley. The two agreed on rifles at 30 paces. The next morning they appeared at the Bladensburg dueling grounds where two rounds were fired by both parties without success. Between rounds the seconds urged their principals to reconsider. Both refused.

Then on the third round, Graves' bullet pierced Cilley's heart!

Graves and Webb went their point, but brought an end to a custom over 100 years old. An indignant Congress swiftly passed the anti-dueling law which is still in effect today.

## AMBROSE

## Compensation talk

A vital consideration in defining eligibility for benefits under Ontario's Workmen's Compensation system is establishing that injury is the result of an incident "arising out of and in the course of employment". On the surface a relatively straight-forward provision, its correct interpretation is fundamental to fair application of Workmen's Compensation.

Fair application in this instance requires not only that workmen be adequately protected but also that employers, who finance the system through their contributions, are not saddled with costs for conditions which are not the result of employment.

In general coverage extends to anything connected with performance of the task for which the worker was hired or to which he has been assigned, including an activity which may not have been specifically designated but which might reasonably be undertaken in connection with his duties.

If the worker acts reasonably and in good faith attempting to do what he believes to be in the best interest of his

employer, the fact he may to some degree exceed his instructions or go outside the strict limits of ordinary duty does not necessarily deprive him of Workmen's Compensation coverage.

Broad as the above interpretation may appear, it is not an unlimited blanket extending Workmen's Compensation protection to every conceivable eventuality.

A worker whose injury is caused solely by his own serious and wilful misconduct is not entitled to compensation unless the injury results in death or serious disablement. Likewise, injuries suffered while engaged in horseplay or as a result of a fight are not considered to arise out of employment. However, there have been rulings under which workers injured as a result of horseplay in which they did not participate, or fights in which they either did not initiate or were in fact innocent victims, have received Workmen's Compensation benefits.

Where there is any question the injury-causing incident is one arising out of and in the course of employment, a decision on eligibility is not

infrequently an extremely delicate matter which can be resolved justly only after careful examination of reports covering every aspect of a particular case. In such instances it is very important the incident be reported in detail, and also as soon after the occurrence as possible so that an enquiry may be carried out while events are fresh in the minds of witnesses and physical evidence may be examined first hand.

The general coverage of activities described above extends to the entire time a worker spends at his place of work or jobsite, including intervals of leisure such as regular breaks and lunch periods. Workmen's Compensation coverage is considered to begin when the worker steps onto the employers property or jobsite and to cease when he departs. Here again the interpretation, for Workmen's Compensation purposes, is a broad one covering such eventualities as an injury which occurs during a visit to pick up wages or other such occasions not directly connected with regular work routine. Coverage does not extend to the journey to and from work unless transportation is furnished in a conveyance under

the control and supervision of the employer, or owned or chartered by him. The latter does not include the vehicle of a worker who is receiving mileage allowance from his employer merely for the purposes of transportation to and from work.

John Bradshaw says:

"Summer lawn weeds? Use CIL Weed and Feed. I use it."

"You'll find a lot of products called 'weed and feed' on sale, but the one I recommend comes from CIL.

"It won't burn the lawn, and takes out just about any broadleaf weed you'll find. And those tough, woody creeping weeds too.

"If you'd like my complete guide for the perfect lawn, talk to the CIL dealer below. He can really help you."

# Easter GREETINGS

The Christian calendar undergoes its most serious convulsion this weekend, as the concepts of physical death and ultimate survival over it and sin, command the centre stage of religious life. It is a time of agony, as the story of the Crucifixion unfolds on Friday, and at the same moment an hour of triumph and glory, as Jesus Christ comes to Mary Magdalene in the garden, living evidence of His atonement.

Most of the world pictures Easter as a time for new clothes, perhaps a new suit and generally sprucing up things. After all, it comes not long after the arrival of spring, and after the drudgery of winter, it is only human to want to cast off the drags of winter clothing and look forward with anticipation to the coming summer and the joy of spring.

This also is the Easter story, if you read carefully the accounts in the New Testament, that fulfil the prophecy of the Old. The doctrine of redemption, grace, able to be achieved only by a sinless sacrifice, was something passed down from the time of Moses. The Jews still look for that Messiah, believing him to be a deliverer from physical oppression, rather than the medium of freeing men's minds from eternal bondage under the leadership and direction of Satan.

No man before or since, walked this earth in sinless form, and after death, returned to proclaim his victory. No man was able to endure the temptations of suffering, with as little evidence of pain. No man was able to command the attention of others, and speak truths in such simple language, that even the most illiterate could understand. No man was able to commune with God and carry out the wishes of his father, to the extent that his God had intended.

Scholars had tried every type of analysis to determine how such a supposedly advanced society as the Empire of Rome was, could condone the mockery of justice that was the arrest, trial, and execution of this man who never did anything more violent than put healing mud on a blind man's eyes or say anything more violent than "love your neighbor as yourself." We let men and women walk the streets today who are accused of more serious offences, and even without posting bail.

Viewed from every possible angle, this happening in history, which turned the world on a new course, can only be considered in the light of God's will. We are challenged at every hand that none came to help. Even though armies were promised, their help was refused. He was looking for the help of the heart, not the aid from the sword.

As we march further and further into the realms of unknown space, created by the same God that allowed the agony and ecstasy of Easter to happen, in His own time, we should be aware that there is a Divine Plan for this and any other world which may support human life. The human mind and intelligence cannot grasp the infinite glories of space, any more than it can comprehend the mysteries of the atom.

As we come to another Easter, and this focal point of human history is brought pointedly before us, let the joy that is His reign supreme, and never again will worry over space or the future be among the elements that clutter every day of living.

## FRANK KEATING

A native of Belmont Township and retired district farmer Frank John Keating, RR3 Frankford, died Tuesday in Belleville General Hospital following a five month illness. He was 84.

Son of Mr. and Mrs. James Keating, he had lived at Campbellford and Havelock before moving to the Frankford area 30 years ago.

Predeceased by his wife, the former Jennie McBride, he is survived by two sons, Ray and Ralph, and two daughters, Mrs. Mildred Fraser and Mrs. Alma Loshaw, all of RR3, Frankford. There are 12 grandchildren and 22 great-grandchildren.

A brother, Edward, and a sister, Mrs. Gertrude Peoples live at Havelock.

The funeral, conducted by Rev. John May, was held Thursday from the Hogle Funeral Home, Stirling, Entombment Stirling Cemetery vault.

## CHARLOTTE ELVA VANLUVEN

Ill for the past three weeks, Miss Charlotte Elva VanLuven, RR2, Stirling and formerly of Belleville, died Tuesday in Belleville General Hospital. She was in her 76th year.

Born in Oakland, Manitoba, she was the daughter of the late Mr. and Mrs. Rigmor Leon and VanLuven and had lived in Belleville before moving to Stirling four months ago. She was a member of the United Church.

Miss VanLuven is survived only by three nephews, Ronald VanLuven, RR2, Stirling, Bernard of Bloomfield, and Clarence of Kingston and a niece Mrs. Olive Hindsdale of New Brunswick. A brother, Percy, also survives.

Resting at the Hogle Funeral Home, Stirling from Wednesday evening, the funeral was held Friday with service at 1:30 p.m., conducted by Rev. John May, interment, Belleville Cemetery.

## DR. A'S MINI-TALES

### Henny Wants Some Chicks

Henny was Farmer Berg's prize hen. She laid the biggest eggs of all. Now she wanted to hatch some chicks. But each morning, Farmer Berg made his son Peter take Henny's new egg away. Peter loved Henny and wanted to help her. But when he tried leaving her eggs, his father found out and spanked him. So the next day, when the farmer left the gate open for a minute, Henny sneaked out of the chicken yard. She ran deep into the woods and made a nest. Soon she had three fine eggs in her nest. But when she went to get a drink of water, a skunk found her nest and ate the eggs. Henny built a new nest and laid some more eggs. But one night a weasel smelled her. He sneaked up, and Snap! The weasel almost got Henny. She flew up to a tree branch just in time. All the weasel had

was a mouth full of feathers and a nest full of eggs. The next day Henny went back to the farm. Farmer Berg was so glad to have his prize hen back again that he decided to let her raise a family after all. Soon Henny had eight fluffy chicks. And they all grew up to be champion hens like their mother Henny.

## Keeping it clean

with Bill Dodds

The waste land... There are estimates in some quarters that our garbage will triple over the next 30 years, unless something is done about it.

Of course you could look at that prediction as good news—an optimistic society. Our prosperity can be measured by the amount we throw away.

In underdeveloped countries, the garbage output is about two pounds per person per day. In Canada, our personal daily output of waste is about four pounds on the average.

I say on the average because a number of studies have shown that an affluent suburb produces more waste than a less privileged neighborhood.

We would like to poll that handy little economic barometer. Instead of measuring our wealth in terms of our trash, we would like to break the throwaway cycle and put some of that waste to work.

Less waste might even lead us to more prosperity.

One plan being followed in Ontario is cutting off waste at the source, encouraging reusable containers and cutting down on throwaway packaging.

Another is the reclamation of material and energy from waste. Environment Minister James Auld announced last week that he plans an experimental pilot plant in recycling. This is being discussed with Metropolitan Toronto and Environment Canada has been invited to take part in the experiment.

In addition, the waste management branch is conducting two studies this year on using waste as an energy source. One involves using ground garbage as a fuel additive in cement kilns and another proposes using it with coal or oil to produce electricity.

Waste management right now is in a position similar to that of water and sewage treatment 20 years ago, Mr. Auld said. He expects equally successful results from similar measures.

For some time Environment Ontario has been encouraging waste management planning with 50 percent provincial grants for area studies. There are seven of these studies under way and more about to begin.

The next step, which Environment Ontario hopes to start soon, is the provision of provincial loans to municipalities for capital expenditures resulting from the implementation of these area studies. This would be similar to the provincial loans now provided for sewage treatment plants.

All in all, the opportunities for improving waste management now are too good to waste.

## Guide News

At our regular Guide meeting Tuesday night, we had lessons for our Home Nurse badge. We studied artificial respiration, daily charts, and reviewed the use of a thermometer.

Saturday we had further instruction with Mrs. Sager on how to make a bed properly, how to make a bed with a patient in it, and bed care of a patient.

Several girls are planning to go on hikes or camp out for various badges.

## Do You Remember?

### 25 Years Ago

Mr. John Brown, who recently disposed of his farm at Bonarlaw, has purchased the store at Chatterton from Don Ross. The new owner is taking possession at once.

### 65 Years Ago

Mr. Bert Eggleston is spending his Easter holidays with his Uncle, Mr. Walton Eggleston, at Sidney Crossing.

Mr. Frank Smith has returned home for ten days and he intends settling here with his family in the near future.

Miss Louie Martin is visiting friends in Peterboro.

Mr. Nelson Green, who has been home for ten days returned to his position in Buffalo Monday morning.

By an act of the Ontario Legislature hereafter the Standard loaf of bread must weigh one and one-half pounds and the double loaf in this place (termed the loaf) three pounds.

The quarterly board of the Stirling circuit of the Methodist Church has been invited to an addition to Rev. L. Phelps of Lindsay to become their pastor at the commencement of the next conference year.

Mr. and Mrs. McPherson of Allandale and Mrs. Fred Faulkner of Halloway spent a couple of days last week with Mr. and Mrs. Andrews at the station.

Miss MacDonald, who has been employed in H.L. Boldrick's office as stenographer for some time leaves today for her home in Peterboro. While here she has made many friends who will regret her departure. Miss Ford, of Canfield, takes her place in Mr. Boldrick's office.

Wor. Master Walt and Bros. Bailey, Chandler, Lanktree, Linn and Spry of Stirling A. F. & A.M., paid a visit to Marmora Lodge on Monday evening, and were guests at a banquet tendered the District Deputy Grand Master.

Mr. John R. Clarke, the famous orator, will preach in the Methodist church on Sunday, April 22nd, both morning and evening, and in the afternoon at Wellman's Corners.

The newly-organized charge comprising the Presbyterian churches of West Huntingdon, Foxboro and Sidney has already settled upon a pastor, Mr. John Galloway, a final year student of Queen's College, has accepted the pastorate, to commence on the completion of his college course. In the meantime, Mr. Ainsley, a student friend of Mr. Galloway's, will reside at the manse in Foxboro and carry on the work as student missionary. The people of West Huntingdon are particularly glad at so early and satisfactory a settlement.

## Rebekah lodge holds meeting

A large number of members and visitors were welcomed by the Noble Grand, sis. Marjorie Stapley of Laurel Rebekah Lodge #211 at their recent meeting in the I.O.O.F. Temple, Stirling.

Sis. Alice Adams, District Deputy President for District #4 was introduced by sis. Madeline Walker Jr. P.M. Sis. Olive Whitehead P.D.D.P. presented with a corsage of pink mums and, after a warm welcome was extended by the Noble Grand, sis. Nora Wannamaker P.M., Marjorie Stapley P.M., and sis. Bessie Bailey, Recording Secretary, reported that sympathy cards had been sent to several bereaved members.

A letter was received from Brighton Lodge, Brighton, accepting our invitation to put on the Rebekah Degree at our next meeting on April 24. All members are urged to attend and give our guest a warm welcome.

The dessert coffee party on Thursday, May 17 will be convened by sis. Mae Clark, Dorcen Ackers and Irene Hogle P.M. More details later on sis. Alice Adams, District Deputy President, thanked the Lodge for all favors and co-operation during her term of office and reported that sis. Eva Farrer of Crescent Rebekah Lodge, Thomasburg,

had been elected District Deputy President for District #4 and will be installed in Toronto at the Rebekah assembly in June.

The Past Noble Grand conferred a short ceremony, "Friendship Chain" in honor of sis. Alice, D.D.P., after which sis. Nora Wannamaker P.M. presented her with a gift from the Lodge. Sis. Alice responded in a gracious manner.

An excellent program followed the meeting with several sisters put on a humorous skit, "The Dogooders", that caused many laughs. A solo (also humorous) was rendered by sis. Ruby Tompkins. The Past Noble Grand "Hill Billy and Nannies" Band closed the evening with their "classical" renditions of old favorite songs.

A delicious lunch was served by sis. Della Carlisle and her committee. Brother Ray Sims moved a hearty vote of thanks for such a delightful evening.

## Good Tidings WMC meets

On Wednesday, April 11, the ladies of Good Tidings met in the basement of the church for their monthly meeting.

President Marjorie Forbes opened the meeting by thanking the ladies for joining with her and read a poem "Don't Quit." She then read Hebrews, Chapter 11, known as the chapter of faith. She then brought out how we need faith for every day living; of how Noah, Abraham, Isaac, Sarah, and Moses had faith to believe God, and so it is today. If we but have faith the size of a grain of mustard seed we shall see great and mighty things wrought for us.

Mrs. Lee Smith read the Bulletin from Mrs. Rogers. Mrs. Ray Donnan read the minutes of last meeting and the offering was lifted.

Prayer requests were then taken and Mrs. Melville Donnan and Mrs. Clifford Elliott led in prayer.

# BOWLING NEWS

## Teen League

On April 13 the Alley Cats and the Gutterers won a game each, and the Bits and Pieces and the Mid Slingers won a game each. Team standings are: Alley Cats 78 points, Mud Slingers and Bits and Pieces tied at 72 points each, and Gutterers 48 points.

Sue Wright bowled the girl's high single and double with 248 and 438 and she also holds the high average at 203.

For the boys Paul Jones holds high average of 191, and he also bowled the high single of 279 and high triple of 441.

Good games bowled were: Paul Jones 279, 152; Shari Lyn Farrell 137, 158; Maureen Williams 206, 173; Steven Jones 164; Paula Royce 143; Sue Wright 248, 190; Shirley Goodman 166, 165; Rodney Bush 166, 167; Tim Whiteman 151; Janet Munro 148, 179; Terry McGee 141, 160; Anne Valcher 166; Lynne Hoover 166, 164; Laurie Burns 189, 161; Wayne Laine 137, 164; Keith Wilson 181, 184; Sandra Williams 135; Marilyn Williams 141; Paul Munro 160; Faith Little 168, 208; Julie Hunter 162, 168.

## Merrie Bowlers

The Bell Ringers are sure in a stew. The Meatheds have really gotten out of control, battling for two positions at once, and on the last day, Can you figure it taking the last day of bowling to place the

teams? Well that's the way it is.

Bessie Hewton's Dingbats have been leading the way this week when Isobel Hutchison's Belles took 5 points for a total of 115, leaving the Dingbats with 2 and a total of 107, the Dingbats lost their hope of finishing at the top. However, they and Lorna Wrightman's Meatheds will be fighting for second place, if the Meatheds don't defeat the Belles total for tops. Now, doesn't that sound confusing? The Meatheds captured 5 points for a total of 109 while Mildred Fraser's Dingalings just edged up 2 points, for a total of 75. You just see the meat boycott has had no effect on the Meatheds. They were down for a long time, but once they started to move, "WOW!"

Everything else is seemingly tied up too. Helena Cochrane and Barb Noble are tied with high average of 181. This week high single was 235, rolled by both Ruth Glover and Betty Hubble. Isobel Hutchison captured high triple of 653, with 216, 226 and 211.

Other over 200 games were rolled by Helena Cochrane 204; Lillian Arbuckle 200; Doreen Ackers 203; Dilly Montgomery 228; Flo Parsonson 218; and Ruth Glover 210.

## Stirling Bantam and Junior

On Saturday, April 14 those determined Chargers bowled two beautiful games of 1310 and 1292 over their opponents the Centre Pins' 1089 and 1176 to gain another five points. The Hot Stuff had 1278 and 1121 over their opponents, the Go Getters' 1032 and 1091 for five points. The Triumphs had 1129 and 1219 over the Strikers' 1156 and 1116 to give them three points to the Strikers' two.

Points are really close other than the Strikers' 91; Triumphs 75; Go Getters 73; Hot Stuff 71; Chargers 70; and Centre Pins 67.

BANTAM - Girl's Highsingle Margaret Wilcox 149; High double Joanne Campbell 251; and high average Cheryl McGee 127.

Boy's high single and average Greg Gossard 183 and 128; high double Richard Sees 276.

Other good games Richard Sees 185, 120; Joanne Campbell 146, 105; Kelee Chyphya 142; Jeff Whiteman 139, 120; Stephen Barrie 138, 109; Sandra Edgar 133, 108; Douglas Royce 131; Mark Montgomery 127, 117; Janet Aida 124, 112; Cheryl McGee 127, 116; Brian Clements 108; Stephen Wilson 108; Joyce Sees 118, 115; Mark Wilson 121; Jerry Aida 115; Marianne Fieiler 117, 102; Janice Sees 102; Joey Hart 132; Don Boersma 108; and Annie Bonnin 105.

JUNIOR - Sherry Farrell bowled girl's high single 245, double 386 and Suzanne Jactett has high average 155. That 245 of Sherry's earned her a 100 pins over average crest. Ricky Clements had boy's high single 226, double 378 and average 189.

Other good games - Robby Clements 205; Judy Thompson 195; Dianna Barrie 193; Rodney McKeown 189, 150; Suzanne Jactett 176, 155; Kim Philp 160; Janice Reid 157; Ricky Boersma 170, 143; Heather Glendinning 161; Pamela Gossard 160, 149; and Delani Chyphya 143.

Mr. and Mrs. Ivan Sarles spent Sunday with Mr. and Mrs. Jack Watson of Campbellford.

## CUB CORNER

On April 16 the ceremonies were opened with Sister Jimmy Hunter leading the Grand Hail. Akela read a letter from Bagheera, thanking the cubs for their kind and warm thoughts conveyed in the card and flowers sent to her. She

Bylaw No. 670-65

A By-Law to prohibit the sale of Fireworks within the Corporation of the Village of Stirling. Whereas authority is provided in the R.S.O. 1960 Chapter 249, Section 379, Part 30 for Councils to pass such a By-Law, and whereas the Council of the Corporation of the Village of Stirling deems it advisable to pass such a By-Law, Therefore the Council of the Corporation of the Village of Stirling enacts as follows:

That the SALE OF FIREWORKS or the DISCHARGE of Fireworks within the Corporation of the Village of Stirling is prohibited on any day or days of any year, EXCEPTIONS Any Society or Club wishing to hold a Fireworks display must first secure a permit from the Village of Stirling. Any person who contravenes any provisions of this By-Law shall be liable on summary conviction to the fine of not less than Ten Dollars and not more than Fifty Dollars for a subsequent offence, exclusive of costs. Enacted and passed this 14th day of June, 1965.

## CARDS OF THANKS

We wish to express our thanks to our many friends from West Huntingdon for the wonderful shower and lovely gifts; expressions and advice on our recent marriage. James and Valerie Thompson. 16-1

KEATING - We the family of the late Frank Keating, wish to convey our deepest appreciation to our relatives, friends and neighbors for their many expressions of sympathy during our recent bereavement. We also wish to thank Dr. Matheson, Dr. Briggs and the nurses and staff on 6th level for the help and care they gave to Dad while in hospital. We are especially grateful to Rev. John May for his support during this sorrowful time and to the Hogle Funeral Home for their sympathetic and fine service and also the Carmel Ladies for such wonderful assistance after the funeral. 16-1

LIVE YOUR FAITH  
*This Easter Morn'*  
AND EVERYDAY...  
The conclusion of Holy Week with the celebration of the Easter resurrection in story and song will be commemorated by all local churches Sunday, April 22.

Two churches, St. Paul's United and St. John's Anglican will hold special services on Good Friday. At St. Paul's there will be a service at 10:00 a.m. while at St. John's there will be a service of Holy Communion and Meditation at 11:15 a.m.

All other churches will hold their services at the regular times as announced in the weekly church ad calendar for Sunday.

St. Paul's Anglican Church, Roslin, is presenting an Easter Pageant at 8:00 p.m. Good Friday.

There will be a service at 8:00 p.m. on Good Friday at Spring Brook United Church, conducted by Rev. W.C. Cox, minister of Rawdon Pastoral Charge.

## CARDS OF THANKS

We will try to express our thanks to all the kind friends, neighbors and relatives, fraternal organizations and Bethel U.C.W. for their many acts of kindness shown to me in various ways while I was nursing my fracture. Sincerely, Marion Heath. 16-1

I would like to extend a sincere thank you to friends, neighbors, relatives, Bethel U.C.W., Tanner's L.O.L. Hockey players and management of Tweed B.P. Oil Kings for flowers, cards, gifts, calls and best wishes for a speedy recovery. Also a special thanks to Drs. Matheson, Briggs and Whiteman and nurses on the 4th floor and Rev. Cox and Rev. Monroe. 16-1 Grant Hagerman

## Two Stirling Students Win

Some Stirling Elementary and Secondary School students found that 13 was a lucky number as that was the total of judges - Friday the 13th - who decided winners in the various categories of the annual Belleville Rotary Science Fair.

Two Stirling students from Centennial Secondary School, John Bissell and Tom Bryant, won first prize in their grade 11 categories. John took the first prize in the life sciences division with a display of light's effects on plant growth while Tom won first in the

engineering division with a display of sonar as a possible aid to the blind.

Mark Wilson, grade eight student at Stirling Senior School, won second prize at the annual fair with his construction of a telescope. In the earth sciences junior grouping, Kathleen Blanchard, Susan Whattam and Julie Stephens won third prize with an exhibit on the solar system.

Kevin Pollock won third prize in the engineering division for elementary school students with a display of computers. A number of other senior school students displayed exhibits at the annual Belleville Rotary fair but were not in the prize winners.

## Sore throat?

Chew Aspergum. Aspergum's medically recognized pain reliever effectively soothes the sorest throat. And it's so easy to take, children like it too. For soothing relief from a sore throat, chew Aspergum Cherry or Aspergum Orange. It helps.

Aspergum

## Cancer can be beaten.

## APRIL IS CANCER SOCIETY MONTH

The phrase "Cancer can be beaten" is also a fact; yet somehow we don't incorporate it into our personality quite so easily. KNOWING that Cancer ISN'T a death sentence, that it is just another disease, and that people DO recover with treatment - becoming convinced of this takes a little time - and a little research. But until you convince yourself, you'll never convince anyone else, especially not someone who is frightened of pain and death - as a Cancer patient is.

## Couple are honored

Minto Community Hall was comfortably filled Thursday evening when relatives, neighbors and friends gathered to honor Mr. and Mrs. James Johnston before leaving for their new home in Stirling.

Ross Kim acted as chairman and expressed regret in losing James and Wanda from the community, and also wished them many years of retired life. Mrs. Earl Ketchen led in community singing accompanied by Mr. Ken Lang. Readings were given by Mrs. Tom Clements, Mrs. Everett Sine and Mrs. Earl Ketchen. A guitar and piano duet was given by Roger and Roseanne McGee. Miss Kathy Ketchen gave a piano solo, Mrs. Goldie McIntyre sang two solos accompanied by Mrs. Bill Heath. Selma Lang also sang a solo accompanied by her father.

Mr. and Mrs. Johnston were then given seats of honor on the platform and Mrs. Lindsay Tanner read the address and they were presented with a swag, lamp, a kitchen table and two chairs, a floral arrangement and a piece of blue mountain pottery. James and Wanda suitably replied thanking all who were responsible in any way for the gifts and invited everyone to visit them in their new home. "For they are jolly good fellows" was sung. Lunch was served and a social hour enjoyed.

## THE HASTINGS COUNTY BOARD OF EDUCATION

### 1973 BUDGET

The Hastings County Board of Education has established an expenditure budget for 1973 in the amount of \$24,492,000. The increase over the 1972 budget is only 8.8 per cent, the lowest percentage increase since County Boards came into being. The annual percentage increases have been drastically and gradually reduced from 17.5 per cent in 1969 to 8.8 per cent in 1973.

The budget meets the ceiling requirements of the Ministry of Education and of necessity is non-expansionary. The restrictions imposed have required a re-ordering of priorities and the only new program introduced is "Curriculum Development". This is a direct outgrowth of the studies of the Board's Curriculum Understanding Committees undertaken during 1972 and is designed to follow-up in a number of areas of concern identified at that time.

The Ministry of Education has for the first time made available the limits on spending for two years, both 1973 and 1974. Because the additional amount available in 1974 will be considerably less than the additional amount available in 1973 - an estimated increase of about 4.5 per cent - and because it is unwise to build in costs and people in 1973 that would have to be eliminated in 1974, every economy has been implemented to reduce expenditures in all phases of accommodation and administration. In the Secondary Schools, despite these economies, it will not be possible to replace teachers who resign or retire, nor to hire the twelve additional teachers who would have been required based on formula application to predicted enrolments for September, 1973. This unfortunate change reduces the staff in Secondary Schools by 25 beginning September, 1973.

Fortunately, through a combination of attrition and forward planning, it will not be necessary to discharge any teachers in Hastings during the current budget year.

The Trustees are aware that this staff reduction threatens the quality of learning that the Board has struggled to provide. The County is now back to a staff-pupil ratio that existed in 1969 when the Board was formed. The Trustees

plan to co-operate with various groups in the County in approaching the Ministry of Education to request consideration of the educational and financial implications of the budget position, complicated by declining enrolments in the Elementary Schools and an accelerated "drop-out" rate in the Secondary Schools.

The Province's share of the total expenditure in Hastings County is up a fraction of a percent in 1973, in spite of press releases which indicated the Government would improve its proportion by 2 per cent. In 1972 the Ministry of Education infused the grant structure and produced an artificial tax reduction for most municipalities. This infusion has not taken place in 1973 and therefore the tax requirements are returning to their normal relative positions. Thus the tax requirements in 1973 compared with the more normal base of 1971 reveals an increase of only 5.1 per cent for two years, or an average increase of 2.6 per cent. This is illustrated in the schedule attached.

Of the 29 Municipalities in Hastings County, 16 are still enjoying a subsidy from the Ministry of Education. The subsidy is designed to restrict the rate of annual increase in mill rate in a municipality. The 1973 regulations accelerated the rate of increase allowed with the result that the relative increase in mill rates for municipalities with subsidies is greater than for those municipalities without subsidies. It is evident from the schedule attached that the 16 municipalities with subsidies are generally required to contribute at a smaller equalized mill rate than those municipalities without subsidies.

In summary, the Board has produced a non-expansionary budget within the ceilings prescribed by the Ministry of Education, which retains the present status of the Elementary Schools, but imposes some unfortunate restrictions in the Secondary Schools. The implications for Trustees are summed up in the necessity to approach the Ministry. The implications for taxpayers are indicated by the example that on a dwelling with a \$15,000. sale value, the increase in taxes for educational purposes will average \$20 in 1973.

### BUDGET REPORT 1973 - TOTAL EXPENDITURE @ \$24,492,000

Municipalities	TOTAL REQUIREMENT			Total Requisition 1973	Equalized Mill Rates on 1973 Requisition	Increase in 1973 Equalized Mill Rate Over 1972

## IN MEMORIAM

GUNNING -  
In cherished memory of a  
loving mother, Sarah M. Gun-  
ning, who passed away four  
years ago April 19, 1969.

Always so good, unselfish  
and kind.  
Few on this earth her equal  
we find.  
Honorable and upright in all  
her ways.  
Loyal and true to the end of  
her days.  
And while she lies in peace,  
I sleep.  
Her memory we shall all  
ways keep.

Sadly missed by daughter  
Verna and son-in-law Carl  
Spry. 16-1

## REAL ESTATE

## W. FRANK

Burning Rectal Itch  
Relieved In Minutes

Exclusive Healing Substance  
Relieves Pain As It  
Shrinks Hemorrhoids.

If you want satisfactory relief from  
itching Piles - here's good news.  
A renowned research laboratory has  
developed a unique healing substance  
that promptly relieves the burning  
itch and pain - actually shrinks  
hemorrhoids. This substance has  
been shown to produce a most effec-  
tive rate of healing. Its germ-killing  
properties also help prevent in-  
fection.

In case after case "very striking  
improvement" was noted, even  
among cases of long standing. And  
this improvement was maintained  
over a period of months!

This was accomplished by a new  
healing substance (Bio-Dyne)  
which quickly helps heal injured  
cells and stimulate growth of new  
tissue. Now Bio-Dyne is offered in  
ointment and suppository form  
called Preparation "I". Ask for it  
at all drug stores - satisfaction or  
money refunded.

Burning Rectal Itch  
Relieved In Minutes

Exclusive Healing Substance  
Relieves Pain As It  
Shrinks Hemorrhoids.

If you want satisfactory relief from  
itching Piles - here's good news.  
A renowned research laboratory has  
developed a unique healing substance  
that promptly relieves the burning  
itch and pain - actually shrinks  
hemorrhoids. This substance has  
been shown to produce a most effec-  
tive rate of healing. Its germ-killing  
properties also help prevent in-  
fection.

In case after case "very striking  
improvement" was noted, even  
among cases of long standing. And  
this improvement was maintained  
over a period of months!

This was accomplished by a new  
healing substance (Bio-Dyne)  
which quickly helps heal injured  
cells and stimulate growth of new  
tissue. Now Bio-Dyne is offered in  
ointment and suppository form  
called Preparation "I". Ask for it  
at all drug stores - satisfaction or  
money refunded.

Stirling had a visitor from Germany last week in the person of Wolfgang Wender, who is making a six months motorcycle tour of the country. He was interviewed while having lunch at Hum's

**VISITOR FROM GERMANY**  
Restaurant, by Linda Floud and Lorna Cook of the News-Argus. During his lengthy visit he plans to travel as far west as British Columbia and the Yukon. He is also taking photos which he plans

## Holds Key '73 Workshop

Representatives of the various locals of the Belleville Presbyterian U.C.W., met at Trinity United Church, Belleville on Thursday, April 12 for a workshop on Key '73. Miss Helen Seixsmith, the president, welcomed everyone to the workshop. She said she was disappointed that there were not more in attendance but she was happy to see everyone who was able to come.

Dr. Norman MacKenzie showed some literature that he recommends as interesting and helpful for Key '73. Rev. John Anderson spoke on the use of Posters. He said that very often they can stimulate thoughts that speakers cannot express and they bring out different thoughts from different people. He presented several posters for viewing and discussion.

The workshop was under the very capable leadership of Rev. Fraser Lacey, Conference Minister in charge of Programming and Leadership Development. Dr. Norman MacKenzie, Associate Secretary of Evangelism of the Division of Mission in Canada; and Rev. John Anderson, Special Assistant of the Division of Mission in Canada with responsibility to Youth Ministry.

The leaders opened the morning session with a Panel Discussion on, "What the Good News Means to You". In a world where there is much unhappiness and suffering they have found that the Good News makes sense out of life and that life can have purpose and be exciting. It is the answer to personal needs. There are many ways to try to find meaning to life but the others all lead to a dead end. The Good News tells the world that by living a life of love a Christian can find a life of meaning and excitement anywhere.

In the afternoon session a short dialogue about a conversation on the Golf Course, and a film, "Flight Here, Right Now" turned thoughts to the afternoon theme "How We Communicate the Good News". The Good News relates to all areas of life. If we are to communicate the Good News we must have a sensitivity to people in need. Evangelism starts with a man's relationship with God and that faith demands that he become concerned and involved in the world around him.

The day concluded with reports on Key '73. Rev. Fraser Lacey said that at the Conference level, Workshops have been the main highlight. Dr. Norman MacKenzie reported that he is happy to see inter-denominational workshops and that Key '73 has been a stimulus to Bible Study, Discussion Groups, and Visitation. All across the country he has seen a spirit of openness among the churches.

Mrs. T.H. Kerr thanked the leaders for presenting such a successful workshop and the afternoon was closed with a prayer.

## St. James Ladies

Mass, celebrated by Father McGarvey preceded the annual meeting held at the home of Mr. and Mrs. J. Ryan on April 12. Following the recitation of the League prayer, with Mrs. Stan Meeks presiding, eight members answered the roll call with one visitor present. The minutes of the previous meeting were read by Mrs. J. Kerby with the treasurer, Mrs. J. Doran following with her report. The treasurer and secretary also gave their annual reports, which showed the ladies had yet another successful year.

Another livestock sale date has been booked for September 23, with another date pending for the spring of 1974.

A request for a donation to the Marmora House received a negative answer, but all agreed to send the usual donation to the Sacred Festival of France. A mass for the feast day of Our Lady of Good Counsel will be celebrated on April 29, May 1st is C.W.I. day and the parish priest is requested to speak on this. Members are reminded of the

convention to be held on May 26 and 27 at the Four Seasons Hotel, the theme being "Caring is Sharing." The history of the parish council's book will also be available then.

"Respect for Life Day" will be held on May 20 and will focus on the handicapped in the family of man. Note was made that the 25th anniversary of Rev. Father W. McGee's ordination to the priesthood is May 25th.

First Holy Communion for the children of this parish will be May 13. Members agreed to clean the church in the near future. A meeting of the Key '73 program will be held which will be a parish council undertaking. In Frankfurt on April 28 there will be a celebrated mass. It was decided to order the blue handkerchief for the president's use.

Following closing prayers and Father's blessing, lunch was served by Mrs. J. Ryan assisted by Mrs. J. Doran. The May meeting will be held at the home of Mr. and Mrs. J. McAvoy.

## Three Elders Are Elected

Three new elders were elected at St. Andrew's Presbyterian Church last Wednesday at a special congregational meeting. Arthur Duncan, Glen Bennett and Ernest Cain were voted into membership in the church's governing body. They will be ordained as elders at a future Sunday service.

The congregation also voted to proceed with an interior renovation of the sanctuary, organ loft, an former entrance hall. The plan is to completely re-plaster the walls and ceiling except for the centre dome area which was redone several years ago. The works is necessitated by some deterioration in the present plaster caused by dampness seeping in from the roof. This problem was corrected last summer when some roof repairs were done. It was also announced that the renovation of the front entrance, installation of new doors and interior stairways is now completed.

## Senior Citizens hold meeting

About 50 senior citizens enjoyed the meeting on Thursday. Nine tables of eucharie were enjoyed with Florence and Edna Campbell being high and Tilly Senior and Past Pres, George Heasman occupying the basement. A tasty lunch was served by Lil Heasman, Iva Ayhrath, Helen Williams and Tilly Senior. Everett Cooke didn't forget the Mary was having a birthday and presented her with a nice big birthday cake.

We welcomed one visitor, George Pollard of Frankfurt. George is an old Stirling boy and is always welcome to visit us. Come again George.

One more breakthrough and science may discover why a woman's slip sags while a man's shirt crawls up.

EILEEN FLORENCE WHITE

Memorial service will be held at St. Paul's United Church, Stirling for Eileen Florence White of Glen Rose, R.R. 3, Frankfurt on Wednesday, April 25th at 2 p.m.

Mrs. White, a registered nurse, died at Belleville General Hospital April 19. The daughter of the late Herbert and Ethel Whaley, she was born at Corinth, Ontario.

She is survived by her husband, Roy White and three children, Mrs. Veronica Carson of Goose Bay, Labrador, Mrs. Brenda Bird of Stirling and Robert White of Toronto. The body was donated to Queen's University and flowers are gratefully declined. Donations may be made to the Canadian Cancer Society.

## Sacred Praise Festival Coming

Stirling becomes the music capital of Eastern Ontario next week as the 23rd Annual Festival of Sacred Praise is held at St. Paul's United Church, with some classes being held this year at St. Andrew's Presbyterian, plus some at Stirling Senior Public School.

A total of 363 entries, ranging from solo entries to school and church choirs have been registered for some 96 different classes and categories of the competition, which also includes some Scripture memory work.

As usual, the Festival will

conclude with a Festival of Stars Concert at St. Paul's Saturday night at 8 p.m. Performers for this finale are selected by the adjudicators during the competitions, and do not necessarily include all winners.

A total of 28 prizes, bursaries and trophies will be presented during the week, which have been donated by local businesses and individuals.

Results that are available will be published in next week's News-Argus, with the balance published the following week.

## Mount Pleasant

(By Mrs. Percy MacMullen)  
Mr. and Mrs. Ray White and Brenda, Bannockburn, spent Sunday, April 8th with the White family, fourth Conc.

the first school in Toronto to provide tuition for the poor children, free of charge.

Mrs. Fred McDonnell was taken by ambulance on Tuesday, April 10 to the Belleville General Hospital.

Mr. and Mrs. Elwood Johnson, Stirling, spent a recent week-end with their daughter and husband, Mr. and Mrs. John Clarke, Peterborough. Returning home on Monday evening, April 9 they were super guests at the home of their son and wife, Mr. and Mrs. Donald Johnson, Mount Pleasant.

Mr. and Mrs. Perry Johnson, Stirling, spent a recent week-end with their daughter and husband, Mr. and Mrs. John Clarke, Peterborough. Returning home on Monday evening, April 9 they were super guests at the home of their son and wife, Mr. and Mrs. Donald Johnson, Mount Pleasant.

On Thursday, April 12 Mrs. Burton Sharpe, Mrs. Milford Wrightman, Mrs. Herbert Smith, Mrs. Robert Hoard, Mrs. Kenneth Weir and Mrs. James Hoard attended Key 73, the Evangelism Workshop at Tabernacle United Church, Belleville. The slogan was "Calling our Continent to Christ."

Mrs. John Talsma spent a few days last week in the General Hospital, Belleville. Mrs. Robert Hoard and Mrs. Claire Knight canvassed the Anson Line for the Cancer Fund last week.

On Tuesday afternoon, April 10 Mrs. Claire Knight, Mrs. William McAdam, Mrs. Don Campbell and Mrs. Will Jeffs visited the residents at the Towners Nursing Home, Stirling.

Mr. and Mrs. Perry Johnson, Stirling, spent a recent week-end with their daughter and husband, Mr. and Mrs. John Clarke, Peterborough. Returning home on Monday evening, April 9 they were super guests at the home of their son and wife, Mr. and Mrs. Donald Johnson, Mount Pleasant.

Mrs. Harry McAdam visited her new grandson, Adam Neil Tifford at Oakville Hospital on Sunday. Mrs. Leslie Nelson and children are spending this week with Mr. and Mrs. Neal Tifford, Burlington, Ont.

Mrs. Ralph Jeffs, Mrs. Ross Jeffs and Mrs. Donald Knight attended the Good Friday service at Springbrook United Church.

Robert Hoard underwent surgery in Belleville General Hospital Sunday morning, April 15.

Mrs. Emerson Glen, Campbellford spent the Easter weekend with Mr. and Mrs. Frank Spencer and family.

U.E.L. ANNUAL CONVENTION TO BE MAY 11, 12, 13  
The United Empire Loyalists' Association of Canada are holding their annual convention on May 11, 12 and 13 in New College, University of Toronto, 300 Huron Street, Toronto.

Mr. and Mrs. Francis Wrightman, Havelock, spent Easter with Mr. and Mrs. Milford Wrightman.

A special banquet will be held Saturday evening, May 13 at 7:30 p.m. at the historic Enoch Turner School.

James Hoard had an accident at his farm on Thursday April 19th. He fractured his knee which is now in a cast.

On Friday afternoon the exhibit of historical and genealogical records will be available for the guests from all over Canada to view.

Mr. Allen Taylor, University of Guelph, has returned home following completion of his first year's studies.

Little Trinity is an Anglican Church located at 425 King Street East (near Parliament). It is the oldest surviving church in Toronto. It was founded July 12, 1842 and the first minister was Rev. W.H. Miller in 1849. It was originally known as "The Poor Man's Church." It was built for the Protestant Irish of the district and is now a Roman Catholic Cathedral. The Ontario Government has designated the church as an historic site.

This year as in years past the open house concept will be recognized. By open house we mean persons or organized groups may tour their local O.P.P. Detachment to see what we are doing and why.

On Friday afternoon the exhibit of historical and genealogical records will be available for the guests from all over Canada to view.

Mr. and Mrs. Tom Smith, Guelph, and Mr. and Mrs. Basil St. Pierre and Laurie spent Easter weekend with Mrs. St. Pierre's parents, Mr. and Mrs. Harold Canning, Vernon, Vt. Easter Sunday guests at the same home were Mr. and Mrs. Floyd Serviss and family, Kensington, P.E.I., Mr. and Mrs. Don Canning and family, Greenwich, N.Y., Mr. and Mrs. Gary Mack and Craig, Hinsdale, N.H., and Mr. and Mrs. Francis Serviss and family, Vernon, Vt.

After a fire in 1961 the citizens of Toronto raised funds to restore the church to its early proportions and architectural position. Today it is a busy downtown church serving the needs of the Inner City. The congregation is made up from people in all parts of the Metro and many students work there.

Our main activity, however, will be confined to displays at the Quinte Mall, Belleville, on Thursday, Friday and Saturday (May 17, 18 and 19).

Therefore we would like to extend an open invitation for everyone to visit us on Police Week.

The Enoch Turner school house, behind the church, was erected in 1848 by the man whose name is honored. It was

## Youth Charged

A 19-year-old Stirling area youth was charged with theft of gasoline from the farm storage tank of a Stoco district resident.

Provincial police said Her. man Boersma, R.R. 2, Stirling would appear in Madoc court on April 26 in answer to the charge.

Leonard Johnston, R.R. 4, Tweed, told police that he was awakened about 1:40 Sunday morning by the barking of his dog. Grabbing a flashlight he focussed it out into his yard and saw a man pumping gasoline from his farm storage tank.

Mr. Johnston obtained the licence number of the intruder's car before he took off. Mr. Johnston took up the pursuit in his own car but on reaching Hwy. 37 he stopped to notify police who later apprehended the suspect.

## Start Paving Hwy. 14

I have been advised by the Honorable Gordon Carro, Q.C., Minister of Transportation and Communications, that the following contract No. 0-08 has been awarded to R.J. McFarland Construction Company Limited of Picton, Ontario, for:

Hot mix paving and patching Highway Nos. 7, 14, 33, 37 and 62

(a) From Hwy. 14 North-erly to Ivanhoe - 10.3 miles.

(b) Various locations Hwy. 14, 33, 37, 62 and 7.

(c) Hwy. 14 from North limits of Stirling to Spring Brook.

(d) From North limits of Tweed to Jct. of Hwy. 7 - 10.1 miles. (Kingston district).

Contractor's tender for this contract was \$307,387.00. It is scheduled to get under way May 15, 1973.

## Personals

Easter guests of Mr. and Mrs. Sheldon McIntosh were Mr. and Mrs. Don McIntosh, Stirling; Mr. and Mrs. James McIntosh, Oshawa; Mr. and Mrs. Douglas McIntosh, Eric and Debbie, Burlington; Mr. and Mrs. Frank Westfall and Betty of Bayside; Mr. and Mrs. Burton Patterson, Lorraine, Barbara and Meredith of Clayton, New York.

Mr. and Mrs. L.E. Jones, Lisa and Larry visited Mr. and Mrs. Jack Skelding, Port Perry on Good Friday.

Mr. Robert Reynolds, Queen's University, spent the holiday weekend with his parents, Mr. and Mrs. Ted Reynolds, Stirling.

Mr. Allen Taylor, University of Guelph, has returned home following completion of his first year's studies.

Mr. and Mrs. Tom Smith, Guelph, and Mr. and Mrs. Basil St. Pierre and Laurie spent Easter weekend with Mrs. St. Pierre's parents, Mr. and Mrs. Harold Canning, Vernon, Vt. Easter Sunday guests at the same home were Mr. and Mrs. Floyd Serviss and family, Kensington, P.E.I., Mr. and Mrs. Don Canning and family, Greenwich, N.Y., Mr. and Mrs. Gary Mack and Craig, Hinsdale, N.H., and Mr. and Mrs. Francis Serviss and family, Vernon, Vt.

Supper guests of Mr. and Mrs. James Mumby on Easter Sunday were her parents, Mr. and Mrs. James Spry, and Lloyd Moore, all of Bonarlaw, and Miss Kelly Villerof Barrie.

Miss Beth Mumby and Lloyd Moore called on her grandmother, Mrs. Gerald Fitchett in Campbellford Memorial Hospital on Easter Sunday.

On Thursday evening Mr. and Mrs. Murray Heath were entertained at a supper party at the home of Mr. and Mrs. James Mumby. Those attending to welcome Mrs. Heath into the community were Mr. and Mrs. Gordon Melkiejohn, Mr. and Mrs. Gary Rowe, Campbellford; Mr. and Mrs. Carlie Petherick, Marmora; Mr. and Mrs. Glen Morton, Mr. and Mrs. Lloyd Sedore and Kelly, Spring Brook; and Mr. and Mrs. Clifford Heath, Stirling.

The highlight of our meeting was a large presentation of badges: Pet Keeper - K. Wood, E. Jones, H. Hoard, H. Bailey, S. Edgar, K. Clarke, J. Fort, D. Bronson, Child Care - S. Lake, M. Barnard, P. May and C. Morton, Home-maker - L. Hoard, K. Wood, Sport - K. Clarke, Knitter - C. Libby, Land Girl - K. Clarke, Woodman - J. Hoard, Collector - H. Bailey.

## Rollins Gives Grant Analysis

TORONTO -- Ontario municipalities will share more than \$180,000,000 in extra money as a result of the budget presented to the Legislature by Treasurer John White.

I am very pleased that municipalities in this riding will receive substantial extra funds this year. The money is intended to hold down property taxes.

Most of the extra money will be raised through an increase in the Ontario Retail Sales Tax.

Mr. White said the increase in the Sales Tax is part of a continuing government programme to reduce property taxes which take no account of the ability of homeowners to pay.

Along with the increase in grants to municipalities the new budget introduces new

forms of assistance for farmers and elderly residents. A complete list of the additional grants is attached.

CLARKE T. ROLLINS

Robert C. Maybee, R.R. 2, Campbellford, died suddenly as the result of an accident in Campbellford on Wednesday, April 18. He was in his 17th year.

Born in Rawdon Township, he was the son of Mr. and Mrs. Leonard Maybee. Besides his parents, he is survived by three brothers and

three sisters: Cheryl (Mrs. Michael McGrayne), Campbellford; Barbara Anne Maybee, Toronto; Kenneth, Douglas, James, Suzanne and Merrill, all at home. Also surviving are his grandparents Mr. and Mrs. Harold McConnell of Hastings and Mrs. Florence Maybee of Campbellford.

He was a member of the United Church of Canada and a student at Campbellford District High School.

The late Robert Maybee resided at the Weaver Funeral Home, 77 Second St., Campbellford for service in the Funeral Home at 2 p.m. on April 20. Rev. Dr. D. Mansell Smith officiated. Interment Trent Valley Cemetery. Pallbearers were Mark Pollock, Donald Storey, David Clarke, Barry McKeown, David Nuttall, Reg. Brown, Bill Linn, Shawn Taylor and Robert Bennett.

Also surviving, besides his wife and daughter, are his parents, four brothers and two sisters - Thomas and Kathryn of Ottawa, Steven Karen and twins Mark and Michael of Rylstone. He is also survived by his grandparents, Mr. and Mrs. Wilfred Spencer of Rylstone.

The late Mr. Thomson resided at Hogle Funeral Home in Stirling until Friday, April 20 at 1:30 p.m. when Rev. W.C. Cox of Rawdon Pastoral Charge, with Hubert Andrews assisting, conducted the funeral service. Entombment was in Rylstone Cemetery. Pallbearers were Paul Rutan, Gary Mason, Dennis Little, Bob Montgomery, Alan Moorcroft and Don Whiteman.

Brian passed on the "Gift of Life" through the donation of his kidneys.

Dr. D.M. Smith of Campbellford will judge the Scripture reading and memory work.

Professor Dwayne Bates of Queen's University, Kingston, will handle the band and instrumental competitions.

## Minto

(By Mrs. Lindsay Tanner)  
Mr. and Mrs. Ed Colden spent Easter Sunday with Mr. and Mrs. Ted Colden and family of Bancroft.

Mr. and Mrs. Theodore Post of Apsley spent Friday afternoon with Mr. Mac Anderson.

Mrs. Nellie Carter and Ted of Frankford were tea hour guests of Miss Edna Tanner, Clare and George Tanner.

Weekend guests of Mrs. Mabel Ray and Gwen were Mr. and Mrs. Bill Morton and boys of Oakville and Miss Leahla Reid of Rochester. Mr. Albert Wannamaker of Edward St. Manor, Stirling, was a supper guest at the Ray home on Sunday.

Mr. and Mrs. Art Evans of Chelmsford spent the weekend with their parents Mr. and Mrs. Tom Clements.

Easter weekend guests of Mr. and Mrs. Ivan Saries were Mr. Harold Saries, Mr. and Mrs. Wayne Young and son of Toronto, Mr. and Mrs. Ross Saries and Chris and Miss Brenda Williams of Stirling. Mr. Ira Bristol spent Tuesday at the Saries home.

Mr. and Mrs. Robert McLaughlin and family of Welland and Mr. and Mrs. Doug Ray of Stirling spent Sunday with their parents, Mr. and Mrs. Arnold Ray.

Mr. Ira Bristol spent a few days last week with Mr. and Mrs. Harold Holden.

Mr. Bob Wickens, Miss Cathy Wickens and friend of Toronto, Mr. and Mrs. Ed Geen and family of Tweed and Mr. and Mrs. Bob Cooney and family of Wellman's were Easter Sunday visitors of their parents, Mr. and Mrs. Mel Wickens.

Mr. and Mrs. Frank McGee spent Easter Sunday with Mr. and Mrs. Gary Mason of Stirling.

Mr. and Mrs. Albert Twiddy were dinner guests of Mrs. Bernice Rollins on Sunday.

Miss Boyanna Royich, Miss Bac, A.R.C.T., of Toronto will judge the piano, organ, vocal and choral work. She is presently on the staff of the Royal Conservatory of Music, Toronto, and a member of the examining board. She received her ARCT diploma at the age of 16, the youngest in Canada to attain that proficiency that year. She furthered her studies with four summer courses in pedagogy, interpretation, theory and history of music, and was holder of Music Talent Foundation scholarships for four years.

Mr. and Mrs. Albert Twiddy were dinner guests of Mrs. Bernice Rollins on Sunday.

Supper guests of Mr. and Mrs. James Mumby on Easter Sunday were her parents, Mr. and Mrs. James Spry, and Lloyd Moore, all of Bonarlaw, and Miss Kelly Villerof Barrie.

Miss Beth Mumby and Lloyd Moore called on her grandmother, Mrs. Gerald Fitchett in Campbellford Memorial Hospital on Easter Sunday.

On Thursday evening Mr. and Mrs. Murray Heath were entertained at a supper party at the home of Mr. and Mrs. James Mumby. Those attending to welcome Mrs. Heath into the community were Mr. and Mrs. Gordon Melkiejohn, Mr. and Mrs. Gary Rowe, Campbellford; Mr. and Mrs. Carlie Petherick, Marmora; Mr. and Mrs. Glen Morton, Mr. and Mrs. Lloyd Sedore and Kelly, Spring Brook; and Mr. and Mrs. Clifford Heath, Stirling.

The highlight of our meeting was a large presentation of badges: Pet Keeper - K. Wood, E. Jones, H. Hoard, H. Bailey, S. Edgar, K. Clarke, J. Fort, D. Bronson, Child Care - S. Lake, M. Barnard, P. May and C. Morton, Home-maker - L. Hoard, K. Wood, Sport - K. Clarke, Knitter - C. Libby, Land Girl - K. Clarke, Woodman - J. Hoard, Collector - H. Bailey.

## Brian H. Thomson

A former Rylstone area resident, Brian H. Thomson, who resided at 186 Front St. West, Stirling, died on Wednesday, April 18, 1973 at Kingston General Hospital from injuries received in a motorcycle accident on Sunday, April 15. Brian was in his 24th year.

The accident occurred approximately two miles north of Campbellford on the river road leading to Healey Falls.

Mr. Thomson is survived by his wife, the former Jean Ann Histed, and their infant daughter, Liddy Annette. Jean Ann is the daughter of Mr. and Mrs. John Histed of Belleville. Brian and his wife had resided in Stirling for the past two years where he was parts manager for Wells Ford Mercury Sales Ltd.

Born in Belleville Hospital, he was the eldest child of Mr. and Mrs. Clarence Thomson of Rylstone, where he resided before moving to Stirling.

Also surviving, besides his wife and daughter, are his parents, four brothers and two sisters - Thomas and Kathryn of Ottawa, Steven Karen and twins Mark and Michael of Rylstone. He is also survived by his grandparents, Mr. and Mrs. Wilfred Spencer of Rylstone.

The late Mr. Thomson resided at Hogle Funeral Home in Stirling until Friday, April 20 at 1:30 p.m. when Rev. W.C. Cox of Rawdon Pastoral Charge, with Hubert Andrews assisting, conducted the funeral service. Entombment was in Rylstone Cemetery. Pallbearers were Paul Rutan, Gary Mason, Dennis Little, Bob Montgomery, Alan Moorcroft and Don Whiteman.

Brian passed on the "Gift of Life" through the donation of his kidneys.

Dr. D.M. Smith of Campbellford will judge the Scripture reading and memory work.

### STAYING FOR A WHILE

Parenthood has intervened in the travel plans of the two Canada geese, and as a result they will be residents of the Stirling lagoon for some time.  
Members of the Trent Valley Fish and Game Club

planned to move the two birds from their present habitat to the game club's preserve. This was thwarted by the fact that a nest has been built and under federal and provincial migratory bird laws, the birds cannot be molested.

Club officials have asked the News-Argus to announce the fact that there is a \$1000. fine for molesting the birds. After the offspring have arrived, the birds can be moved to the sanctuary next year.

## Loyalist Courses Increase To 500

The Extension Division has been in operation for five academic years. There were, in the first year, some 400 student subjects, while this year there will be over 500. If we count those courses which will be mounting between the time the figures were calculated, as shown in Appendix A, and the 1st of May, this Appendix gives a breakdown of locations where we offer courses. At our last count these numbered over 20.

In the academic year 1970-71, registration increased 88%. In 1971-72 student numbers increased 42% and student subjects increased 115%. This was occasioned, not only by increased activities involving the Division, but also because of the registrations of interest courses which were absorbed by Loyalist College through an agreement with the Hastings County Board of Education. In this 1972-73 academic year, student numbers increased by 23% and student subjects by 56%. The percentage difference between student numbers and student subjects is caused by the number of short interest courses where student numbers are low while the number of subjects taught is correspondingly high.

Included in the student subjects above are those which are classified by us as the cooperative type. These are courses put on by outside organizations. See Appendix B for a list and for the number of students enrolled as of March 19, 1973. Through these cooperative courses, we have ready input from industry which is utilized by our day staff in updating day courses. This we consider a very important phase of our work. A very close liaison exists between the Extension and other academic divisions.

## WI card party

The Stirling Women's Institute held a card party at the Community Hall on Monday evening with an attendance of 64 from Wellman's Corners, Bonarlaw, Foxboro, Camel and Stirling.

Prizes were given out by the social convener, Mrs. G. McInroy. Wellman's 2nd, Mrs. Robert Burgess, first, Mrs. Harriet Smith, Mrs. first Howard Wallace, 2nd, Mrs. Richard Geen (playing as a man), Lucky Cup, Mrs. Carman Fitchett.

Mr. and Mrs. Jack Reid and family were weekend guests of Mr. and Mrs. Ben Acker at Oshawa.

Mr. and Mrs. C.L. McKeown were guests of Mr. and Mrs. Ron Stewart at Peterborough on Sunday.

Since its inception, the policy of this Division has been to keep its staff small in numbers. Therefore, the co-operation and the assistance of all individuals in other divisions and departments has been essential. This co-operation has been cheerfully and freely given by all and without their assistance our activities would not have reached the level they have. The present staff is as follows, other than the Director: two Field Representatives stationed at the Main Campus and covering the four counties south of Highway 7, with the exception of the Cloyne area which is included.

Recent guests at the home of Mr. and Mrs. Emerson Reid were Mrs. Jane Reid, Stirling, Mr. and Mrs. Garmie Reid, Belleville, Mr. and Mrs. Jim Reid and Mr. and Mrs. Ross Reid and girls, Oshawa, Mr. and Mrs. Leo Coveny, Crookston and Mr. and Mrs. Russell Reid, Coburnville.

Mr. and Mrs. George Mason, Bancroft were guests of Mrs. Ed Bateman on Tuesday. Mr. and Mrs. Jim Tanner, Angela and Robbie, Oshawa, were weekend guests of Mrs. Carl Ray, Lorrie and Rhonda, Mr. and Mrs. Blair Beck, Hagersville, were dinner guests of Mr. and Mrs. Bert McCoy on Saturday. Mr. and Mrs. Keith Cassidy and Mary, Guelph visited Mrs. Myrtle Cassidy on Saturday. Mr. and Mrs. Harper Bateman entertained at dinner on Friday in honor of the latter's father, Mr. Wes Ray, who was celebrating a birthday, Mr. and Mrs. Wes Ray, Carman Ray, Mr. and Mrs. Sam McIlwaine and Steven, Toronto, and Philip, Mark and Nancy Spencer, Rylstone.

Mr. and Mrs. Lloyd Sedore and boys, Toronto, and Mr. and Mrs. Clifford Finch and Lisa, Campbellford, were supper guests of Mr. and Mrs. Dan Reid and family on Saturday evening.

Rhonda Ray spent the weekend with Mr. and Mrs. Seckman and Marilyn Allott at Tweed. Mr. and Mrs. Sam McIlwaine and Steven, Toronto were weekend guests of Mr. and Mrs. Harper Bateman.

Mr. and Mrs. Kenneth Thompson spent the weekend with Doris Thompson at Toronto.

Mr. and Mrs. Jack Reid and family were weekend guests of Mr. and Mrs. Ben Acker at Oshawa.

Mr. and Mrs. C.L. McKeown were guests of Mr. and Mrs. Ron Stewart at Peterborough on Sunday.

one Community Supervisor, stationed in Bancroft permanently; one Secretary and two Stenographers. We employ over 400 part-time teachers per year. It is becoming increasingly difficult to find highly qualified instructors for this purpose in the numbers we require.

We are confident that the total registration of the Extension Division in the next few years can be doubled at least.

## Newlyweds

A good crowd of the West Huntingdon area gathered at the home of Mr. and Mrs. Donald Thompson recently to honor their son James and his bride, formerly Valerie Hewitt of Belleville.

Mr. Cliff Davis presided over a program which opened with community singing led by Rev. Roy Taylor, accompanied by Mrs. Taylor. Readings were given by Mrs. Jim Wallace and Mrs. Ted Pollock. Mrs. Larry LaRue and girls sang a couple numbers with guitar accompaniment. Mr. Garry Martin sang two songs playing his own accompaniment on the guitar.

Mrs. Glen Elliott read an address on behalf of the community and signed by Jim Wallace, Garry Thompson, Ken McCurdy and Jim Fargay. Several lovely gifts were presented to the bride and groom and they made suitable replies thanking their neighbors and friends for the party. The ladies served lunch and a social hour was enjoyed.

Mr. and Mrs. Jim Hagerman and family, Burnbrae, Mr. and Mrs. George Reid, Oshawa, Mr. and Mrs. Dan Reid and family met at the home of Mr. and Mrs. Arthur Reid for a social time on Friday evening in honor of Mr. Arthur Reid's birthday.

Mr. and Mrs. Bert McCoy were supper guests of Mr. and Mrs. Doug Morton and family at Stirling on Sunday.

Recent guests at the home of Mrs. Carl Ray and Lorrie were Mrs. David, Belleville, Mr. and Mrs. Doug Fox, Diane and Darlene, Stirling, Jim Rose, Stockdale, Garry Cassidy, Cordova, Mr. and Mrs. Glen Ray, Stirling, Mr. and Mrs. Bob Ray and family, Campbellford, Larry and Ray Vanhome and Mrs. Myrtle Cassidy.

Mrs. Don Bateman and Margie were dinner guests of Mrs. Ed Bateman on Sunday.

Mr. and Mrs. Lynn Mason and Derek, Mr. and Mrs. Ross Bradshaw, Kim and Kevin, all of Actonville, visited Mr. and Mrs. Malcolm Mason on the weekend.

## Provincial WI Directors Meet

The Federated Women's Institute met for the semi-annual The Federated Women's Institute met for the semi-annual Board of Directors meeting at the King Edward Hotel, Toronto, April 2-6th. Mrs. Harvey Noblitt, Ottawa, FWIO president, presided for all sessions. All 32 Board of Directors, and the two Junior W.I. representatives were in attendance. In her president's report, Mrs. Noblitt said that along with Miss Helen McKercher, director of the Home Economics branch, department of Agriculture and Food, she presented 31-75th Anniversary year MacDonald Institute scholarships in Guelph early in December. She attended her first meeting of Advisory group in Citizen information and feedback. This group was formed by the Management Boards of Cabinet for Government Productivity. Their concern is the best and most economical means of reaching the public with government information. Along Mrs. W.G. Miller, High Land Creek, FWIO Sec-Treas., they have been working on plans to attend the Federated Women's Institute of Canada convention in Banff June 17-22nd, 1974 will be going from Ontario, 109 will travel by air.

## Toll Dropped From Skyway

Elimination of toll charges on the Burlington and Garden City Skyways announced by Provincial Treasurer John White recently, has been welcomed by The Automotive Transport Association of Ontario, according to M.W. Donnelly, president. He said, "In the interest of motorists as well as truck owners, we have made strong representation for several years on the basis that the tolls are contrary to the Government's policy of toll-free highways and bridges as established many years ago."

"Increase of the Retail Sales Tax on automotive parts and equipment and imposition of new levies on electricity and fuel used in terminal operations may affect the cost of goods transportation. Our vehicles depreciate rapidly through constant use and high annual mileage. Their purchase and maintenance absorb a big percentage of the revenue dollar in this highly capital-intensive industry."

Mr. Donnelly praised the Government for its proposed Northern Ontario General Support Grant in the hope that it will help to stabilize transportation costs and thus consumer prices in that part of the Province.

Increased grants towards municipal policing costs were also endorsed in view of the Association's strong effort to obtain more strict enforcement of The Highway Traffic Act and improved driver courtesy to motorists.

The ATA favors announced policy of encouraging small businesses and growth of new jobs in service industries such as trucking. Ontario has over 9000 carriers providing inter-city transportation service. All trucking operation represent an investment of about 2 1/2 billion dollars and provide direct employment to over 500,000 people.

## Village of Stirling Dog Tags

All owners of dogs in the Village of Stirling, please take notice that April 30, 1973 is the last day to purchase Dog Tags without added penalty.

At a regular meeting of Council, April 2, 1973, a penalty was raised to two dollars on May 1, 1973. Tags will still be available at the Municipal office and also from the Animal Control Officer.

W.L. Pollock Clerk

## Denture wearers smile.

Ansodent is the denture cleaner that lets you smile with confidence. Special whitening and brightening cleans dentures fast—in minutes—without brushing or overnight soaking. One cup of water and a few drops of Ansodent keeps your mouth fresher, longer.

It gives you a lot to smile about.

## TODAY'S CHILD

BY HELEN ALLEN

THE TORONTO SUN SYNDICATE

The beguiling smile belongs to Shawn, soon to be five. Irish and Hungarian in descent, handsome Shawn has sparkling blue eyes, light brown hair and fair, clear skin. He is in good health except for a tendency to colds and bronchitis.

Shawn's nursery school teacher and his foster parents find him a co-operative little fellow. He likes to sing and enjoys the creative activities at school.

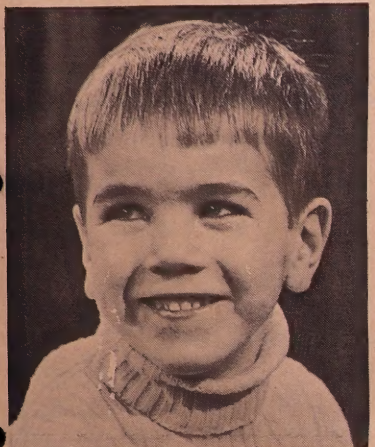

Shawn is not expected to be academically minded and is slow in language development. His communication now is more likely to be by smiles and frowns than by words, but he is having speech therapy and is making excellent progress.

Shawn gets on fine with other children in groups but seems to lack the initiative and confidence to try to make friends with one child at a time. He is friendly with adults and affectionate with people he knows well.

Shawn likes picture books and plays happily with building blocks and toy trains.

This engaging youngster needs parents who will give him a great deal of warmth and affection and who will want to help him with his language development.

To inquire about adopting Shawn, please write to Today's Child, Box 888, Station K, Toronto. For general adoption information, please contact your local Children's Aid Society.

HE'S FRIENDLY AND CO-OPERATIVE

## West Huntingdon WMS Holds Meeting

The April meeting of St. Andrew's W.M.S. was held in the home of Mr. and Mrs. Barton Haggerty. The meeting opened with "Beneath the Cross of Jesus." Scripture 1st Corinthians 15, verses 1-20 were read by Mrs. Barton Haggerty. Prayer was offered by Mrs. John Wallace. The minutes and business and roll call followed with the use of the word "Resurrection," "Low in the Grave He Lay," was sung.

The group was honored in having Mrs. Orno Sharpe bring a timely message on the Resurrection. She stressed that our whole Christian faith de-

pendent on the living and resurrected Christ. Mrs. Harry Benson voiced her appreciation on behalf of the ladies and presented Mrs. Sharpe with a gift.

"Christ the Lord is risen today," was sung, followed by a reading, "We'll Meet Again," by Mrs. Harold Thompson.

"Jesus keep me near the Cross" was sung, followed by "Missionary to North America" by Mrs. Ray. This missionary was David Brainerd who preached the gospel of Jesus Christ to the Indians of Pennsylvania. Brainerd's life was saved many times only by the fact that he lived the religion he professed. His "Eulogy" of a converted Indian of his day stated of Brainerd, "His not only talk Jesus all the time, Him live Jesus all the time."

"What is in Thy Hand?" was read by Lyla Adams.

The meeting closed with song, "You Pray for Me and I'll pray for you until we meet again," followed by the Benediction.

A social hour was spent. The hostesses were Mrs. Mac

Sarles, Mrs. Howard Cooke and Mrs. B. Haggerty.

## Plan your Vacation now

Make sure this year's vacation is problem free by planning ahead right now. Fix up your cottage — your car — whatever is needed to help you get the most out of a trouble free holiday. The money you spend now on your summer property and equipment will cost you less than delays and inconvenience. Talk to your friendly, experienced Victoria and Grey manager about the money you need today.

## How Your Food Dollar Is Spent

WHERE YOUR FOOD DOLLAR GOES.

As food prices continue to increase consumers are again focusing their attention on the food-producing and marketing system. In the past, consumers have singled out retail food chains to blame for rising prices. However, they are now pointing critically toward other middlemen and the farmer.

The farmer, of course, is the producer of the basic food product. The middleman represents many operators in the food marketing system who performs such functions as processing, packaging, refrigeration or deep-freezing, warehousing, and distribution. These marketing functions account for all food costs between the farm and the consumer's table.

Part of the consumer's food dollar pays the farmer for his raw products and the balance pays the marketing bill. During the last two decades (1950-59/1960-69), the farmer's share of the consumer's food dollar declined, while the middleman's (or marketing) share increased. The farmer's share for potato products, for example, declined from 55% to 41% and his share for beef meats dropped from 61% to 57%.

Two factors are primarily responsible for the changing relationship between the farmer's and middleman's share

of the food dollar. The first is that the marketing bill has increased because of a rise in built-in services and in consumption of convenience foods. The other factor is that farm production has risen substantially with the increased efficiency of farm operations, thus making it possible to keep prices of farm products relatively low.

The much faster growth of dollar volume in marketing services than that in farm products indicates that the demand for food services has expanded more rapidly than the demand for food alone. As incomes rise, consumers spend more for food services. More people are eating in public places and more are buying convenience foods for home consumption.

Like any other services, food services can only be provided to the consumer at an additional cost. But consumers have been willing to pay the price for convenience. Advanced technology in the marketing of food products has made available a wide variety of processed and ready-to-eat foods in retail stores. Many housewives have accepted the convenience of having their kitchen chores.

All sectors of the economy have been affected by a general inflationary trend and the food industry, of course, is no exception. As incomes rise, consumers spend more on food products, causing

prices to go up as they have in other parts of the economy. Costs have been pushed up as well, but this has affected food services more than food production because of increased agricultural productivity.

Increased productivity in agriculture has benefited the consumer more than the farmer. It has kept the cost of basic food products at a low level, thus helping to offset part of the added costs that come with food processing.

Farmers have adopted new production techniques and have increased the investment in their farm operations in order to produce larger amounts of food and compensate for decreased returns. Increased investment in production facilities, however, has resulted in higher operating expenses for many farmers. During the last two decades, the farmer's operating expenses have risen faster than his cash returns for the food he produced.

In 1971, food purchases by Canadians amounted to 7.1 billion dollars worth, which was 5 billion dollars more than the 1949 total. The farmer's share of the total retail value of food was estimated at 41% in 1971—a decline of almost one-third from his 60% share in 1949.

THE STIRLING NEWS-ARGUS, Wednesday, April 25, 1973 5

The farmer's share of the consumer's food dollar varies from year to year and from product to product. The more that a basic food is processed, the lower the farmer's share of the food dollar. Charges for baking bread, for instance, account for more than half the total price of the final product.

The rate of decline of the farmer's share of the consumer's food dollar has been slowing down during the last five years. However, it may be difficult for the farmer to retain his share in the face of growing consumer demand for convenience food.

## Officer Posted

An officer with Kitchener Detachment of the Ontario Provincial Police has been transferred to Belleville.

W.G. REIS, who has been promoted to Corporal, took over his new post on April 2, 1973. He joined the Ontario Provincial Police in 1957 and spent 10 months in the Kitchener area, then went to Warkenton for six years. In 1964 he was posted to Kitchener.

His wife and five children will join him in Belleville at the close of the school term.

## Diamonds

April is diamond month. A person born under the sign of Aries has a definite advantage. Diamond is their birthstone. According to legend, this stone is not only beautiful, but in the past was thought to have special powers to ward off evil spirits.

One of the earliest pieces of jewelry, if not the earliest, set with diamonds, although they did not look like the fiery, glittering gem of today, was the Holy Crown of Hungary, a queen's crown fashioned around 1074. Up until this time diamonds had been set in rings but for superstitious reasons of protection against evil rather than as adornment.

One of the earliest places where diamonds were worn must have been Paris, France, as it was the centre for goldsmiths from as far back as the seventh century. At this time their workshops were housed in monasteries and pieces were made for the priests. By the twelfth and thirteenth centuries, secular jewellers had become well established. The earliest reference to diamonds in Paris appears to be in 1319 when a diamond necklace was worn by the French Queen Clemence.

A well-known historical figure, the "Black Prince" of England, was very fond of jewels and had more than 25 rings, some set with diamonds by 1355.

Over the centuries, diamond jewellery has ceased to be the province of Kings and Queens and is now worn by more and more of the population. Moderately priced diamond jewellery is available at fine jewellers throughout the country. Today, diamond-

set pieces are showing an increase in popularity and approximately one woman in four in Canada owns a piece of diamond jewellery other than an engagement ring or wedding band.

In the mid-fifteenth century Agnes Sorel popularized the wearing of diamond jewellery when she was presented with diamond gifts by Jacques Coeur, a French diamond merchant. He made diamond necklaces, brooches and buckles for Agnes to wear at the French court and she became famous for her collection of jewellery.

In the Reign of Elizabeth I of England, from 1558-1603, diamond rings became known as scribbling rings after a craze started for using the diamonds to scribble love messages on glass windows. Even the Queen, herself, was rumoured to have written rhymes to Sir Walter Raleigh in this way.

## Carmel UCV

The April meeting of Carmel U.C.V. Unit was held in the Community Hall on Thursday afternoon with Mrs. George Platford as hostess.

The leader, Mrs. Reta Grills, read a poem and a welcome to 18 members and 13 visitors, including several children.

Mrs. Reta Grills was in charge of the Devotional on the Easter theme. Mrs. George Wilson and Mrs. Fred Brandt read the Scripture lessons and Mrs. Reta Grills and Mrs. Tom Grills read the meditations taken from the Book of Meditations written by Mrs. (Rev.) Townsend. Mrs. Gerald Fraser and Joanne Hearnings gave readings.

The program consisted of numbers by the children participating in the Music Festival - Barbara and Joanne Hearnings, Debbie Grills, Cheryl Grills, Ronnie Hearnings and Cathy Grills. The business was dealt with and the reports of the committees given.

The lunch committee and hostess served refreshments and Mrs. Everett Grills expressed appreciation.

## TREMENDOUS TRIFLES

THE CHANCE LETTERS THAT NAMED THE WESTERN WORLD AFTER A PICKLE DEALER

October 12th is the day we annually set aside in honor of Christopher Columbus, the intrepid admiral whose voyages initiated the modern history of the western world. Strangely enough, however, these new continents were named America for a Florentine pickle dealer and explorer because of the chance publication of some letters he wrote. Another instance of how seemingly trifles sometimes have tremendous consequences!

Columbus made four voyages to the Western Hemisphere and to the day of his death, persisted in the belief that he had accomplished what he set out to do - find a new and shorter route to India. Consequently, to Columbus, the new lands were "The Indies" and the native inhabitants, "Indians." There was no need for a new name to designate his discoveries.

It soon became apparent, however, when other voyagers began to explore the islands and coasts of the land across the Atlantic that this was in fact a new world. A new world should have a name.

One of the many explorers who set sail to the West during the years immediately following Columbus' demonstration, was the Florentine pickle dealer, astronomer, cartographer and explorer, Amerigo Vesputi. Vesputi lived in Seville, Spain. In company with another explorer, Ojeda, he voyaged along the coast of Brazil several years after Columbus' historic journey. When he returned to Europe, Vesputi wrote some very entertaining accounts of his explorations in letters to a friend. Without his knowledge, these letters fell into the hands of Martin Waldseemuller, a German geographer, who published them in 1507, in a book called "Rudiments of Geography."

In this book of geography, Waldseemuller first gave the name "America" to the two continents of the Western Hemisphere. Waldseemuller was greatly impressed with Vesputi's accounts and wrote of the new land: "I do not see what is able to hinder us from calling it Amerigo or America." Thus the two great modern continents of North and South America owe their names to the fact that some letters fell by chance into the hands of a German geographer!

## Horticultural Society meets

On April 16, at St. Paul's Church hall, Mr. and Mrs. Harry Wate, took the Horticultural Society on a trip to Scotland, Wales and England. We visited with Rev. George Harkes and Mrs. Harkes at their 300 year old manse and church in Cumberland, Scotland. Mr. Brown showed us the beautiful green moors, the heather on the hills, and the snow topped mountains of Scotland and Wales, along with the snow topped mountains of Trafalgar Square, the changing of the Guard and Buckingham Palace in London, England.

Mrs. Brown favoured the gathering with a number of accordion selections. Mrs. Harry Wate sang "On the Wings of a Dove". Thank you was expressed by Mrs. J.L. Good to Mr. and Mrs. Brown and the program committee. The meeting makes a resurveyer's report were given. A notice will again be read to the Festival of Sacred Praise. The Horticultural signs for the entrance to Stirling are in the making and permission has been received to erect same. Mention was made of the two plant sales to be held in May and the June Flower Show.

BY TOM TREMFX

Question: We've just finished enjoying our first winter with our new snowmobile. However, in preparing it for summer storage, I noticed that some of the paint has burned off metal areas around the engine.

I'd like to repaint these areas, but is there a paint I can use that will resist engine and exhaust heat and yet is easy to apply?

Answer: Yes, there is Try Tremco Heat Resistant Enamel. It's made especially for metal surfaces that get hot. It'll stay on wherever temperatures don't exceed 650° F. and where surfaces don't come in direct contact with fire.

Tremco Heat Resistant Enamel comes in a handy spray can and in colours selected for best heat resistance and durability - flat black, orange, metallic aluminum and metallic gold.

To get a lasting finish, prepare the surface by removing any rust down to bare metal with a wire brush. And make sure the surface is free of oil, grease, dirt, and wax. When the surface is clean and dry, spray the paint directly on the metal without a primer. It will dry to touch in 3 to 5 minutes.

Tremco Heat Resistant Enamel is also ideal for beautifying and protecting such things as, home barbecues, auto engine blocks, power lawnmowers, home appliances, and camping equipment.

If you have other questions about Tremco Heat Resistant Enamel, write to Tom Tremfx, The Tremco Manufacturing Company (Canada), Ltd. Toronto, Ontario M4H 1G7.

## Faith Unit UCV

The April meeting of the Faith Unit of St. Paul's United Church Women was held on Tuesday, the 17th, with 36 present, including five visitors, four of whom assisted in the program. Mrs. Elwood Johnston presided. The leader, Mrs. C. Fitchett, welcomed all with the thought, "We never walk alone." The hymn, "In the Cross of Christ I Glory", was sung, followed by prayer and the Lord's Prayer repeated in unison.

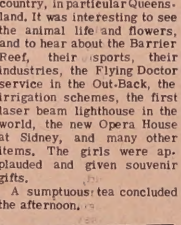

During the business part of the program, reports and announcements were made. 46 calls had been made, and various cards sent. Posters showing the needs of orphans in Vietnam were displayed. Plans for a Mother's Day Smorgasbord and the canteen for the Festival of Sacred Praise were made. Work for the Bazaar in November was planned, and knitting and sewing given out. Used clothing will be packed on May 23 for the needy.

Mrs. Fitchett read "An Easter Poem" noting both the shallow and the serious meanings of the day.

A devotional period was led by Mrs. S. Williams and Mrs. F. Smith, stressing how Jesus voluntarily laid down his life. The hymns, "There is a Garden Hill Far Away" and "When I survey the Wondrous Cross", were sung, and prayers were led by Mrs. Williams. Mrs. H. West and Mrs. B. Jones sang a duet, "Precious Hiding Place". Mrs. West read an article about the astronauts having Communion on the moon on the first landing there, and their feeling of God revealing His presence as man reached out into the universe.

Two girls, Rosemary and Debby, from Australia, Rotary exchange students attending school in Belleville, showed pictures and talked about their country, in particular Queensland. It was interesting to see the animal life and flowers, and to hear about the Barrier Reef, their sports, their industries, the Flying Doctor service in the Outback, the irrigation schemes, the first laser beam lighthouse in the world, the new Opera House at Sidney, and many other items. The girls were applauded and given souvenir gifts.

A sumptuous tea concluded the afternoon.

## The Magic Notebook

Christopher found a strange notebook and pencil on the way home from school. Things that he drew in it came to life. He drew a bird in a tree, and the bird flew down to catch a worm. A squirrel chattered at him. Then suddenly Christopher was inside the notebook world. He drew some more animals. Then he tried to draw a girl to play with. But his drawing looked more like a witch.

"What a funny witch!" he laughed. The witch was angry. "I will turn you into a pumpkin!" she shouted. And when he tried to go home, he didn't know how. He drew a wise old owl, who said, "Just draw a door and walk through." Christopher asked Miranda to come along, but she said she must stay in the notebook world. Christopher promised to come back to visit her again. "I've had my three wishes," said Christopher. "Now what can I do for you?" The genie asked to be set free, so Christopher erased the lamp. He and Miranda had fun. But when it was time to go home, he didn't know how. He drew a wise old owl, who said, "Just draw a door and walk through." Christopher asked Miranda to come along, but she said she must stay in the notebook world. Christopher promised to come back to visit her again. "I've had my three wishes," said Christopher. "Now what can I do for you?" The genie asked to be set free, so Christopher erased the lamp. He and Miranda had fun. But when it was time to go home, he didn't know how. He drew a wise old owl, who said, "Just draw a door and walk through." Christopher asked Miranda to come along, but she said she must stay in the notebook world. Christopher promised to come back to visit her again. "I've had my three wishes," said Christopher. "Now what can I do for you?" The genie asked to be set free, so Christopher erased the lamp. He and Miranda had fun. But when it was time to go home, he didn't know how. He drew a wise old owl, who said, "Just draw a door and walk through." Christopher asked Miranda to come along, but she said she must stay in the notebook world. Christopher promised to come back to visit her again. "I've had my three wishes," said Christopher. "Now what can I do for you?" The genie asked to be set free, so Christopher erased the lamp. He and Miranda had fun. But when it was time to go home, he didn't know how. He drew a wise old owl, who said, "Just draw a door and walk through." Christopher asked Miranda to come along, but she said she must stay in the notebook world. Christopher promised to come back to visit her again. "I've had my three wishes," said Christopher. "Now what can I do for you?" The genie asked to be set free, so Christopher erased the lamp. ## CARDS OF THANKS

We wish to express our  
sincere thanks to our family  
for arranging the lovely party  
in honor of our 40th wedding  
anniversary. Thanks also to  
our grandchildren, relatives,  
friends and all who helped to  
make it just an enjoyable eve-  
ning. May health, happiness  
and God's richest blessing go  
with each and every one.  
17-1 Erma and Everett Sine

It is with deep appreciation  
that I say thank you to Dr.  
Dorothy McCaughen and all  
who remembered me with vis-  
its, flowers, cards and treats  
while I was in the hospital  
and since returning home.  
17-1 Mrs. Arthur Burditt

Many thanks to our friends  
and neighbors of the Minto  
Community for the farewell  
party and the lovely gifts. A  
special thanks for all the help,  
thoughtfulness and memories  
of the many years while we  
were there.  
17-1 James and Wanda  
Johnston

I wish than my neigh-  
bors and friends for flowers  
and cards, Rev. Cox and Rev.  
Barnes, U.C.W., Orange Lod-  
ges and everyone for their  
kindness and sympathy shown  
me in the loss of my husband,  
Fred Martin.  
17-1 Maggie Martin

## CARDS OF THANKS

The Legion Novice Hockey  
Team wishes to thank the cit-  
izens of Stirling for their sup-  
port of the recent successful  
bottle drive.  
I wish to sincerely thank my  
relatives, friends and neigh-  
bors for all get-well cards and  
birthday cards I have received.  
A special thank you to the  
staff of Belleville General  
Hospital Extended Care Unit  
for the birthday party they  
served for me on my 90th  
birthday, also Bethel U.C.W.  
for flowers and all who gave  
me other gifts and called on  
me. Again I say thank you to  
all.  
17-1

Sincerely,  
17-1 Mrs. Abbie Mumbly.

Mrs. Alice Mackay and fam-  
ily of the late David Mackay  
wish to thank Rev. Roy Taylor  
for his services and help, also

## SPRING SALE Used Tractors & Equipment

**TRACTORS:**  
International "350" Diesel - power steering, independent P.T.O., torque amplifier  
International "300" Diesel - utility model, hydraulics  
International "B414" Diesel - available with hydraulic loader  
International "B275" Diesel - two to choose from International "B250" Diesel - four available  
International "Super W4" - two to choose from, one with loader  
International "W4" - four available, one with loader  
International "Cub Cadet" - 10 H.P. with 48" rotary mower, 1972 model, demonstrator, new guarantee  
Farmall "504" Diesel - wide front axle, T.A., and independent P.T.O.  
Farmall "H" - available with row crop cultivator  
Farmall Super "A" - three to choose from, row-crop cultivators

### FARM MACHINERY

Farmall "130" - two available, row-crop cultivators, several other pieces hydraulic equipment, cultivators, mowers, plows, discs, etc.  
Massey Ferguson "165" - Diesel, power steering, low arch Massey Ferguson "135" - Diesel, low arch, multi-power with multi-power and power steering  
Massey Ferguson "135" - Gas, less than 400 original hours  
Massey Ferguson "65" - Diesel, low arch, multi-power  
Massey Ferguson "65" - Gas, low arch, standard transmission  
Massey Ferguson "50" - Gas, high arch, wide front axle  
Massey Ferguson "35" - Diesel, three available, two with hydraulic loaders  
Massey Ferguson "70" - 7 H.P. with 32" rotary mower  
Massey Harris "33" - Diesel, high arch, wide front axle  
Massey Harris "44" - Gas, two available, standard models  
Massey Harris "Pony" - with 1 furrow plow  
Ford "6000" Commander - Diesel, power steering  
Ford "4000" Diesel - high arch, wide front axle  
Ford "2000" Diesel - available with hydraulic loader  
Ford "Major" - Gas, with hydraulics  
Ford "8N" - 2 plow tractor with 3 point hitch  
David Brown "880" Diesel - real good, original tires  
David Brown "950" - three available, two with power steering  
David Brown "990" - two to choose from, one with power steering  
Allis Chalmers "WD45" Gas - wide front axle  
Allis Chalmers "WD45" Diesel - wide front axle  
Allis Chalmers "B" - with row-crop cultivator  
Cockshutt "540" Gas - three available, one with manure loader  
Oliver "770" Gas - hydraulics, new tires  
John Deere "B" Gas - row crop model  
Minneapolis Moline "335" Gas - with two hydraulic buckets, manure and dirt  
Simplicity 5 H.P. Garden Tractor - with plow, cultivator, disc, snow and dirt blade and riding cart  
Garden Rotovator 5 H.P. - demonstrator, new guarantee

**FARM MACHINERY**  
4 - SEED DRILLS, steel and rubber, plain and combination models  
12 - CULTIVATORS, from 12 tooth to 45 tooth, hydraulic and pull models  
8 - DISC HARROWS, hydraulic 3 point hitch and pull type  
10 - CORN PLANTERS, 2 and 4 row, International, John Deere, Massey Ferguson and Cockshutt, hydraulic and pull type models, including John Deere 4 row plateless, latest model  
4 - MANURE SPREADERS, P.T.O. and ground drive models  
25 TRACTOR PLOWS, 2, 3 and 4 furrow, hydraulic and pull type  
4 - ONE WAY PLOWS, Massey Harris, International and Cockshutt  
30 - MOWERS, RAKES, HAY CONDITIONERS, HAY ELEVATORS, BALE FORKS, BALE BUNCHERS AND BALE STOCKERS  
1 - Gehl HAMMER MILL, belt driven, with cyclone bagger  
1 - Bear Cat HAMMER MILL, P.T.O. driven, transport with cyclone bagger, as new  
Several used LOADERS to fit most model tractors.

The above ad represents over 200 units, nearly all have been carefully rebuilt and overhauled where necessary and carry our usual warranty.  
Due to the high prices and scarcity of new tractors and implements we feel our used inventory to be of extra good value to our purchasers.  
We also have many used tractors and implements to offer "As-Is" to anyone able to repair his own.  
Terms and deliveries arranged.

# BOWLING

## Stirling Bantam and Junior

On Saturday, April 21st once again attendance proved the winner, as the three teams with the best attendance won both games from their opponents. The Centre Pins took 5 points from the Hot Stuff; the Strikers took 5 points from the Go Getters and the Triumphs also took 5 from the Chargers. Strikers took a stronger hold on the top spot with 96. The Triumphs strengthened second place with 80 and the other four teams all changed positions: Go Getters 73; Centre Pins 72; Hot Stuff 71; and Chargers 70. There are two more weeks of bowling to settle final standings.

**BANTAM -** Girl's high single Jane Porritt 159; high double Sandra Edgar 267 and high average Cheryl McGee 127.

**Boy's high single** Mark Montgomery 159; high double Richard Sca 280; and high average Greg Gossard 127.

Other good games - Don Boersma 158; Marianne Fletcher 147, 102; Margaret Wilcox 147; Mark Wilson 149, 105; Richard Sca 142, 138; Sandra Edgar 136, 131; Joyce Sca 136, 116; Janice Sca 135, 116; Jerry Aids 123, 106; Stephen Barrie 123; Mark Montgomery 120; Janet Aids 115, 103; Greg Gossard 109, 100; Jane Porritt 103; Jeff Whitehead 103; Robert Jackett 110; Kellee Chyppha 117.

**JUNIOR -** Girl's high single and double Delani Chyppha 202 and 352. High average Suzanne Jackett 154.

**Boy's high single** and double Robby Clements 215 and 395. High average Ricky Clements 189.

Other good games - Rodney McKeown 214, 161; Robby Clements 208; Paul Sca 188, 147; John McKay 170, 153; Sherry Farrell 167, 156; Pamela Gossard 185; Delani Chyppha 150; Heather Sine 145, 141; Debbie McKay 145; Ricky Boersma 156, 133; and Janice Reid 144.

## Merrie Bowlers

The Merrie Ones have closed out for the season. This will surely mean a full over town. Isobel Hutchison's Belles rang the loudest and longest attaining first position with a grand total of 120. Bessie

Hewton's Dingbats came in next with 112 points. Those Meatheads of Lorna Wrightman's went down still trying, only 1 point back with 111. Mildred Fraser's Dingbats seemed content just to come and be recognized, but that wasn't really the way. Each day somebody else would have 1 or 2 points more. The Dingbats wound up with 77.

Helena Coasting sure stayed in there working, and won the high average with 181. She had been tying or tripling with others the last month or so, but on the final day moved to the lead.

Betty Hubble took the high triple with 611. She had a 236 and 213, singles. Other over 200's were: Marion Palmer 208; Lorna Wrightman 228; Barb Noble 214; Isobel Hutchison 212; Nellie Smith 202; and Ruth Glover 240, which was the high single of the day.

## Energetic League

Thursday, April 19th was the last day of the league bowling. Final team standings are: Elsie O'Brien's Bottoms Up 124; June Wilcox's Hepcats 109; Beverly Adams' Happy Faces 99 and Joan Jones' Green Lights 88.

"A" group (average 160 and up) - High single - Verna Woodcock 266, high triple - Lenora West 701, and high average Elsie O'Brien 185.

Other good games were: Lenora West 260, 234, 207; Heather McGee 225, 182; Pat Harris 224; June Wilcox 217; Irene Hogle 217, 207; Beverly Adams 205, 181; Ivy Poste 203; Frances Merrick 189; Luella Bronson 211; and Joan Jones 228.

"B" group (average 150 and under) - High single - Jean Marchand 215; high triple - Mary Johnson 365.

Other good games were: Mary Johnson 198, 192, 175; Shirley Whitehead 194; Sylvia Porritt 186.

The top six average bowlers (having bowled two-thirds of league games) will represent the league on Thursday, April 26 and Wednesday, May 9 at 8 p.m. to bowl for the Ladies League Play-off Trophy. The banquet will be at the Orange Lodge Hall on Friday, May 11 at 6:30 p.m.

## Lacrosse Helps Blood Donors

A combined program to attract volunteer blood donors and to promote interest in Lacrosse throughout Ontario is being provided by the Lacrosse Association for each donor who attends a blood donor clinic from April 30th to July 25th. It is estimated that 80,000 tickets will be distributed. Dates and times of local blood donor clinics will also be included in Lacrosse Association member team advertising.

It is hoped that this program will improve blood donor attendance, particularly during the slack summer months, and will as generate enthusiasm for Lacrosse, Canada's national sport.

### MATURE WOMAN

UP WITH LIFE!  
One day six years ago, Catherine Lanham Miller stood on the doorstep of her suburban home and waved her usual goodbyes to her husband and three teenagers. They were off to challenging jobs and classes; she was suddenly wondering what she would do with the rest of her today, tomorrow and the rest of her life.

"I was really at a low point," she recalls now. "I would like to say I immediately whipped into action and set myself to work. It took me a couple of years of dialogue with myself before I finally settled on my long-time dream to be a free-lance writer."

Numerous magazine articles and a full-length book later, she tells her story to encourage other women to get out of their doldrums and fight back. Her book, "How to X-3 to Life: A Woman's Guide to Beating the Blues" is addressed to every woman who knows she must do something about improving her life, but doesn't know how to start.

### THE YOU IN THE MIRROR

"She may have to begin with her physical appearance, to build her self-confidence," says Mrs. Miller. "It may sound superficial to worry about hair, nails, skin and figure, but if you're a woman who looks in the mirror and says 'I'm too old, I'm too grey-haired, I'm too fat,' then you'll go right back to bed and pull the covers over your head."

Many women do just that, Mrs. Miller notes. She calls them "Sleepaholics." In order to cope "they sleep 14 or 16 hours a night. It's frightening." Other women escape by watching television or they become cleaning "addicts," scrubbing away at a house that's already spotless.

### FOUR-POINT PROGRAM

What does it take for a

## Sore throat?

Chew Aspergum. Aspergum's medicinally designed pain reliever effectively soothes the sorest throat. And it's so easy to take, children like it too. For soothing relief from a sore throat, chew Aspergum Cherry or Aspergum Orange. It helps.

**Aspergum**

woman to come to grips with herself, to "beat the blues?" Author Miller maintains that even though each woman has her own lifestyle, there are simple guidelines that can make the going smoother. She is losing five pounds or as complicated as getting your Master's degree or learning to play the harp.

(1) Dig for the dream. "The thing you've always wanted to do, that you've had hidden inside you. Get it out. Examine it." And if you don't have any buried hopes? "Set a goal for yourself. It could be as simple as losing five pounds or as complicated as getting your Master's degree or learning to play the harp."

(2) Find the time to fit the goal into life. "Don't make excuses and say you're just too busy to possibly handle anything else. People who aren't the least bit busy say that. Do you really have to make

the beds promptly at 9 a.m. If that's your most creative hour? Why couldn't they be made at 4 p.m.?"  
(3) Plan a schedule of how you're going to accomplish your goals. "Even if it's just one thing at a time, figure out today's activities, tomorrow's, next week's and so on. And put it down on paper. It gives you a sense of order."

(4) Start right now. "Don't wait 'til Fall or when the kids are away or after the house gets painted—really begin this minute. Just going to the library and reading through a few books on a subject that interests you perks up your mind and it's a wonderful way to start."

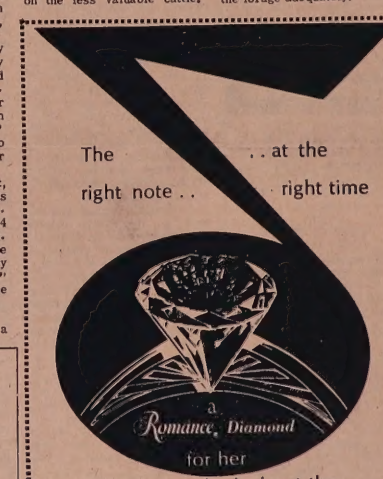

"Wake up," Catherine Miller writes in the preface to her book, "there's a great big world out there! Goodbye yesterday. Hello today!"

## Silage Depends Upon Maturity

While our knowledge of silage-making continues to improve, adverse weather conditions and a number of other factors beyond our control still result in silage that is not as good as we would like. All too often the farmer is faced with a silo full of feed that the cattle don't favor or don't seem to be producing on, quality when mature and/or weathered before ensiling, and not well packed. For good fermentation corn silage quality depends on maturity (high grain level), moisture level of 60 to 70% and the exclusion of air.

In 1972 a lot of corn grain was ensiled at higher than usual moisture levels. While this corn may present problems of freezing and unloading, the feeding quality should be satisfactory. Cattle and other stock should perform well, provided allowance is made for the extra moisture in the corn, and animals are fed more.

Badly spoiled silage should not be fed to any animals as it will likely sicken, if not kill them. On the other hand, silage may be borderline. If there is a lot of it, try it out on the less valuable cattle.

Come in and ask about the NEW Romance program for brides.

COPY - Customers with lengthy classified advertisements, or with advertisements containing technical or spelling problems should provide copy either clearly typed or printed whenever possible to avoid the possibility of errors.

## Fresh Banana-Lemon Freeze Combines Two Flavor Favorites

Golden ripe bananas combine with the zesty, fresh flavor of lemons for a refreshing cooler. This sparkling freezer dessert is a beautifully refreshing addition to your menu. A simple freezer tray and a hand or electric beater will bring the smoothest results too. When selecting bananas, look for fruit that is plump, firm and bright in appearance, and free of bruises. Once bananas have reached the desired ripeness, they may be stored in the refrigerator. Although the skin may turn brown, the eating quality will not be affected. Bananas are recommended for low fat diets since their fat content is negligible. And, 100 grams edible portion of raw bananas contain only 85 calories. Good news for many banana lovers!

**Fresh Banana-Lemon Freeze**  
1 1/2 cups sugar 1 teaspoon vanilla  
1/2 cup light corn syrup 1 teaspoon grated fresh lemon rind  
1 1/2 cups water, divided 1/4 teaspoon salt  
1 cup fresh lemon juice 1 cup mashed banana  
1 egg white  
In large saucepan, combine sugar, corn syrup and 1 cup water. Mix well. Place over medium heat and cook to soft ball stage—238°F. Remove from heat. Add remaining 1/2 cup water and lemon juice. Cool. Add bananas, vanilla and grated lemon rind. Mix well. Pour into freezer tray. Freeze in a mush. Turn into a bowl and beat with a rotary or electric beater until fluffy. Combine salt and egg white in small bowl, and beat until soft peaks form. Fold into beaten frozen mixture. Pour into freezer tray. Freeze until firm. Makes: 1 quart.
